One of a man's most important roles in life is to be a faithful father, yet it seems that many men have long forgotten - or never been taught - the special qualities that it takes to be an authentic DAD to their children. In this wonderfully encouraging gift book for dads, best-selling author Steve Farrar encourages men to stand strong with determination, direction, decisiveness, and discernment. It's a message of hope and insight for new dads and seasoned fathers alike. This book is for the man who wants the spiritual power to stay with his wife, children & God, who wants to climb the ladder of character &

maintain a sure, godly pace through life. In this delightfully twisting, engaging, multi-genre narrative. Robert Farrar Capon explores three areas of life that concern us all -- health, money, and love -- pokes fun of the religions we make of them, and trumpets the radical gospel of grace, the only alternative that can free us to be truly happy. A compilation of selected review essays from Erickson's DVD Savant internet column. We need to take a long, hard look at Boaz. He was an average Joe—but God was at work in every circumstance of his life, not only for

him, but for generations of his children yet to come. By the way, that's exactly what the Lord is doing in your life. Boaz became a part of the greatest story in history when he made his decision to marry Ruth. In a culture that deflates masculinity and reflects the sad state of fatherhood in our world today, Boaz stands as an example of true biblical manhood. In the pages of Real Valor, Steve Farrar's third installment in the Bold Men of God series, find the courage to rise up and shepherd your family in the way of Boaz. Battle Ready is for any man who longs to serve God. Inside you'll explore the lives of men

who made an impact in their world, including Joshua, who led the Israelites in to the Promised Land, and Caleb, who trusted God for victory in battle. Uncover the traits of authentic manhood. Learn how to fully lean on Him and become a man God can use: a man who is battle ready! How to Ruin Your Life is a powerful self-help tool in the form of a work of humor. It is sardonic advice, presented with tongue in cheek, explaining how people can "ruin" their lives. The essays cover topics such as "Convince Yourself That You're All That Matters," "Think the Worst of Everyone," "Pour Salt on Those Wounds," and "You

Can Change People.' Seriously, though, to anyone who reads this book, it is an earnest warning about falling into traps of self-destructive behavior that can ruin any man or woman's life. More than that, it comprises 35 steps that - if read and understood - provide a road map to making life work in the most effective way possible. It is humor and self-help all in one, delivered by Ben Stein, a man who has witnessed more than his share of people who did ruin their lives - as well as those whose lives have been wildly successful. There is no more room in our lives. Yet every new day

brings more commitments demanding to be squeezed in. Overcoming Overload helps frenzied men and women weed out wrong ideas about life and rediscover God's essential principles of balanced living, including: \*You Need a Sovereign \*You Need to Be out of Your Mind \*You Need a Few Good Friends \*You Need to Simplify\* You Need to Celebrate the Goodness of God. This biblical way of life promises rest, satisfaction, and contentment amidst daily responsibilities. Leave the overwhelmed life and discover the abundant life! Your character, more

than anything else, will impact how much you accomplish in this life. It is more important than your talent, your education, your background, or your network of friends. Andy Stanley helps you chart a course toward becoming a man or woman of character. You'll discover a definition of character that will inspire you for a lifetime, the external and internal benefits of strong character, the six false beliefs behind negative behaviors, and more. Using practical insights, biblical exposition, and engaging stories, Stanley guides you step-by-step in setting the

personal goals that will build the foundation for true success. The Secret to a Life with No Regrets How important is your character? It determines everything about you! How much you will accomplish in life, and whether you are worth knowing. How you will respond to success, and how you will weather the inevitable storms of life. This is a book about uncompromised living. It is about choosing every day to be a man or woman of integrity, a person whose actions speak louder than words. Bestselling author Andy Stanley challenges you to become what you were meant to be: a

person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves out from personal environmental catastrophes—circumstances that were often years in the making but “took them by surprise.” Another group of people have faced, or are facing, storms of life that are not of their own making, storms created by the character deficits of others—storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly

undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. This book is about change. It's about the process of taking raw materials and molding them, shaping them, and refining them into a finished product. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy. Sometimes the wilderness is the only place God can get your undivided attention. Everyone finds himself or herself in a wilderness at some point:

financial wildernesses, emotional wildernesses, relational wildernesses, health wildernesses, reputation wildernesses, failure wildernesses, unemployment wildernesses—the list goes on and on. In those moments, we are utterly dependent on God for well-timed help. If he doesn't come through, we're finished. For forty years, two million Israelites were in the wilderness, and God fed them supernaturally every morning with manna, teaching people who doubted him he can be trusted with everything they needed to survive.

