The Confessions Jan 12 2022 "The Confessions" is an all time number one Christian classic -- an extended poetic, passionate, intimate prayer written by St. Augustine because he felt called by God to make this confession. Rowan Williams, Archbishop of Canterbury, calls Boulding's translation "a different level of excellence from practically anything else

on the market. She has perfected an elegant and flowing style." This 2nd edition includes a long-awaited annotated bibliography.

Confessions of the Fox Dec 11 2021 A New York Times Editors' Choice: "A mind-bending romp through a gender-fluid, eighteenth century London . . . a joyous mash-up of literary genres shot through with queer theory and awash in sex, crime, and revolution." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • HuffPost • Kirkus Reviews • Finalist for the Lambda Literary Award • Shortlisted for the Center for Fiction First Novel Prize • "A dazzling tale of queer romance and resistance."—Time Jack Sheppard and Edgeworth Bess were the most notorious thieves, jailbreakers, and lovers of eighteenth-century London. Yet no one knows the true story; their confessions have never been found. Until now. Reeling from heartbreak, a scholar named Dr. Voth discovers a long-lost manuscript—a gender-defying exposé of Jack and Bess's adventures. Is Confessions of the Fox an authentic autobiography or a hoax? As Dr. Voth is drawn deeper into Jack and Bess's tale of underworld resistance and gender transformation, it becomes clear that their fates are intertwined—and only a miracle will save them all. Writing with the narrative mastery of Sarah Waters and the playful imagination of Nabokov, Jordy Rosenberg is an audacious storyteller of extraordinary talent. Praise for Confessions of the Fox "A cunning metafiction of vulpine versatility . . . an action-adventure tale with postmodern flourishes; an academic comedy spliced with period erotica; an intimate meditation on belonging."—Katy Waldman, The New Yorker "Confessions of the Fox is so goddamned good. Reading it was

like an out-of-body experience. I want to run through the streets screaming about it. It should be in the personal canon of every queer and non-cis person. Read it.”—Carmen Maria Machado, National Book Award finalist for *Her Body and Other Parties* “A hat tip to Moby-Dick . . . a running footnote hall of mirrors to rival Borges . . . one of the most trenchant calls for progressive action that I have read in a very long time.”—The New York Times Book Review “An ambitious work of metafiction, a sexy queer love story . . . a bold first novel.”—Entertainment Weekly

Tranny Mar 14 2022 ONE OF BILLBOARD'S "100 GREATEST MUSIC BOOKS OF ALL TIME" The provocative transgender advocate and lead singer of the punk rock band Against Me! provides a searing account of her search for identity and her true self. It began in a bedroom in Naples, Florida, when a misbehaving punk teenager named Tom Gabel, armed with nothing but an acoustic guitar and a headful of anarchist politics, landed on a riff. Gabel formed Against Me! and rocketed the band from its scrappy beginnings-banging on a drum kit made of pickle buckets-to a

major-label powerhouse that critics have called this generation's The Clash. Since its inception in 1997, Against Me! has been one of punk's most influential modern bands, but also one of its most divisive. With every notch the four-piece climbed in their career, they gained new fans while infuriating their old ones. They suffered legal woes, a revolving door of drummers, and a horde of angry, militant punks who called them "sellouts" and tried to sabotage their shows at every turn. But underneath the public turmoil, something much greater occupied Gabel—a secret kept for 30 years, only acknowledged in the scrawled-out pages of personal journals and hidden in lyrics. Through a troubled childhood, delinquency, and struggles with drugs, Gabel was on a punishing search for identity. Not until May of 2012 did a Rolling Stone profile finally reveal it: Gabel is a transsexual, and would from then on be living as a woman under the name Laura Jane Grace. *Tranny* is the intimate story of Against Me!'s enigmatic founder, weaving the narrative of the band's history, as well as Grace's, with dozens of never-before-seen entries from the piles of journals Grace kept. More than a typical music memoir about sex, drugs, and rock 'n' roll—although it certainly has plenty of that—*Tranny* is an inside look at one of the most remarkable stories in the history of rock.

