

Access Free Freedom From Fear Aung San Suu Kyi Free Download Pdf

Letters From Burma Dec 20 2022 Letters from Burma - an unforgettable collection from the Nobel Peace prize winner Aung San Suu Kyi In these astonishing letters, Aung San Suu Kyi reaches out beyond Burma's borders to paint for her readers a vivid and poignant picture of her native land. Here she celebrates the courageous army officers, academics, actors and everyday people who have supported the National League for Democracy, often at great risk to their own lives. She reveals the impact of political decisions on the people of Burma, from the terrible cost to the children of imprisoned dissidents - allowed to see their parents for only fifteen minutes every fortnight - to the effect of inflation on the national diet and of state repression on traditions of hospitality. She also evokes the beauty of the country's seasons and scenery, customs and festivities that remain so close to her heart. Through these remarkable letters, the reader catches a glimpse of exactly what is at stake as Suu Kyi fights on for freedom in Burma, and of the love for her homeland that sustains her non-violent battle. Includes an introduction from Fergal Keane 'Aung San Suu Kyi has become a global symbol of peaceful resistance, courage and apparently endless endurance' Guardian 'A real hero in an age of phony phone-in celebrity, which hands out that title freely to the most spoiled and underqualified' Bono, Time Aung San Suu Kyi is the leader of Burma's National League for

Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of the collection of writings *Freedom from Fear*.

The Moral Democracy Nov 26 2020 Aung San Suu Kyi spoke passionately about non-violence, she wrote involved articles about compatibility of democracy with Buddhism and she won the hearts and minds of so many with her call for the freedom from fear (...) It seemed - for more than two decades - that Suu Kyi was a perfect, non-Western propagator of democracy, human rights, rule of law (...) Yet a deeper analysis reveals that Suu Kyi intellectually, indeed, has been a democrat all along, but a Burmese democrat (...) Suu Kyi understands democracy in a Buddhist way and she reasons about politics using Buddhist ideas, idioms and concepts (...) This Buddhist dominance of her political thought had several consequences, the most important one being that her approach to politics has first and foremost been a moral one (...) her vision of democracy (and of politics in general) is a moral vision. It is something I propose to call "the moral democracy." The same reason that made her famous and admired worldwide, now contributed to her fall from grace. For too many outside Burma/Myanmar it is impossible to understand how Suu Kyi - yesterday's global personification of good and morality - can now silently endorse crimes against humanity conducted in her country and accept forced relocation of 700 thousand people. A cynic would quote Bertrand Russell's words ("we have two kinds of morality side by side: one which we preach but do not practice and another which we practice but seldom preach") and add a commentary that it applies especially to politicians. One, however, may offer a more favourable explanation: that Suu Kyi represents a tragic clash of ideas, including moral ideas, with political reality. Whatever the case, it was morality that made her famous, it was the same moralistic attitude that contributed to her removal from international

Olympus and it is this moral understanding of politics that is the hallmark of her political thought, which is here to stay for longer, as political ideas last longer than changing political circumstances and fashions. From the Preface The dramatic fall from grace of Burma's human rights icon Aung San Suu Kyi shocked the world. Michał Lubina's magisterial account of Aung San Suu Kyi's political education demystifies the behavior in power of this otherwise enigmatic leader. This is the indispensable book for anyone who wants to understand the mind of one of the world's most controversial women. Prof. Salvatore Babones, University of Sydney Dr. Michał Lubina, known in Poland for portraying Aung San Suu Kyi not as a human rights activist, but as a realist politician in the very footsteps of her father, now comes out with his research to the international audience. Following the example of Mahbubani's *Can Asian Think?* Lubina shows the intellectual and philosophical tradition of Myanmar through the case study of Suu Kyi's political thought. It's a unique undertaking that presents Suu Kyi from an unexpected angle: as a theoretician and political thinker or sage. Both the scope of research done and the material presented are very impressive and rather unique, even on international scene. Prof. Bogdan Góralczyk, University of Warsaw, Former Ambassador to Myanmar This book is a well-documented and well-constructed, multilayered, complex, analytical work based on very rich research, interviews with Suu Kyi and personal observations of the Author, who displays unquestioned analytical skills. As such the book represents a pioneer work in Burmese studies. Prof. Agnieszka Kuszewska, Jagiellonian University in Cracow None of the numerous books and articles that I have read about Daw Aung San Suu Kyi dissects her political thoughts and background as thoroughly as the book written by Dr. Michał Lubina. He shows the political construction of her character, her struggle, her idealism, her sources of inspiration and her weaknesses. It is a necessary publication to read in order to understand historical and

contemporary policymaking in today's Burma. Dr. Marion Sabrié, University of Rouen Normandy
Daw Aung San Suu Kyi, the Nobel Laureate Oct 26 2020

