the limitless, thrilling adventures that can be found amidst the ruins of the lost city. The origin story of Dante and his rise from young aspirant to the mighty Chapter Master of the Blood Angels. Dante is Chapter Master of one of the noblest but most troubled Chapters of Space Marines in the Imperium: the Blood Angels. From the time of his birth in the rad-scarred wastes of Baal Secundus, he was destined for glory and strife. From his apotheosis to Scout, to the hive cities of Armageddon and the alien menace of the Cryptas system, Dante has waged war against all the enemies of the Imperium. He has witnessed the divine, and struggled against the darkness within all sons of Sanguinius. Longer lived than any other Chapter Master, this is his chronicle, his great and storied legend. The Blood Angels Space Marines must defend their home world from the ravenous threat of the tyrannid Hive Fleet Leviathan. A tendril of Hive Fleet Leviathan has reached the Cryptus shieldworlds. The Imperium musters its strength, for the aliens must be stopped here, as next in the hive fleet's path is the home world of the Blood Angels Space Marines, Baal itself. Many are the battlefields and the price of victory is steep... On Phodia, the sons of Sanguinius give battle to the dreaded Spawn of Cryptus. At Lysios, the Adepta Sororitas and Tempestus Scions hold the line against Leviathan. Far from the fighting, Blood Angels Sergeant Jatiel finds himself pitted against another threat, the necrons of Anrakyr the Traveller who may yet have a crucial impact on the greater war. The Blood Angels Chapter and their successors mount a desperate defence of their home world of Baal from the predations of the tyrannid hive fleet Leviathan. After a brutal campaign in the Cryptus System fighting the alien tyrannids, Lord Dante returns to Baal to marshal the entire Blood Angels Chapter and their Successors against Hive Fleet Leviathan. Thus begins the greatest conflict in the history of the sons of Sanguinius. Despite a valiant battle in the void around Baal, the Blood Angels are unable to stop the tyrannids drawing ever closer, but their petitions for reinforcements are met with dread news. The Cadian Gate, the Imperium's most stalwart bastion against Chaos, has fallen. In their darkest hour, no help will reach the beleaguered Dante and his warriors. Is this truly then the Time of Ending? This omnibus edition collects together for the first time the four Blood Angels novels of author James Swallow and includes several bonus short stories. The full story of Blood Angels Brother Rafen. From humble battle-brother to war-hardened sergeant, Rafen survives civil war, Chaos plots and the calling of destiny in four novels by James Swallow. In this epic tale of brotherhood and darkness, the Blood Angels face strife from within when Brother Arkio claims to be a reincarnation of Sanguinius, the Blood Angels' spiritual father. His message is clear: follow me or die. With no other choice, his brother Rafen kneels before this prophet of the Blood and swears an oath of devotion. But in his heart, Rafen knows that Arkio cannot be allowed to lead the Chapter into darkness. A reckoning is coming, one that they will not both survive. As the ashes settle on the devastating by civil war, the Blood Angels face a dire crisis and must call together their Successor Chapters or face extinction. But the sons of Sanguinius have many enemies, and this audacious scheme to rebuild their ranks comes under threat by the machinations of the arch-traitor Fabius Bile. But the Ruinstorm, a galaxy-wide maelstrom of chaos, hides the Throneworld from the primarchs. Now the fleets of three Legions depart Macragge, and the primarchs will stop at nothing to overcome the Ruinstorm. Yet an insidious enemy watches their every move, and plots against the weaknesses of the errant sons of the Emperor. Each has his own inner storm, and each marches towards his own ruin. After pursuing an insidious genestealer cult across the sector for years, Chapter Master Caedis of the Blood Drinkers stands ready to destroy the original source of the infection - the vast and mysterious space hulk designated Death of Integrity. However, immediately coming into conflict with both their brothers in the Novamarines Chapter and the priesthood of the Adeptus Mechanicus, the Blood Drinkers must reign in their more aggressive instincts and accept the possibility that the hulk itself may be of value to the Imperium. Blood Angels Chief Librarian Mephiston ventures to a war-torn shrine world to uncover the truth about the mysterious Blade Petrific. The shrine world of Divinatus Prime has become lost to the light of the Astronomican and no ship can pierce its veil. After enacting a powerful blood ritual, Mephiston and an honour guard of his fellow Blood Angels reach the stricken shrine world to find it seized by a religious civil war. Each faction fights for dominance of a potent artefact, the Blade Petrific, said to be wrought by the Emperor Himself. Yet there is more at work here than a mere ideological schism, for Mephiston believes Divinatus Prime could offer answers to how he became the Lord of Death by resisting the Black Rage, and possibly even a way to end the curse of 'the Flaw' in all Blood Angels. Formed in the aftermath of the Horus Heresy, the Flesh Tearers, veterans of the Blood Angels Legion now cast adrift, gather behind their leader, Chapter Master Amit, and set out to forge their own destiny. None of the scions of Sanguinius are as bloody or wrathful as the Flesh Tearers. The fury of this Chapter, scorned by the Blood Angels and many of their successors, is legendary. Within them, the Black Rage is made manifest, a curse on the Imperium and its enemies. In the uncertain years following the end of the Great Heresy, it fell to Amit to lead this benighted Chapter. Upon his shoulders lay a heavy burden, for to prevent their own self-annihilation, the Flesh Tearers must not only fight their many foes but their very nature itself. The latest Horus Heresy novel *There is war on Signus Prime*; Horus sends the Blood Angels to the Signus system, where an army of Khornate daemons waits for them. At the height of the battle, Sanguinius fights with the Bloodthirster Ka'Bandha. The Blood Angels fight for survival of their minds and bodies. Delve into the dark, beating heart of the Blood Angels with a novel that focuses on their twin flaws and the desperate struggle to prevent them from damning the Chapter for eternity. The galaxy is in flames. Chaos is in the ascendant across the stars. The Great Rift has split the holdings of the Imperium in twain, isolating entire sectors from the light of Holy Terra. But all hope is not lost. The Primarch Roboute Guilliman has returned from deathless sleep, and appointed Commander Dante, lord of the Blood Angels, as Regent and Warden of the newly dubbed Imperium Nihilus. In the Baal system, the shattered holding of the Chapter is being rebuilt, and Dante plans the greatest campaign of his long life, to retake half an empire. And yet at this moment of rebirth there are dangers close to home that could overwhelm all those who carry the blood of Sanguinius in their veins, stopping Dante's noble endeavour before it is begun. The Flaw in Sanguinius's sons is growing. As the twin curses of the Red Thirst and the Black Rage threaten everything, the hardest ordeal will fall upon Mephiston, twice-born Lord of Death and Chief Librarian of the Blood Angels. The galaxy burns at Horus's command, and a billion more lives are lost with each passing moment - though it was not always so. Once, the title of Warmaster stood for honour, loyalty and a fierce pride in the strength of the Space Marine Legions. This Horus Heresy anthology contains fifteen short stories by authors including Graham McNeill, Nick Kyme, Gav Thorpe, Chris Wraight and many more. It also includes Aaron Dembski-Bowden's acclaimed novella *Aurelian*.