This is a lesson we need to learn too. In personal stories and applications of biblical lessons, Manna reveals how God specializes in making a way where there is no way. He proved it every day to the nation of Israel, never missing a day of being faithful. He was never late, and he was never early. He was always just in time. And he will be for you. Men's conference speaker and bestselling author Steve Farrar takes readers through the Psalms to see how David endured crushing pressure and fiery trials and emerged a great man, shaped by the hand of God. Men facing difficult challenges in life will relate to chapters on

Depression, Betrayal, When Your Family Is Falling Apart, Living With a Bad Decision, Living With Your Critics, and When Your Career Is Interrupted. Farrar encouragingly illustrates how David depended on God to overcome the same sins and trials -- still remaining "a man after God's own heart." With topics ranging from the glory of marriage to passing on one's legacy, this Foundations for the Family book shares a consistent and convincing message that must be heard by Christians: it is time to rebuild our families. The New York Times bestselling author of The Origins of

Political Order offers a provocative examination of modern identity politics: its origins, its effects, and what it means for domestic and international affairs of state In 2014, Francis Fukuyama wrote that American institutions were in decay, as the state was progressively captured by powerful interest groups. Two years later, his predictions were borne out by the rise to power of a series of political outsiders whose economic nationalism and authoritarian tendencies threatened to destabilize the entire international order. These populist nationalists

seek direct charismatic connection to "the people," who are usually defined in narrow identity terms that offer an irresistible call to an in-group and exclude large parts of the population as a whole. Demand for recognition of one's identity is a master concept that unifies much of what is going on in world politics today. The universal recognition on which liberal democracy is based has been increasingly challenged by narrower forms of recognition based on nation, religion, sect, race, ethnicity, or gender, which have resulted in anti-immigrant

populism, the upsurge of politicized Islam, the fractious “identity liberalism” of college campuses, and the emergence of white nationalism. Populist nationalism, said to be rooted in economic motivation, actually springs from the demand for recognition and therefore cannot simply be satisfied by economic means. The demand for identity cannot be transcended; we must begin to shape identity in a way that supports rather than undermines democracy. Identity is an urgent and necessary book—a sharp warning that unless we forge a universal understanding of

human dignity, we will doom ourselves to continuing conflict. The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today’s challenges. “Jam-packed with biblical direction and leadership strategies, this battle guide will equip you to lead your family to victory.”—Dr. Tony Evans, president of the Urban Alternative and senior pastor of Oak Cliff Bible Fellowship Most men want to be strong spiritual leaders of their families. They just don’t know how because they’ve

never seen it modeled. That’s why Steve Farrar wrote *Point Man* thirty years ago. With more than half a million copies sold, it’s the go-to resource for how to faithfully lead and love your family, walk boldly through challenging seasons of marriage and parenting, stand firm against personal temptation, and forge a faith that shines bright. Yet the war on the family has only intensified since this trusted guide first came out. Whether through entertainment, social media, or legislation, our world seems determined to undermine the traditional family—which

means faithful spiritual leadership is needed more than ever. This revised and updated edition will equip you to confidently navigate the cultural and societal forces affecting your family, such as:

- shifting views of masculinity and femininity
- the declining influence of church and faith
- fractured perspectives on morality

Packed with powerful inspiration, clear biblical direction, and contemporary examples, *Point Man* provides the strategies you need to lead your family safely through today's battles and on to victory. **NEW YORK TIMES BESTSELLER** The

“paradigm-influencing” book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with “a spiritual badass.” As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to

recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver

North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the "moral majority" backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white

evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans. For Ingest Only - Data needs to be cleaned up for all products being loaded Our world is in desperate need of bold, passionate

men of integrity. Yet such men aren't born; they're built, shaped, and formed by God. Best-selling author Steve Farrar will guide you through the story of Joseph, a humble shepherd who overcame tremendous odds to become an influential leader. It's here you will discover the process that creates true men of God, where He works providentially, strangely, and slowly. Uncover the biblical pattern for growth, gain insights into common frustrations and difficulties, and become equipped for the journey ahead. A Mexican girl on the run from human traffickers brings fifth-

generation Texas Ranger Caitlin Strong to the sleepy border town where her legendary grandfather once worked, a region that hides a deadly weapon with the potential to give a new enemy the means to terrorize the United States. This bestselling classic encourages and equips Christian men to lead their families successfully through hazards and ambushes like divorce, promiscuity, suicide, and drug addiction. Men will find practical insight on topics such as a father's influence, maintaining purity, and husband-and-wife teamwork. In this war, renowned men's author Steve

Farrar emphasizes, Jesus Christ is looking for men who will not die, but live for their families. "All through the Bible, we see stories of bold and brash men who followed God's call into some incredible adventures. In *How God Makes Men*, Patrick Morley reminds us that God still makes those kinds of guys."—Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host God's Way for You to Become God's Man Let's face it—men today are under severe attack. The battle line against biblical manhood is clearly drawn and fiercely contested.

