Prepare for success on the 2022 CFA Level II exam with the latest official CFA® Program Curriculum. The 2022 CFA Program Curriculum Level II Box Set contains all the material you need to succeed on the Level II CFA exam in 2022. This set includes the full official curriculum for Level II and is part of the larger CFA Candidate Body of Knowledge (CBOK). Organized to get you accustomed to the exam's heavy reliance on vignettes, the Level II curriculum will help you master mini case studies and accompanying analyses. Highly visual and intuitively organized, this box set allows you to: Learn from financial thought leaders. Access market-relevant instruction. Gain critical knowledge and skills. The set also includes practice questions to assist with your recall of key terms, concepts, and formulas. Perfect for anyone preparing for the 2022 Level II CFA exam, the 2022 CFA Program Curriculum Level II Box Set is a must-have resource for those seeking the intermediate skills required to become a Chartered Financial Analyst®. Master the practical aspects of the CFA Program curriculum with expert instruction for the 2020 exam. The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2020 Level II, Volumes 1-6 provides the complete Level II curriculum for the 2020 exam, with practical instruction on the Candidate Body of Knowledge (CBOK) and how it is applied, including expert guidance on incorporating concepts into practice. Level II focuses on complex analysis with an emphasis on asset valuation, and is designed to help you use investment concepts appropriately in situations analysts commonly face. Coverage includes ethical and

professional standards, quantitative analysis, economics, financial reporting and analysis, corporate finance, equities, fixed income, derivatives, alternative investments, and portfolio management organized into individual study sessions with clearly defined Learning Outcome Statements. Charts, graphs, figures, diagrams, and financial statements illustrate complex concepts to facilitate retention, and practice questions with answers allow you to gauge your understanding while reinforcing important concepts. While Level I introduced you to basic foundational investment skills, Level II requires more complex techniques and a strong grasp of valuation methods. This set dives deep into practical application, explaining complex topics to help you understand and retain critical concepts and processes. Incorporate analysis skills into case evaluations Master complex calculations and quantitative techniques Understand the international standards used for valuation and analysis Gauge your skills and understanding against each Learning Outcome Statement CFA Institute promotes the highest standards of ethics, education, and professional excellence among investment professionals. The CFA Program curriculum guides you through the breadth of knowledge required to uphold these standards. The three levels of the program build on each other. Level I provides foundational knowledge and teaches the use of investment tools; Level II focuses on application of concepts and analysis, particularly in the valuation of assets; and Level III builds toward synthesis across topics with an emphasis on portfolio management. Created from the distilled knowledge of our staff of CFA charterholders and instructors, these books are a highly effective and proven study aid filled with exam tips, fundamental concepts, and in-depth examples. Our authors have used their years of personal teaching experience with students from a variety of backgrounds to develop study guides that improve the study experience of CFA Level I candidates and include practical and helpful tips and test-taking advice throughout the text. The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. "Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!" —Brian, USA "The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the competitors.." —Vanessa, Spain "Your study guides, lectures and

practice questions are really helping me grasp these difficult concepts better. Thanks!" —Amy, USA "Wiley's prep material was a huge part of my success on the exam... Thank you so much for all of the support you have provided. I truly believe in the Wiley products, and will be recommending them to students for years to come." —Lindsey G, USA "Looked at the economics module you sent me, the notes at University do not even come close, and its probably true for a lot of people, including those who have already completed an honors degree or MBA at some of the top universities around the world." —Geoffrey, South Africa Essential coverage of financial statement preparation and the reading of those statements including examples and various forms of business, whether governmental, nonprofit or even personal. For students of business in or out of school, this precise targeted coverage ensures easy access to the tool that is the backbone of any successful business. Lined workbook, 110 pages, (6 x 9 inches, Soft cover Principles of Investments by Bodie, Drew, Basu, Kane and Marcus emphasises asset allocation while presenting the practical applications of investment theory. The authors concentrate on the intuition and insights that will be useful to students throughout their careers as new ideas and challenges emerge from the financial marketplace. It provides a good foundation to understand the basic types of securities and financial markets as well as how trading in those markets is conducted. The Portfolio Management section is discussed towards the end of the course and supported by a web-based portfolio simulation with a hypothetical \$100,000 brokerage account to buy and sell stocks and mutual funds. Students get a chance to use real data found in the Wall Street Survivor simulation in conjunction with the chapters on investments. This site is powered by StockTrak, the leading provider of investment simulation services to the academic community. Principles of Investments includes increased attention to changes in market structure and trading technology. The theory is supported by a wide range of