The Confessions Oct 21 2022 "God is our home but many of us have strayed from our native land. The venerable authors of these Spiritual Classics are expert guides-- may we follow their directions home." -- Archbishop Desmond Tutu Writing in the last years of the fourth century a.d., Saint Augustine of Hippo created what is at once the first true autobiography in Western literature and among the most sophisticated yet accessible theological arguments in the history of Christianity. With

extraordinary candor and psychological acumen, Augustine recounts his passage from a life of sensuality, Manichaeism, and empty careerism to a genuine spiritual awakening, and he articulates views on marriage, morality, and faith that have shaped our discourse ever since. The *Confessions* allows us to appreciate both the startling modernity of Augustine's insights and the imperishable poetry of his voice. With a new Preface by MacArthur Fellow Patricia Hampl, author of *Virgin Time* and *A Romantic Education*. In the annals of spirituality, certain books stand out both for their historical importance and for their continued relevance. The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions, with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement and solace, Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine.

The Confessions Jan 24 2023 The *Confessions* of Saint Augustine is considered one of the greatest Christian classics of all time. It is an extended poetic, passionate, intimate prayer that Augustine wrote as an autobiography sometime after his conversion, to confess his sins and proclaim God's goodness. Just as his first hearers were captivated by his powerful conversion story, so also have many millions been over the following sixteen centuries. His experience of God speaks to us across time with little need of transpositions. This acclaimed new translation by Sister Maria Boulding, O.S.B., masterfully captures his experience, and is written in an elegant and flowing style. Her beautiful contemporary translation of the ancient *Confessions* makes the classic work more accessible to modern readers. Her translation combines the linguistic accuracy demanded by 4th-century Latin with the poetic power aimed at by Augustine, not as discernable in previous translations.

The Confessions (The Works Of Saint Augustine A Translation for the 21st Century) Dec 31 2020

One of the most valued books in Christian literature, St. Augustine of Hippo's *Confessions* are an intensely revealing picture of the saint's difficult search for the truth. In his own day the dominant personality of the Western Church, St. Augustine relates his rare ascent from a humble Algerian farm to the edge of the corridors of power at the imperial court in Milan, his struggle against the domination of his sexual nature, his renunciation of secular ambition and marriage, and the recovery of the faith his mother Monica had taught him during his childhood. We witness the future saint's interest with astrology and with the Manichees, and then follow him through cynicism and disillusion with pagan myths until he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. Augustine's concerns are often remarkably contemporary, yet his work contains many references and allusions that are easily understood only with background information about the ancient social and intellectual setting. The religious and philosophical value of *The Confessions* is unquestionable--now modern readers will have easier access to St. Augustine's deeply personal meditations. This lucid translation and helpful introduction clear the way for a new experience of this classic.

Confessions (Second Edition) Nov 22 2022 The second Hackett edition of the Sheed translation, a classic in its own right, offers a wealth of notes on philosophical, theological, historical, and liturgical issues raised by the *Confessions*, as well as paragraph numbers of the Latin critical edition, and a thorough index.

Late Have I Loved Thee Nov 10 2021 The first collection of Saint

Augustine's varied writings on human and divine love—chosen to reflect his lifelong preoccupation with *ordo amoris*, the principle of rightly directed love. "My weight is my love," Saint Augustine writes in *The Confessions*. He sees our ability to love as disordered by sin, so that we often choose badly what and how to love. Only by recognizing that we are commanded to love God first can any other object of our love be properly ordered, *Late Have I Loved Thee* draws on the riches found in Augustine's sermons, letters, treatises, and Scripture commentaries, as well as passages from *The Confessions* and *City of God*. Augustine (354-430 A.D.) was the most prolific writer of Christian antiquity and the most influential theologian in Church history. In his first encyclical, *God Is Love*, current Pope Benedict XVI acknowledges his indebtedness to him. When we read Augustine today, we encounter the same direct, eloquent passions his original listeners experienced, infused with his deep sense of human weakness and burning desire for union with God.

The Confessions Feb 25 2023 We witness the future saint's fascination with astrology and with the Manichees, and then follow him through scepticism and disillusion with pagan myths until he finally reaches Christian faith. There are brilliant philosophical musings about Platonism and the nature of God, and touching portraits of Augustine's beloved mother, of St. Ambrose of Milan, and of other early Christians like Victorinus, who gave up a distinguished career as a rhetorician to adopt the orthodox faith. Augustine's concerns are often strikingly contemporary, yet his work contains many references and allusions that are easily understood only with background information about the ancient social and intellectual setting. To make "The Confessions" accessible to contemporary readers, Chadwick provides the most complete and informative notes of any recent translation, and includes an introduction to establish the context.

