singing the songs and even learning to read along with words they have known for years. And kids of all ages will enjoy singing the songs with their parents. All our videos and books take place in the small town of Wampadoo, nestled within ice cream scoop-like rolling hills. The houses are very colorful, generally cylindrical in shape. The town is populated by animals. There is a family of cats (including three little kittens with very cute mittens), a horse who drives a bus (and longs to be the captain of a ship), five little monkeys who love to jump on beds (one of whom is an aspiring rock star), a lion who reads books about how to fly planes, a frog that dreams of swimming with dolphins, two pigs who dream of starting a family, and a wily green bird who loves to torment the bus-driving horse. We are developing this series of books using our library of videos (available on YouTube). The list of videos currently includes: The Wheels on the Bus, File Little Monkeys, Twinkle, Twinkle, Little Star, Ten In The Bed, The Finger Family, Numbers One to Ten, ABC The Alphabet Song, Colors and Letters in Space. Here are the lyrics we use in this book: Five little monkeys jumping on the bed, One fell off and bumped his head, Mama called the doctor and the doctor said, No more monkeys jumping on the bed. Four little monkeys jumping on the bed, One fell off and bumped his head, Mama called the doctor and the doctor said, No more monkeys jumping on the bed. Three little monkeys jumping on the bed, One fell off and bumped his head, Mama called the doctor and the doctor said, No more monkeys jumping on the bed. Two little monkeys jumping on the bed, One fell off and bumped his head, Mama called the doctor and the doctor said, No more monkeys jumping on the bed.
