Celebrate 20 years of Harry Potter magic! Dark times have come to Hogwarts. After the Dementors' attack on his cousin Dudley, Harry Potter knows that Voldemort will stop at nothing to find him. There are many who deny the Dark Lord's return, but Harry is not alone: a secret order gathers at Grimmauld Place to fight against the Dark forces. Harry must allow Professor Snape to teach him how to protect himself from Voldemort's savage assaults on his mind. But they are growing stronger by the day and Harry is running out of time. These new editions of the classic and internationally bestselling, multi-award-winning series feature instantly pick-up-able new jackets by Jonny Duddle, with huge child appeal, to bring Harry Potter to the next generation of readers. It's time to PASS THE MAGIC ON ... If Hogwarts students had access to the internet, there's no doubt they'd love memes just as much as everyone else. The Harry Potter universe has been ever-expanding since J.K. Rowling's Harry Potter and the Sorcerer's Stone was released in 1997, providing 20 years of content to work with. Because there are so many amazing, clever, and dumb Harry Potter memes out there, we thought we'd round up some of the best ones for you. Most of these memes are pretty in-universe, poking fun at some of the characters' most iconic lines and looks. There are also quite a few crossovers into real life since Harry Potter has become so deeply ingrained in fans' psyches. Why not ask someone on a first date what their Hogwarts house is? And why not reread the entire Harry Potter series for the 100th time? Nothing's stopping you. You'll always love the world Rowling made. The first Harry Potter book was published in 1997, and the final film based on the book series was

released in 2011. Both the books and the movies were wildly popular, and Harry Potter memes have been a mainstay on the internet for longer than some of the youngest fans of the series have even been alive.

What Do Harry Potter Memes Mean?

Harry Potter memes can mean a variety of different things. A lot of Harry Potter memes rely on knowledge that only fans of the books or movies will have, while others are reaction images that convey a feeling or mood that is understandable just by looking at the meme.

How Are Harry Potter Memes Used?

Harry Potter memes are often used on social media to make inside jokes. When someone uses a meme like this, they know that fellow fans will understand the reference and get the joke. Since the fan base is so large, and the movies in particular occupy a prominent position in popular culture, it's a fairly safe bet that casual fans, and even non-fans, will recognize some Harry Potter memes.

Examples of Harry Potter Memes:

Example #1
Image: Hagrid on top and Harry Potter on the bottom.
Text line one: You're a unit of power, Harry.
Text line two: I'm a waddler?
Meaning: In the movie, Hagrid tells Harry he's a wizard, and Harry replies, "I'm a what?" This is a play on words, as watt is a unit of power.

Example #2
Image: A snake lifting itself up off the floor and leaning against a door.
Text line one: Excuse me, sir.
Text line two: Do you have a moment to talk about our Lord and Savior Lord Voldemort?
Meaning: This meme makes a joke about a snake, which is typically associated with the antagonist Voldemort, proselytizing for him door to door.

Example #3
Image: A walled off escalator.
Text line one: Escalator
Text line two: To Hogwarts
Meaning: In the books and movies, children board a

train to Hogwarts by walking through a wall at the train station. The joke here is that instead of just a wall, there is an escalator. Here are 1000 of the best Harry Potter meme

Discover the filmmaking secrets that brought Hogwarts School of Witchcraft and Wizardry to life on-screen. From moving staircases filled with talking portraits to secret rooms and chambers, Hogwarts castle is a place full of magic and mystery. In this volume, fans will be treated to an in-depth look at the illustrations, paintings, and behind-the-scenes photography that helped develop the iconic castle seen throughout the Harry Potter films. *Harry Potter: Film Vault* compiles the filmmaking secrets and visionary artistry behind the Harry Potter films into a series of twelve deluxe collectible volumes. Intricately designed and packed with gorgeous concept art and unit photography from the Warner Bros. archive, each volume in the series gives fans striking insights about bringing the Wizarding World to the big screen. Included in each book is a collectible art print, making this series a must-have for all Harry Potter fans and collectors everywhere. Nineteen years later . . . Even as a new generation embraces the Harry Potter novels for the first time, J.K. Rowling's world is expanding with *Fantastic Beasts*, *Cursed Child* and *Pottermore*. There are new mobile games, new toys and, of course, the theme parks. Meanwhile, *Quidditch* and the *Harry Potter Alliance* stretch from college to college, inspiring each generation. Fans have adapted the series into roleplaying games, parodies, musicals, films, dances, art and published fiction like *Tommy Taylor* or *Carry On*. They are also scrambling Potter with new franchises: *Game of Thrones*, *Hunger Games*, *Percy Jackson*, *Hamilton*.

What else is this new generation discovering about loving Potter? Which are the best conventions, the best fanfiction and wizard rock? And, how has Potter aged and what does it still have to teach us? Fan Phenomena: Harry Potter offers Potter fans a taste of the best the fandom has to offer. Marina Petrocelli's life is about as mundane as it gets for the sister of an infamous psychic/paranormal PI. Which is why she's pretty shocked when a couple of vampires try to kidnap her on her way home from work. And don't even get her started on the sexy-as-all-hell Irish dhampyre who gallantly (if somewhat drunkenly) rushes to her rescue out of nowhere, kisses the ever-lovin' crap out of her, then disappears without a trace. It's all too weird to comprehend!