Aung San Suu Kyi Nov 19 2022 When a military junta took power in Myanmar (then called Burma) in 1988, Aung San Suu Kyi.

Perfect Hostage Apr 12 2022 Describes the life of a Burmese woman, also a Nobel Peace Prize recipient, who has been under house arrest since 1989 due to her resistance and nonviolent opposition to the abusive military regime of the Southeast Asian country. Original.

Haritage of Struggle Aung San Suu Kyi Dec 16 2019 'Heritage of Struggle : Aung San Suu Kyi' is the story of a reformer, who combats violence and bloodshed with peaceful fearlessness - a leader of international standing, who restored democracy to Myanmar, Suu Kyi can be compared to Mahatma Gandhi. Suu Kyi fought against a much more powerful military tyranny, by making non-violence and tolerance her arms of defense. The basic difference between the campaign of India's father of the nation, Mahatma Gandhi and Suu Kyi is that Mahatma Gandhi took the support of peace and non-violence to free India from the foreigners, but Suu Kyi had to take on the unrestrained rulers of her own country, who had created the same terror in the minds of their own brothers and compatriots, as that which is felt under foreign slavery, thereby stifling their democratic rights.

Aung San Suu Kyi Sep 24 2020 A biography which traces the life of the Burmese political activist who was awarded the Nobel Peace Prize in 1991.

Aung San Suu Kyi Feb 27 2021

Aung San Suu Kyi May 01 2021 A biography which traces the life of the Burmese political activist who was awarded the Nobel Peace Prize in 1991.

The Lady and the Generals Mar 31 2021 She was a heroine of our time, a winner of the Nobel

Peace Prize, a symbol of supreme courage in the face of tyranny. Then, in 2010, Burma's generals opened the door a chink: Aung San Suu Kyi was released from house arrest, and her country began to change. Suu Kyi's acclaimed biographer, Peter Popham, describes what happened next. Travelling across the country, meeting aristocrats, monks and politicians, freedom fighters, punks and rebels, he shows how hope has slowly returned to the lives of ordinary Burmese. He also examines the fate of the hill tribes, and how the world's politicians and businessmen are striving for influence. But with greater openness, long-suppressed prejudices have burst into the open: intolerant Buddhist preachers have whipped up the latent hostility of the Burmese against people of other races and beliefs, especially the Muslim Rohingya. When Aung San Suu Kyi was elected to parliament, she began to negotiate with the military. Yet she has declined to take a firm stand on minority rights - to the dismay of many in the West. *The Lady and the Generals* offers a trenchant and compelling portrait of this fascinating country and asks where Burma and Suu Kyi herself - with her bravery, her brilliance and her limitations - are heading next. Praise for *The Lady and the Peacock*: 'What a gift to our world and what a splendid telling of [Aung San Suu Kyi's life]. We are deeply indebted to Peter Popham for such a superb account' - Archbishop Desmond Tutu 'Sensitive and moving' - Sunday Times 'Beautifully written and compelling in every aspect' - Joanna Lumley 'Warm and objective...will not be bettered for a long time' - Independent on Sunday

Aung San Suu Kyi Nov 14 2019 A biography of Aung San Suu Kyi, the daughter of Gen. AungSan who helped to win the independence of Burma, and describes her work to establish democracy for her nation.

Mental Culture in Burmese Crisis Politics Jan 09 2022 An examination of the current political crisis in Burma, and in particular its Buddhist and socio-psychological aspects.