Augustine's Confessions Jul 18 2022 From Pulitzer Prize-winner Garry Wills, the story of Augustine's Confessions In this brief and incisive book, Pulitzer Prize-winning historian Garry Wills tells the story of the Confessions--what motivated Augustine to dictate it, how it asks to be read, and the many ways it has been misread in the one-and-a-half millennia since it was composed. Following Wills's biography of Augustine and his translation of the Confessions, this is an unparalleled introduction to one of the most important books in the Christian and Western traditions. Understandably fascinated by the story of Augustine's life, modern readers have largely succumbed to the temptation to read the Confessions as autobiography. But, Wills argues, this is a mistake. The book is not autobiography but rather a long prayer, suffused with the language of Scripture and addressed to God, not man. Augustine tells the story of his life not for its own significance but in order to discern how, as a drama of sin and salvation leading to God, it fits into sacred history. "We have to read Augustine as we do Dante," Wills writes, "alert to rich layer upon layer of Scriptural and theological symbolism." Wills also addresses the long afterlife of the book, from controversy in its own time and relative neglect during the Middle Ages to a renewed prominence beginning in the fourteenth century and persisting to today, when the Confessions has become an object of interest not just for Christians but also historians, philosophers, psychiatrists, and literary critics. With unmatched clarity and skill, Wills strips away the centuries of misunderstanding that have accumulated around Augustine's spiritual classic.

Her translation combines the linguistic accuracy demanded by 4th-century Latin with the poetic power aimed at by Augustine, not as discernable in previous translations. Sr. Maria Boulding, O.S.B. (1929 - 2009), born in Liverpool, was linguistically gifted and theologically astute. Turning down a full scholarship to Oxford, she joined the cloistered Benedictine Nuns at Stanbrook Abbey in September of 1947 where she unceasingly labored for 62 years. She spent much of her later life translating the writings of St. Augustine. Fr. David Vincent Meconi, S.J., editor of *Homiletic & Pastoral Review*, is a professor of patristic theology at St. Louis University where he teaches courses on Trinitarian theology, Christology and soteriology in the early Church, with a special interest in the life and thought of St. Augustine of Hippo. Sellout Apr 03 2021 "From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. Confessions Jun 17 2022 One of the great works of Western literature, from perhaps the most important thinker of Christian antiquity, in a revolutionary new translation by one of today's leading classicists Sarah Ruden's fresh, dynamic translation of Confessions brings us closer to Augustine's intent than any previous version. It puts a glaring spotlight on the life of one individual to show how all lives have meaning that is universal and eternal. In this intensely personal narrative, Augustine tells the story of his sinful youth and his conversion to Christianity. He describes his ascent from a humble farm in North Africa to a prestigious post in the Roman Imperial capital of Milan, his struggle against his own overpowering sexuality, his renunciation of secular ambition and marriage, and the recovery of the faith his mother had taught him during his earliest years. Augustine's concerns are often strikingly contemporary, and the confessional mode he invented can be seen everywhere in writing today. Grounded in her command of Latin as it was written and spoken in the ancient world, Sarah Ruden's translation is a bold departure from its predecessors—and the most historically accurate translation ever. Stylistically beautiful, with no concessions made to suit later theology and ritual, Ruden's rendition will give readers a startling and illuminating new perspective on one of the central texts of Christianity. Praise for Confessions "[Ruden] has clearly thought deeply about what Augustine was trying to say."—The Wall Street Journal "A translation of [Augustine's] masterwork that does justice both to him and to his God . . . Repeated small acts of attention to the humble, human roots of Augustine's imagery of his relations to God enable Ruden to convey a living sense of the Being before Whom we find him transfixed in prayer: 'Silent, long-suffering and with so much mercy in your heart.'"—The New York Review of Books "Delightfully readable . . . In this lively translation filled with vivid, personal prose, Ruden introduces readers to a saint whom many will realize they only thought they knew. . . . Approaching her subject with deep religious and historical knowledge, [Ruden] chooses to translate Augustine as a performative, engaging storyteller rather than a systematic theologian."—Publishers Weekly (starred review) "Ruden's translation makes Augustine's ancient text

accessible to a new generation of readers with a real taste of the original Latin."—Library Journal "[Ruden's] record as a translator of ancient texts . . . clearly establishes her considerable talent."—Christianity Today