More than ever, men who want to follow Christ are asking: • Why is it so hard to live an authentic Christian life? • Who will show me how to thrive as a father, a husband, and on the job? • What should I do when I'm being tested to the breaking point? Fortunately, the Bible preserves crucial details about the powerful lessons learned by men who have already faced and answered these questions. In *How God Makes Men*, renowned expert on men's issues Patrick Morley takes you into Scripture for a first-hand encounter with: • Ten epic stories of the Bible's most talked-about men • Ten

proven principles—based on their failures and successes—that show how God works in a man's life, and how you can cooperate with Him in yours • The huge promise that you can become the man God created you to be Don't settle for less. Join Patrick on this epic adventure of becoming God's man. You'll discover how to prevail in tough times and release God's power in every area of your life. "Every man's purpose. Every woman's dream. Every child's hope ..."-- Cover. Pride Aside is one Father's attempt to be vocal about his son's addiction, and how their family has navigated this

perilous journey together. We all have an internal alarm clock that goes off when we're about to make a bad decision... Some of us spend our 20's hitting the snooze button. By taking a look at 9 common, everyday mistakes, which most of us have an opportunity to make on a regular basis, Steve Farrar speaks with wisdom and wit in this short book that serves as a wake up call we should all take. From starting our 20's on the wrong foot to neglecting our own gifts and strengths, and from isolating ourselves from real community to ignoring God's purpose for our lives, How to Ruin Your Life by 30 will

help navigate these treacherous waters we call adulthood. No matter where you are at: preparing for, recovering from, or in the midst of your 20's... this short book will help. If you thought your parenting responsibilities ended after eighteen years per child, you thought wrong. Instead, it's your privilege to lead your family—and influence succeeding generations—for a century...or more. Anchor Man presents the high calling of fatherhood, the traits of a Christian father, the adventures that await him as he interacts with his children, and the significance of his

role as a good family man. Steve Farrar presents these roles and responsibilities in a way any man wanting to increase his understanding of his place in the family, and our society, can put into action every day. *Anchor Man* encourages, exhorts, and demonstrates with biblical concepts how to raise a godly family and how to anchor that family in Christ for the next one hundred years. Farrar's unique teaching style blends humor and practicality with the tools fathers need to become all that God intended them to be as the leaders of their families. "When a man gets serious about

following Christ with his whole heart," Farrar says, "God desires to not only pour out His blessing on that man, but on his children, and his children's children. Bestselling author and Bible teacher, Steve Farrar, reminds us through the story of Daniel that true courage can be ours daily and it comes from the one true Sovereign God. Everyone can recall as a young child having the courage to head out the door—whether it was to your first day of school, your first game in little league, or your piano lesson. Then life takes over and you lose your bravado, giving in to the fears of the world around you.

In *True Courage* readers will discover a God who provides incredible courage to us in the midst of uncertainty, even through treacherous, evil days, and the courage to face lions in their den—or an unexpected job loss, the diagnosis of a sick child, or the return of a debilitating cancer. Arguing that America is on the brink of judgment, the author of *Point Man* draws on biblical prophecy to offer Christians a variety of tools that they will need to face God's coming judgment and to explain how reader's can experience God's favor and blessing during the time of

trial. Original. 15,000 first printing. A leader must stand tall enough for his followers to find him. "As the God-appointed captain of his family," says Steve Farrar, "a man faces the challenge of spying out the social territory, marking danger zones, and taking stands to protect those in his charge." It's an active leadership role -- and Farrar's been training men to succeed in it for over ten years. In this paperback rerelease of his popular *Standing Tall*, the men's ministries leader "walks tall" through America -- observing politics, abortion, the gay movement, media trends, and the loss