Quinn Connell's life is anything but mundane. As an ex-convict with a shady past and an even shadier employment history, all he has to do is obey the terms of his parole, which are exceedingly simple: get a job, and stay out of trouble. Unfortunately, getting involved with Marina is the very definition of trouble for someone like him. And, as it turns out, her sister is the only employer in town willing to hire him. Quinn's head tells him Marina's officially off limits. Too bad his heart-and body, which can't seem to stop touching her-didn't get the memo. But when Quinn and Marina find themselves in the middle of a brutal life-or-death situation, Quinn knows keeping his distance and staying out of trouble is no longer an option. He'll do anything to keep Marina safe, even if it means relying on a few of his quirky (and sometimes scary) new coworkers and utilizing the very same dubious skills that

landed him in prison in the first place. Nab the bad guys, stay out of prison, and (hopefully) get the girl. Easy, right? Yeah, not so much. Celebrate your love for *The Boy Who Lived* with this deluxe set of one hundred unique postcards featuring art and photography from the beloved HARRY POTTER™ films. The HARRY POTTER™ series continues to enchant and inspire fans around the world. Now Harry Potter fans can share their love with this boxed postcard set, featuring gorgeous concept art and film photography, perfect for decorating, scrapbooking, or sharing with friends. This deluxe boxed postcard set features one hundred unique designs and comes packaged in a sturdy keepsake box for easy storage and display. Use the wooden stylus to reveal hidden scenes in this third Harry Potter Scratch Magic book! Scenes are all about fighting Dark forces in Harry's world (such as Dementors, Severus Snape, and even You-Know-Who himself!). Fight Dark forces with Harry, Ron, and Hermione in this interactive scratch art book. By using a wooden stylus, scratch the pages to draw your Patronus, learn how to defeat Boggarts, and discover how Lord Voldemort's Horcruxes were destroyed. This fun and interactive Scratch Magic book comes with a wooden stylus. Includes tons of fun activities and drawing prompts, film-inspired Harry Potter art, and 20 bonus notebook pages at the end. This book provides hours of fun and is the perfect gift for any Harry Potter fan. Unleash your creativity and escape to one of the most beloved series of all time. Includes twenty large-format posters featuring stunning artwork from the original coloring book. Explore the many places and characters of the Harry Potter films through the magic of color in this special poster collection. The

resplendent halls of Gringotts and the candy-filled shelves of Honeydukes are yours to illuminate in intricate drawings that include many of the most beloved characters of the series. Featuring twenty large-format, onesided prints from Harry Potter Magical Places & Characters Coloring Book, each detailed illustration is printed on high-quality card stock and can easily be removed for displaying. 'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers. Petunia Evans married a biochemist, and Harry Potter grew up in a house filled to the brim with books, reading science and science fiction. Then came the Hogwarts letter, introducing strange new opportunities to exploit. And new friends, like Hermione Granger, and Draco Malfoy, and Professor Quirrell. book has something for every Harry Potter fan. Harry Potter and his friends went on a trip to the land of the free, home of the brave, AMERICA. But as they're enjoying their vacation there, the Orange-man suddenly became the president. And he erected a huge wall around the entire border so that no one can come and go. Moreover as this is the land of the Muggles, the magic won't work here. Can Harry and his friends escape the wall and come back to his home? Will he be able to liberate the people there too, WITHOUT magic? And it seems they're not the only ones who're from the magic world, the Orange-man knows about them too. And in a hidden secret archive in the Capitol Hill, they found a parchment which says the founding fathers already knew about this Orange-man. But who's this mysterious Orange-man? Is he the new dark lord? Harry finds himself drawn deep inside a mystical world he never knew existed before. See the artistry and special effects that built the Wizarding World, including Hogsmeade Village, Grimmauld Place, Shell Cottage, Malfoy Manner, and more. Explore the iconic locations of Hogwarts as seen in the Harry Potter films with this large-scale interactive book, Harry Potter: Exploring Hogwarts. Harry Potter: Exploring Hogwarts pairs striking full-color illustrations of Hogwarts with interactive elements that reveal key movie scenes, concept art, and behind-the-scenes info on the most memorable locations within Hogwarts School of Witchcraft and Wizardry.