The Confessions of Saint Augustine Aug 27 2020 One of the most influential religious books in the Christian tradition recalls crucial events in the author's life: his mid-4th-century origins in rural Algeria; the rise to a lavish lifestyle at the imperial court in Milan; his struggle with sexual desires; eventual renunciation of secular ambitions and marriage; and recovery of his Catholic faith.

The Confessions of Saint Augustine Jun 24 2020 The Confessions of Saint Augustine by Saint Augustine Bishop of Hippo - Translated by E. B. Pusey (Edward Bouverie) - AD 401 - Confessions (Latin: Confessiones) is the name of an autobiographical work, consisting of 13 books, by St. Augustine of Hippo, written in Latin between 397 and 400 AD. Modern English translations of it are sometimes published under the title The Confessions of St. Augustine in order to distinguish the book from other books with similar titles. Its original title was "Confessions in Thirteen Books," and it was composed to be read out loud with each book being a complete unit. The work outlines Augustine's sinful youth and his conversion to Christianity. It is widely seen as the first Western autobiography ever written, and was an influential model for Christian writers throughout the following 1,000 years, through the Middle Ages. It is not a complete autobiography, as it was written in his early 40s, and he lived long afterwards, producing another important work (City of God). It does, nonetheless, provide an unbroken record of his development of thought and is the most complete record of any single person from the 4th and 5th centuries. It is a significant theological work, featuring spiritual meditations and insights. In the work St. Augustine writes about how much he regrets having led a sinful and immoral life. He discusses his regrets for following the Manichaean religion and believing in astrology. He writes about Nebridius's role in helping to persuade him that astrology was not only incorrect but evil, and St. Ambrose's role in his conversion to Christianity. The first nine books are autobiographical and the last four are commentary. He shows

intense sorrow for his sexual sins, and writes on the importance of sexual morality. The books were written as prayers to God, thus the title, based on the Psalms of David; and it begins with "For Thou hast made us for Thyself and our hearts are restless till they rest in Thee." The work is thought to be divisible into books which symbolize various aspects of the Trinity and trinitarian belief.

Expositions of the Psalms 73-98 (Vol. 4) Nov 17 2019 Fourth volume of the long-awaited translation of one of Augustines classics and a great work in Christian literature. Newly translated by Maria Boulding, O.S.B., whose masterful translation of Augustines Confessions in the same series has been praised as being of a different level of excellence from practically anything else in the market (Bishop Rowan Williams, Monmouth, England). As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. They recapitulate and focus the experiences of Augustines personal life, his theological reflections, and his pastoral concerns as Bishop of Hippo.

The Confessions of Saint Augustine Aug 19 2022 Heartfelt, incisive, and timeless, The Confessions of Saint Augustine has captivated readers

for more than fifteen hundred years. Retelling the story of his long struggle with faith and ultimate conversion -- the first such spiritual memoir ever recorded -- Saint Augustine traces a story of sin, regret, and redemption that is both deeply personal and, at the same time, universal. Starting with his early life, education, and youthful indiscretions, and following his ascent to influence as a teacher of rhetoric in Hippo, Rome, and Milan, Augustine is brutally honest about his proud and ambitious youth. In time, his early loves grow cold and the luster of worldly success fades, leaving him filled with a sense of inner absence, until a movement toward Christian faith takes hold, eventually leading to conversion and the flourishing of a new life. Philosophically and theologically brilliant, sincere in its feeling, and both grounded in history and strikingly contemporary in its resonance, *The Confessions of Saint Augustine* is a timeless classic that will persist as long as humanity continues to long for meaning in life and peace of soul.