Aung San Suu Kyi and Burma's Struggle for Democracy Feb 10 2022 Gives an account of Burma's pro-democracy movement and Aung San Suu Kyi's prominent leadership role

Champion of Freedom Mar 19 2020 In late 2010, Burma's leading pro-democracy leader, Aung San Suu Kyi, walked free after seven continuous years of house arrest imposed by Burma's military rulers. Thousands of Burmese turned out to greet "The Lady," as she is affectionately known in Burma. "We haven't seen each other for so long," Suu Kyi told the jubilant crowd, "I have so much to tell you." Indeed. Burma's most popular politician and most vocal critic of the Burmese military had been out of sight, and off limits, to the Burmese people and the world for almost fifteen of the past twenty-one years. Burma (also known as Myanmar) has a long and tortured history, and Aung San Suu Kyi's early adult years gave no clue that she would become an iconic hero in Burma's democratic resistance to military rule. Suu Kyi's famous father had led the fight for Burma's independence in 1947. General Aung San expected to assume the leadership of Burma after the British granted the country its independence in 1948. However, he was assassinated. Sun Kyi was only two years old at the time, but her father's dream of a unified, democratic Burma cast a long shadow on her life. In 1962, a military general seized power and closed the door of Burma to the outside world. Suu Kyi was out of the country, living overseas in India, the U.S., Japan, Bhutan, and finally England, with her British husband and two sons. But in the summer of 1988, she returned to care for her dying mother. It was then that Suu Kyi unexpectedly got caught up in the biggest uprising in Burma's modern history. Burmese students and Buddhist monks poured into the streets to peacefully protest actions by the military junta-only to be gunned down by the hundreds by soldiers. Suu Kyi has not set foot outside Burma since that fateful time in 1988. Knowing that the military regime will not allow her to return if she leaves, the Nobel Peace Prize laureate has

remained in Burma, enduring extreme isolation, the threat of death, and personal pain and sacrifice, including the chance to see her dying husband one last time. Despite it all, "The Lady" has not backed down. She remains as determined as ever to see Burma emerge from its isolation and join the family of democratic nations in the world. "Freedom and democracy," she believes, "are dreams you never give up." Book jacket.

Aung San Suu Kyi Aug 16 2022 Aung San Suu Kyi was born to lead. Following in the footsteps of her dissident father, Aung San, she has resisted the machinations of a corrupt government for years and paid dearly for it. In a largely biographical format, this book details Aung's rise as an opposition leader in Myanmar (formerly Burma), telling the story of a woman who willingly sacrificed her freedoms for those of her people. Background information and notable moments in her struggle are called out in boxed inserts.

Aung San Suu Kyi Jul 03 2021 A biography of the Burmese leader who won the Nobel Peace Prize in 1991 while under house arrest.

Aung San Suu Kyi Feb 22 2023 The leader of Burma's democracy movement, Aung San Suu Kyi, has joined Nelson Mandela, Martin Luther King Jr., Mahatma Gandhi, and the Dalai Lama in the global pantheon of those whose lives are dedicated to freedom. Throughout the world, she is associated with a peaceful struggle for democracy and human rights. But what is she really like? What drives her to make such enormous personal sacrifices for her country? Jesper Bengtsson presents a portrait of one of today's most significant political activists. He chronicles her background as the daughter of Burma's liberation hero Aung San, the years she spent in England and New York, and her return to Burma in the 1980s. First placed under house arrest by the military junta in 1989, she spent fifteen of the subsequent twenty-one years in captivity, separated from her husband and two children.

Throughout that period, she remained a unifying figure and activist for Burma's democracy movement. Awarded the Nobel Peace Prize in 1991, she saw her reputation and her international stature grow the longer she was under house arrest. Upon her release in November 2010, she immediately took up her work with the democracy movement and proved that she remains the most important political force in Burma. Aung San Suu Kyi's ability to affect people and repressive regimes reflects not only her personal charisma and courage but also her devotion to one of the great issues of our times: What is necessary for democracy to evolve from a deeply authoritarian system?

