Includes information on how a gun can protect you in a self-defense situation. Focused on mental and physical preparation, as well as laws that may affect those who carry concealed, to make you comfortable and confident when carrying, and to know how and when to use it if the time comes. A Nonpartisan guide that arms both sides of the gun control debate. The slogan of the Gun Facts Project is “We are neither pro-gun nor anti-gun. We are pro-math and anti-BS.” From project creator Guy Smith comes Guns and Control: A Nonpartisan Guide to Mass Public Shootings, Gun Accidents, Crime, Public Carry, Suicides, Defensive Use, and More. No matter what side of the aisle one is on, people are baffled by gun control. This book is designed to be a guide to thoughtful discussion; it arms readers with facts and the logic behind conflicting arguments and leaves emotional rhetoric to the pundits and focuses on the thorny issues of the debate. Guns and Control will: • Guide readers step-wise through each of the major gun control topics: mass public shootings, assault weapons, street crime, suicide, private carry, defensive gun use, gun availability, and more. • Help readers gain the broad perspective and the full set of important, true facts, just in time for the 2020 Presidential Election. • Arm readers against some of the more egregious misinformation. • Support readers in formulating their own conclusions. Guns and Control will grant high-level perspectives—for example, that mass public shootings are a global phenomenon, occurring in nearly all developed nations—and explore details to understand the causes, and thus possible cures, of gun violence-related problems. Was the push for de-institutionalization in mental health management a contributing factor to the rise in mass public shootings? Guns and Control will help readers find answers to such questions. What the public lacks is a clear, unbiased, broad perspective on the realities of guns, explained in simple, straightforward, and entertaining ways. Guns and Control will demystify these misunderstood aspects of who uses and misuses guns. In his new book, Former CIA Officer Jason R. Hanson reveals concealed carry secrets most Americans will never know about, including... - How to choose the perfect concealed carry gun for you. - The two best storage options for your home defense gun. -The little-known secrets of improving your accuracy. - How to find the perfect holster.- The laws on when you're allowed to use deadly force to protect yourself on the streets and during a home invasion. -And much more. More than a thousand years ago a Chinese Zen Master wrote: Magical Power, Marvelous Action! Chopping Wood, Carrying Water... The message is as true today as it was then: the greatest lessons and the profoundest heights of the spiritual path can be found in our everyday life. It is the greatest challenge for people living in contemporary society to find the spiritual aspects of working in an office, store, or factory; balancing a checkbook; raising a family; or making a relationship work. How can we make all these daily activities a part of the path? How can we apply the insights of great spiritual traditions, and our own experience, to the way we live and develop? This book is a guide - a handbook filled with information, advice, hints, stories, inspiration, encouragement, connections, warning, and cautions, for the inner journey as we live throughout our lives. Chop Wood, Carry Water contains much ancient wisdom, but the emphasis is on contemporary perceptions. Many of our guides have been known to humanity for millennia: they are the world's great spiritual teachers- Christ, the Buddha, Loa Tse, Confucius. Others are contemporary teacher and healers, widely recognized and respected. All offer ways to integrate the events, our focus on relationships and family, our struggle with technology, money, politics and more- into the quest for spiritual fulfillment. Have you ever struggled with packing for a trip? You can't decide what you'll need, so you pack for every scenario and take far too much. You struggle to fit everything in your bag, you get stressed lugging it around, and you pay a fortune in airline luggage fees. The Carry-On Traveller will teach you not only how to lighten your load, but how to pack everything you need into a single carry-on-size bag. You can apply these strategies to any trip, whether you are travelling for a week or a year, to hot or cold climates, alone or with kids. By travelling carry-on only, you'll save time at airports, avoid wasting money on checked luggage fees (which are increasingly common), and reduce the stress of hauling bulky bags. It's not an all or nothing approach. Packing light is a learning process, and you might want to take it gradually. Even if you don't travel carry-on only on your next trip, this book will help you pack lighter. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award. This new edition provides up-to-date information and expert guidance on single audits and Uniform Guidance compliance audit requirements, including example auditor reports for both the financial statement audit and the Uniform Guidance compliance audit. It provides nonfederal entities receiving federal awards with important information on implementing the Uniform Guidance. If you are one of the millions of Americans who chooses to exercise your Second Amendment Right but haven't quite mastered the proper technique with guns, then this is the essential manual for you. It is your right to carry a firearm to protect yourself and your family. However, it is your responsibility to know how to operate that gun correctly and safely. Don't wait to be placed in a dangerous setting faced with an armed attacker. The updated second edition of the Shooter's Bible Guide to Concealed Carry is an all-encompassing resource that not only offers vital gun terminology, but also suggests which gun is the right fit for you and how to efficiently use the device properly, be it in public or home. Firearm expert Brad Fitzpatrick examines how to practice, how to correct mistakes, and how to safely challenge yourself when you have achieved basic skills. Included within is a comprehensive chart describing the various calibers for concealed carry, suitable instructions for maintaining it, and most importantly, expert step-by-step instructions for shooting. Once again, renowned firearms expert Fitzpatrick delivers poignant tips and provides valuable information. The purpose of this book is to familiarize yourself with firearms and to gain the confidence you need to protect yourself in the worst of situations. "My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our working relationship and hope it continues for years to come." –David Fischer, author *More than 70 tips about what travel experts think is safe to take on your flight*. Illustrated with whimsical ink drawings by Don Moyer. The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm.. This Book Covers How To Clean And Disassembly The Glock Series of Pistols The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some?