of our "moral boundaries." Farrar offers men sure biblical foundations on which to stand for faith-based living -- closing with "Seven Ways to Help Your Kids Stand Tall." A study guide/appendix makes it great for group use, too! The first comprehensive history of the Nazi concentration camps In a landmark work of history, Nikolaus Wachsmann offers an unprecedented, integrated account of the Nazi concentration camps from their inception in 1933 through their demise, seventy years ago, in the spring of 1945. The Third Reich has been studied in more depth than virtually any other

period in history, and yet until now there has been no history of the camp system that tells the full story of its broad development and the everyday experiences of its inhabitants, both perpetrators and victims, and all those living in what Primo Levi called "the gray zone." In *KL*, Wachsmann fills this glaring gap in our understanding. He not only synthesizes a new generation of scholarly work, much of it untranslated and unknown outside of Germany, but also presents startling revelations, based on many years of archival research, about the functioning and scope of the camp system. Examining,

close up, life and death inside the camps, and adopting a wider lens to show how the camp system was shaped by changing political, legal, social, economic, and military forces, Wachsmann produces a unified picture of the Nazi regime and its camps that we have never seen before. A boldly ambitious work of deep importance, KL is destined to be a classic in the history of the twentieth century. Nature documentaries often depict animal life as a grim struggle for survival, but this visually stunning book opens our eyes to a different, more scientifically

up-to-date way of looking at the animal kingdom. In more than one hundred thirty striking images, *The Exultant Ark* celebrates the full range of animal experience with dramatic portraits of animal pleasure ranging from the charismatic and familiar to the obscure and bizarre. These photographs, windows onto the inner lives of pleasure seekers, show two polar bears engaged in a bout of wrestling, hoary marmots taking time for a friendly chase, Japanese macaques enjoying a soak in a hot spring, a young bull elk sticking out his tongue to catch snowflakes, and many other

rewarding moments. Biologist and best-selling author Jonathan Balcombe is our guide, interpreting the images within the scientific context of what is known about animal behavior. In the end, old attitudes fall away as we gain a heightened sense of animal individuality and of the pleasures that make life worth living for all sentient beings. This compelling addition to the award-winning *Scientists in the Field* series explores the leatherback sea turtle's remarkable natural history and recounts the extraordinary efforts being made by scientists trying to save them.

15,000 first printing. Illustrates some of the real-life consequences individuals must face when making decisions, analyzing how decisions made by individuals in their teens and twenties will impact--either positively or negatively--where they find themselves in their forties. Original. 25,000 first printing. Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's

2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's The Undoing Project: A Friendship That Changed Our Minds In the international bestseller, Thinking, Fast and Slow, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and

emotional; System 2 is slower, more deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of

slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic. Conquering and Victorious Bloodied, beaten, and broken: words associated with the battlefield. Words that spell “defeat,” but

actually mean strength and courage. Because in order to get the wounds, you must first enlist in the battle. This book is for every man who has boldly said to life, “I’m in,” only to come up against inevitable trials and tribulations. The death of a loved one, broken promises, unexpected health problems, a business deal gone bad. The *Wounded Warrior* takes into account the lasting effects of these gut-wrenching blows...as well as less-often recognized sources of pain. Licensed psychologist Dr. Steve Stephens speaks man-to-man in this powerful book that will free you to become the

victor God created you to be. *Brave Men Bear Real Wounds Beneath your armor, you may be bloodied, beaten, or broken. Where there was once courage and confidence, you now harbor heartache and pain. Life—in all its glory—has taken its toll. But this is not the end. It is where healing starts and life begins.* Dr. Steve Stephens speaks man-to-man about all kinds of wounds from the subtle burden of living with nagging regrets, to gut-wrenching blows that include: a divorce the death of a loved one a business deal gone bad betrayal by a trusted friend wounds from family members, and other

devastating trials. More than encouragement and guidance, *The Wounded Warrior* is packed with pointed questions, scriptural teachings, and honest talk about practical solutions. It's time to move forward...and live once again! Story Behind the Book "After speaking on *The Wounded Woman*, some guys asked me, 'What about us?' I was taken aback and asked, 'What do you mean?' 'Life is hard,' one of them said. 'People are cruel. As guys, we get beat up, and nobody addresses our wounds. Help us deal with the pain of getting shot down.' Over the next month, I couldn't get this

