When Twilight Breaks Jan 19
2023 Munich, 1938. Evelyn
Brand is an American foreign
correspondent as determined
to prove her worth in a male-
dominated profession as she is
to expose the growing tyranny
in Nazi Germany. To do so, she
must walk a thin line. If she

offends the government, she
could be expelled from the
country--or worse. If she fails
to truthfully report on major
stories, she'll never be able to
give a voice to the oppressed--
and wake up the folks back
home. In another part of the
city, American graduate
student Peter Lang is working
on his PhD in German.
Disillusioned with the chaos in
the world due to the Great
Depression, he is impressed
with the prosperity and order
of German society. But when
the brutality of the regime hits
close, he discovers a far better
way to use his contacts within
the Nazi party--to feed
information to the shrewd
reporter he can't get off his

mind. This electric standalone
novel from fan-favorite Sarah
Sundin puts you right at the
intersection of pulse-pounding
suspense and heart-stopping
romance.

The Meriwether Murder Oct 12 2019 In a decaying plantation graveyard, Alan Graham finds a clue to a great American mystery The headstone reads Louis, and when Pepper Courtney finds it, she assumes it belonged to a slave. But when the old woman who owns the crumbling plantation house gives her an ancestor's diary, Courtney discovers that Louis was a white man whose drifter's appearance concealed a gentleman's manners. Who was

this stranger, and why did he die with the president's name on his lips? Courtney's boss, contract archaeologist Alan Graham, has a radical theory—and there are those who would kill to keep it quiet. Based on the diary, the dig, and the scant historical records, Graham believes the headstone may have belonged to explorer Meriwether Lewis, who was said to have died in Tennessee but may have survived to make a new life in Louisiana. To solve this centuries-old mystery, he will have to catch a modern-day killer.

keep his factory running and obtain military information from his German customers. As the war rages on, Paul offers his own resistance by sabotaging his product and hiding British airmen in his factory. After they meet in the bookstore, Paul and Lucie are drawn to each other, but she rejects him when she discovers he sells to the Germans. I Am Grey Oct 24 2020 "Me and you. It'll never happen. Not today, not tomorrow, not five years from now. Not when some idiot breaks your heart, or when you realise what your little sundresses do to everyone. Not when you're thirty, not when you're fifty. I'm going to push your limits, break you down, make you cry, and in the end ... I'll save you." Some people exist in the blessed light of day, but I'm not one of those people. I exist in the bleak grey of a post-twilight world, where the warmth is sucked from the air and the weightless shadows

come out to play. I will never be free, because I have a demon. It wasn't always with me, but something happened, something bad. I lost a year of my life, and now here I am, just me and my demon. Maybe the demon is him: Nicholai Fell. He exists in the horrible darkness of a moonless night: quiet, full of mystery, completely unreachable. He might be in the profession of saving people, but it isn't going to work this time. Not even when he starts to break all of his own rules. Because maybe ... Just maybe ... My demon is me. This is a full, standalone novel, over 90,000 words. TRIGGER WARNING: This novel may contain some sensitive subject

matter.

Breaking Dawn Oct 16 2022

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run,

how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully

human life has become the thread from which the fates of two tribes hang. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times