The Confessions Feb 19 2020 -- EDITOR'S GUARANTEE: IF YOU BUY THIS BOOK AND DO NOT THINK THE TRANSLATION EXCELLENT, YOU CAN RECEIVE A FULL REFUND -- "*The Confessions*" of Saint Augustine is the first and also the most famous autobiography ever written. In it, Augustine, widely considered to be the greatest of the Church Fathers, traces the evolution of his mind and thought from his infancy to his conversion to Christianity and beyond, including memorable events and persons in his life, such as his mother, St Monica, whose prayers and tears over 30 years helped bring about Augustine's conversion, and St Ambrose, whose sermons greatly influenced him as well. This new English translation, based primarily on E. B. Pusey's translation of 1907 as well as the original Latin, combines the best of Pusey's and other older translations along with a significant number of changes, as well as modernization of language when that has been judged to be helpful for the contemporary reader, all the while seeking to maintain the sublime quality of Augustine's discourse. Here is a sample:-- "You have made us for Yourself [O Lord] and our hearts are restless till they rest in You." -- "But I in my great worthlessness ... had begged You for chastity, saying: 'Grant me chastity and continence, but not yet.'"--

"Late have I loved You, O Beauty so ancient and so new; late have I loved You! For behold You were within me, and I outside.... You did call and cry to me and break open my deafness: You did send forth Your beams and shine upon me and chase away my blindness: You did breathe Your fragrance upon me, and I drew in my breath and do now pant for You: I tasted You, and now hunger and thirst for You: You did touch me, and I have burned for Your peace."-- "The days were not long enough as I meditated, and found wonderful delight in meditating, upon the depth of Your design for the salvation of the human race. I wept at the beauty of Your hymns and canticles, and was powerfully moved at the sweet sound of Your Church's singing. Those sounds flowed into my ears, and the truth streamed into my heart, so that my feeling of devotion overflowed, and the tears ran down from my eyes, and I was happy in my tears." -- "Why does truth provoke hatred? Why is Your servant treated as an enemy by those to whom he preaches the truth, if happiness is loved, which is simply joy in truth? Simply because truth is loved in such a way that those who love some other thing want it to be the truth, and precisely because they do not wish to be deceived, are unwilling to be convinced that they are deceived. ...They love truth when it enlightens them, they hate truth when it accuses them. Because they do not wish to be deceived and do wish to deceive, they love truth when it reveals itself, and hate it when it reveals them. Thus truth shall reward them as they deserve: those who do not wish to be revealed by truth, truth will unmask against their will, but it will not reveal itself to them. Thus...does the human mind, blind and inert, vile and ill-behaved, desire to keep itself concealed, yet it desires that nothing should be concealed from itself. But the contrary happens to it - it cannot lie hidden from truth, but truth will remain hidden from it." -- The scripture passages in the book are in italics and in most cases the Catholic Douay-Reims version of the bible has been used, again with some modernization when that has been deemed helpful. The result is a combination of that which is best, noble, lofty, and sublime in the old with what in modern English makes the words of Augustine more intelligible. As Jesus said in the gospel, it is "the wise householder [who] brings out of his store house what is both

old and what is new." (Mt. 13:52) Books 11-13 of "The Confessions," Augustine's non-autobiographical commentary on Creation in Genesis chapter 1, have been omitted in this book. If readers like the translation, positive reviews are much appreciated! Thanks and God bless!

Confessions: A New Translation Aug 07 2021 This long-awaited translation of Confessions, which Stephen Greenblatt describes as central to the legacy of Adam and Eve, enlivens the beguiling world of late antiquity. No modern, well-versed literature lover can call her education complete without having read Augustine's Confessions. One of the most original works of world literature, it is the first autobiography ever written, influencing writers from Montaigne to Rousseau, Virginia Woolf to Gertrude Stein—and most recently informing Stephen Greenblatt's provocative thesis about one of our foundational mythologies in *The Rise and Fall of Adam and Eve*. It is here that we learn how one of the greatest saints in Christendom overcame a wild and reckless past, complete with a rambunctious posse of friends, an overly doting mother, and an affair that produced a "bastard" child. Yet English translators have long emphasized the ecclesiastical virtues of Augustine's masterpiece, often at the expense of its passion and literary vigor. Restoring the lyricism of Augustine's original language, Peter Constantine offers a masterful and elegant rendering of Confessions in what will be a classic for decades to come.