Burma and India Oct 14 2019

The Lady and the Peacock Jan 21 2023 Nobel Peace Prize Laureate Aung San Suu Kyi—known to the world as an icon for democracy and nonviolent dissent in oppressed Burma, and to her followers as simply “The Lady”—has recently returned to international headlines. Now, this major new biography offers essential reading at a moment when Burma, after decades of stagnation, is once again in flux. Suu Kyi's remarkable life begins with that of her father, Aung San. The architect of Burma's independence, he was assassinated when she was only two. Suu Kyi grew up in India (where her mother served as ambassador), studied at Oxford, and worked for three years at the UN in New York. In 1972, she married Michael Aris, a British scholar. They had two sons, and for several years she lived as a self-described “housewife”—but she never forgot that she was the daughter of Burma's national hero. In April 1988, Suu Kyi returned to Burma to nurse her sick mother. Within six months, she was leading the largest popular revolt in the country's history. She was put under house arrest by the regime, but her party won a landslide victory in the 1990 elections, which the regime refused to recognize. In 1991, still under arrest, she received the Nobel

Peace Prize. Altogether, she has spent over fifteen years in detention and narrowly escaped assassination twice. Peter Popham distills five years of research—including covert trips to Burma, meetings with Suu Kyi and her friends and family, and extracts from the unpublished diaries of her co-campaigner and former confidante Ma Thanegi—into this vivid portrait of Aung San Suu Kyi, illuminating her public successes and private sorrows, her intellect and enduring sense of humor, her commitment to peaceful revolution, and the extreme price she has paid for it.

The Face of Resistance Jul 23 2020 Aung San Suu Kyi is a world-renowned, inspirational symbol of Burmese resistance and courage. Released in 2010 after spending fifteen of the previous twenty-one years under house arrest, she emerged into a Burma that has finally begun to court democracy, and many are now looking to her to lead the country. But is it possible for Suu Kyi to mend the deep divisions in Burmese society? Who are the groups that make up Burma's face of resistance? What is it they are fighting for? And how can she unite these disparate factions into one cohesive group to take on the current regime in the elections scheduled for 2015? Former political activist and exile Aung Zaw explores these questions in the context of his own experiences, and sheds light on those people who have fought alongside Suu Kyi for decades in Burma's resistance movement. The book profiles key members of the National League for Democracy, examines the background of prominent activists involved in the 1988 student uprising, and focuses on the next generation of democracy leaders. From an insider's perspective, Aung Zaw demystifies the volatile state of contemporary Burmese politics and the background of Burma's current president, Thein Sein, and poses questions about the ongoing debate of international sanctions versus investment in the light of Burma's untapped natural resources. *The Face of Resistance* is a timely and succinct reminder that despite international accolades, Burma is far from free. *What Others are Saying* "This book indeed gives a

face to the resistance against Burma's dictatorship. Brilliantly written, it should be read by everyone interested in contemporary Burma and its ongoing struggle for democracy." —Bertil Lintner

The Lady Jul 15 2022 Now in eBook, the first full account of Nobel Peace Prize laureate Aung San Suu Kyi's role in the struggle against Burma's military junta. Included is a new afterword by the author, which covers events from the time of the original publication in 1998 to Aung San Suu Kyi's release from house arrest in May 2002.

The Lady and the Generals Apr 19 2020 Nobel Peace Prize winner, Aung San Suu Kyi, is a symbol of supreme courage in the face of tyranny. Released from house arrest in 2010, she led her party to a dramatic victory in Burma's first free general election in a generation. Acclaimed biographer, Peter Popham, describes how, inspired by her leadership, Burma has found its voice and transformed its destiny. However greater freedom has brought with it other troubles. *The Lady and the Generals* offers a compelling portrait of this fascinating country and asks where Burma and Suu Kyi - with her bravery, her charisma and her limitations - are heading next. Praise for *The Lady and the Peacock*, also by Peter Popham 'What a gift to our world and what a splendid telling of [Aung San Suu Kyi's life]. We are deeply indebted to Peter Popham for such a superb account' - Archbishop Desmond Tutu 'Sensitive and moving' - Sunday Times 'Beautifully written and compelling in every aspect' - Joanna Lumley 'Warm and objective...will not be bettered for a long time' - Independent on Sunday

[Aung San Suu Kyi](#) Sep 17 2022 Explores the life and career of the Burmese political activist who won the Nobel Peace Prize in 1991.