conversation out of my mind. Every day I ran into some wounded warrior: a father facing the death of his son, a husband stunned by the unfaithfulness of his wife, a brother betrayed by a brother. Finally, I recognized I had to write something to encourage us guys."—Dr. Steve Stephens Using kings of the Old Testament as character studies, Steve Farrar examines the critical role a father plays in preparing his son to become a godly man. What separated the good kings from the bad kings was a father who made time commitments to mentor his son, by modeling biblical manhood. Do you want your son to

become a man of regal character? Then this book is for you! A New York Times Book Review Editors' Choice The first comprehensive biography of the most influential, controversial, and celebrated Palestinian intellectual of the twentieth century As someone who studied under Edward Said and remained a friend until his death in 2003, Timothy Brennan had unprecedented access to his thesis adviser's ideas and legacy. In this authoritative work, Said, the pioneer of postcolonial studies, a tireless champion for his native Palestine, and an erudite literary critic,

emerges as a self-doubting, tender, eloquent advocate of literature's dramatic effects on politics and civic life. Charting the intertwined routes of Said's intellectual development, *Places of Mind* reveals him as a study in opposites: a cajoler and strategist, a New York intellectual with a foot in Beirut, an orchestra impresario in Weimar and Ramallah, a raconteur on national television, a Palestinian negotiator at the State Department, and an actor in films in which he played himself. Brennan traces the Arab influences on Said's thinking along with his

tutelage under Lebanese statesmen, off-beat modernist auteurs, and New York literati, as Said grew into a scholar whose influential writings changed the face of university life forever. With both intimidating brilliance and charm, Said melded these resources into a groundbreaking and influential countertradition of radical humanism, set against the backdrop of techno-scientific dominance and religious war. With unparalleled clarity, Said gave the humanities a new authority in the age of Reaganism, one that continues today. Drawing on the testimonies of

family, friends, students, and antagonists alike, and aided by FBI files, unpublished writings, and Said's drafts of novels and personal letters, *Places of Mind* synthesizes Said's intellectual breadth and influence into an unprecedented, intimate, and compelling portrait of one of the great minds of the twentieth century. The bestselling guide for Christian men who want to lead their families well is now revised and updated to help fathers and husbands navigate the complexities of today's challenges. "Jam-packed with biblical direction and leadership strategies, this battle guide will equip you to lead

your family to victory.”—Dr. Tony Evans, president of the Urban Alternative and senior pastor of Oak Cliff Bible Fellowship Most men want to be strong spiritual leaders of their families. They just don’t know how because they’ve never seen it modeled. That’s why Steve Farrar wrote *Point Man* thirty years ago. With more than half a million copies sold, it’s the go-to resource for how to faithfully lead and love your family, walk boldly through challenging seasons of marriage and parenting, stand firm against personal temptation, and forge a faith that shines bright. Yet

the war on the family has only intensified since this trusted guide first came out. Whether through entertainment, social media, or legislation, our world seems determined to undermine the traditional family—which means faithful spiritual leadership is needed more than ever. This revised and updated edition will equip you to confidently navigate the cultural and societal forces affecting your family, such as: • shifting views of masculinity and femininity • the declining influence of church and faith • fractured perspectives on

morality Packed with powerful inspiration, clear biblical direction, and contemporary examples, *Point Man* provides the strategies you need to lead your family safely through today’s battles and on to victory. Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in the Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his

kids, and his Lord is an exception these days. Finishing Strong, now in trade paperback, offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool. Bestselling author Steve Farrar has good news for the average man: it doesn't matter if you've had a great start in the Christian life, or a rough one. It doesn't matter if you've stumbled time and again, or even fallen flat on your face. What matters most in this all-important race

of life is how you finish. According to Farrar, the man who hangs in there for the long haul with his wife, his kids, and his Lord is an exception these days. Finishing Strong, now in trade paperback, offers lively use of Scripture, contemporary illustrations, and study questions to equip every reader to be that exception. For the man who wants to climb the character ladder more than the corporate one, this is an essential tool. Drawing on the themes of the Promise Keepers movement, this daily devotional guide brings compelling stories, timely quotes, practical help, and personal challenges

together in an easy-to-read, easy to apply format. Weekly themes include: honoring Christ, sexual purity, meaningful work, handling anger, making wise decisions, self-discipline, and much more. The devotionals are drawn from diverse sources and feature such names as Billy Graham, Gary Smalley, John Trent, Luis Palau, Stuart Briscoe, Phillip Yancey, C.S. Lewis—along with hundreds of other writers and pastors, athletes and administrators, businessmen and entrepreneurs, and anonymous Promise Keepers from every possible walk of life.