Go behind-the-scenes with iconic landmarks like the Forbidden Forest, the Great Hall, and Quidditch Pitch, and discover secret rooms and mysteries hidden beyond the school's surface. The first in a series of large-scale interactive books that explore the iconic locations from the films of the Wizarding World, *Harry Potter: Exploring Hogwarts* is the perfect book for readers of all ages to connect with and rediscover the magic of Hogwarts. The publication of *Harry Potter and the Deathly Hallows*, the seventh and final Harry Potter novel, is probably the most eagerly anticipated event in the history of publishing. Even the smallest hints from author J. K. Rowling about what may happen to Harry and his friends have been major news stories. In *The End of Harry Potter?*, David Langford—Potter fan and award-winning writer—delves into the many mysteries which remain unsolved. Is Albus Dumbledore really dead? Whose side is Severus Snape really on? What are the remaining horcruxes, where He Who Shall Not Be Named has stashed his soul? Does Harry bear a part of the Dark Lord's soul in his scar, and is this why he understands Parseltongue? J. K. Rowling is the only person who knows the answers to these questions. But in this highly entertaining book, Langford uses his deep knowledge of the six published Harry Potter novels to explore these and other mysteries, and to present a selection of possible outcomes. Only the publication of *Harry Potter and the Deathly Hallows* will lay these questions to rest, but in the meantime, fans of the series will find David Langford's book entertaining and thought-provoking, and a perfect way to refresh their memory of the first six books in readiness for the last. At the Publisher's request, this title is being sold

without Digital Rights Management Software (DRM) applied. When Harry Potter first boards the Hogwarts Express, he journeys to a world which Rowling says has alchemy as its "internal logic." The Philosopher's Stone, known for its power to transform base metals into gold and to give immortality to its maker, is the subject of the conflict between Harry and Voldemort in the first book of the series. But alchemy is not about money or eternal life, it is much more about the transformations of desire, of power and of people--through love. Harry's equally remarkable and ordinary power to love leads to his desire to find but not use the Philosopher's Stone at the start of the series and his wish to end the destructive power of the Elder Wand at the end. This collection of essays on alchemical symbolism and transformations in Rowling's series demonstrates how Harry's work with magical objects, people, and creatures transfigure desire, power, and identity. As Harry's leaden existence on Privet Drive is transformed in the company of his friends and teachers, the Harry Potter novels have transformed millions of readers, inspiring us to find the gold in our ordinary lives. Dear witch or wizard, Have you read and reread the "Harry Potter" books? Are you someone who can quote the movies by heart? Do you still ever wonder when you will get your acceptance letter into Hogwarts School of Witchcraft and Wizardry? Me too. As a diehard and proud Potterhead, my heart warms every time I hear the main theme music, "Hedwig's theme." Like many of you, I have been sorted on Pottermore (House Slytherin) and I have my wand (Willow, 10-inch unicorn hair) and robes. And for me, like for so many of you, the "Harry Potter" series has been life changing. I always wanted to write a book specific to

Harry Potter, my favorite fandom, and one, which undoubtedly has influenced me, the most. I decided that I would like to write a self-help book for you, my fellow Harry Potter fans to help you better manage you anxiety, depression, trauma, insecurity, and other difficulties. I hope that you will join me on an enchanting exploration how "Harry Potter" series can help us heal and find the magic in our own lives. The proceeds of this book will be donated to mental health charities, such as Crisis Text Line and RAINN, as well as Lumos and the Good Samaritan organization

Throughout the making of the Harry Potter movies, designers and craftspeople were tasked with creating fabulous feasts, flying brooms, enchanted maps, and much more, in addition to all the magical items necessary for everyday wizarding life. Harry Potter: The Artifact Vault chronicles the work of the graphics and prop teams in creating lovingly crafted items; and the stunning inventiveness used to create a rich, filmic universe. Explore this new kind of coloring book, which is surely promised to make a pleasant surprise to you! Whether you have experienced coloring or not, you will find it easy and exciting when diving into the variation universe. The incredible book is provided with color palette and every little piece of each design is numbered so that the colorists can easily follow and fulfill their artwork. How does magic in J. K. Rowling's universe work? Finally, the scientific secrets are revealed! The story of the boy who lived has brought the idea of magic and sorcery into mainstream fruition more than any other book series in history. Modern muggle scientists have uncovered explanations to the seemingly impossible, including answers to such questions as: Will we ever see an invisibility cloak? How hazardous is a flying broomstick like the Nimbus 2000? How has medicine made powerful potions from peculiar plants? (Felix Felicis, anyone?) Can scientists ever demonstrate Wingardium Leviosa, or the flying power of a Golden Snitch? Is it possible to stupefy someone? And many more! Often perceived as a supernatural force, magic captivates and delights its audience because of its seeming ability to defy physics and logic. But did you ever wonder if science has any explanation for these fantastic feats? *The Science of Harry Potter* examines the scientific principles—behind some of your favorite characters, spells, items, scenes, and even games like Quidditch and Wizard's Chess—from boy wizard Harry Potter's world, providing in-depth analysis and scientific facts to support its theories. Author Mark Brake, whose *The Science of Star Wars* was a knockout success, has found the answers to satisfy the curious spirits of muggles everywhere... A perfect Harry Potter gift for anyone obsessed enough to stand in line to be the first to see Harry Potter and

the Cursed Child or Fantastic Beasts and Where to Find Them, witches and wizards alike will be fascinated by the merging of this improbable realm and real science!