Aung San Suu Kyi May 21 2020 A portrait of one of the most charismatic, but unknown, world leaders Aung San Suu Kyi, Nobel Peace Prize laureate and crusader for democracy in Myanmar, is

once again behind bars. Her resounding victory at the polls, and re-election to office as civilian head of state, was overturned by the February 2021 military coup - a move with ruinous consequences. Myanmar today is a country in extremis, war-torn and seemingly without salvation for the multitudes seeking an end to military rule. Aung San Suu Kyi has been here before. The first half of her political career was spent under house arrest. But this time she awaits sentencing for a variety of charges clearly calculated to keep her out of politics, and almost certainly in prison, for the rest of her life. This time she is caught in a zero sum game. The jury is still out on Aung San Suu Kyi in other respects. Once deified for her advocacy of democracy and human rights, later vilified for her denial, if not defence of, the Burmese military's genocidal campaign against the Rohingya, she is nevertheless referred to as Amay Suu (Mother Suu) within Myanmar, where her image survives untarnished. Sole heir to the political and spiritual legacy of General Aung San, independence hero and martyr, she remains the lodestar of nationalist aspirations, matriarch of a nation in distress. This book encapsulates Aung San Suu Kyi's transformation from daughter of a national hero to materfamilias of a nation, especially with regard to Burmese Buddhist notions of nationhood and motherhood. The result is a unique portrait of a living legend, rendered by a compatriot and contemporary, the novelist Wendy Law-Yone.

[Aung San Suu Kyi](#) Jan 29 2021 Activist Aung San Suu Kyi has spent a lifetime fighting for Democracy in her homeland of Burma. This Nobel-prize-winning leader has spent more than fifteen years under house arrest. Readers will learn about this inspirational humanitarian, including her life, work, and impact.

Aung San Suu Kyi Aug 24 2020 This book documents the genocide that has been practiced against the Rohingya people by the tyrannical governments of Myanmar, President Trump, and others. The

Nobel Peace Prize-laureate Aung San Suu Kyi and her government "contributed" to the atrocities through "acts and omissions."

A Political Biography of Aung San Suu Kyi Oct 18 2022 Becoming a hybrid politician -- The Kairos Moment -- The Lioness -- The Non-Level Playing Field -- The Roadmap -- The Poker Game -- A Political to-be-or-not-to-be -- The State Counsellor -- Fall From Grace -- Conclusion : The Balance Sheet.

Aung San Suu Kyi Mar 11 2022 In 2016, Nobel Peace Prize winner Aung San Suu Kyi became the state counselor of Myanmar. She wasn't always given a say in her country's political affairs. She spent more than fifteen years under house arrest as punishment for speaking out against human rights abuses and promoting democracy. She then became an international symbol of peaceful resistance to oppression. Readers will learn about Suu Kyi's extraordinary struggles and accomplishments. The compelling main text, a detailed timeline, and bonus online material help students contextualize Suu Kyi's life and her impact on history.

Freedom from Fear May 13 2022 Freedom from Fear - collected writings from the Nobel Peace prize winner Aung San Suu Kyi Aung San Suu Kyi's collected writings - edited by her late husband, whom the ruling military junta prevented from visiting Burma as he was dying of cancer - reflects her greatest hopes and fears for her fellow Burmese people, and her concern about the need for international co-operation in the continuing fight for Burma's freedom. Bringing together her most powerful speeches, letters and interviews, this remarkable collection gives a voice to Burma's 'woman of destiny', whose fate remains in the hands of her enemies. Recipient of the Nobel Peace Prize and the Sakharov Prize for Freedom of Thought, and leader of Burma's National League for Democracy, Aung San Suu Kyi is one of the world's greatest living defenders of freedom and

democracy, and an inspiration to millions worldwide. This book sits alongside Nelson Mandela's memoir *Long Walk to Freedom*. 'This book is bound to become a classic for a new generation of Asians who value democracy even more highly than Westerners do, simply because they are deprived of the basic freedoms that Westerners take for granted' *The New York Times* 'Aung San Suu Kyi's extraordinary achievement has been to confront the regime peacefully, reasonably and persuasively... [in] one of the most laudable continuing acts of political courage' *Financial Times* 'Such is the depth of passion and learning that she brings to her writings about national identity and its links with culture and language that she has attracted the admiration of intellectuals around the world' *Sunday Times* Aung San Suu Kyi is the leader of Burma's National League for Democracy. She was placed under house arrest in Rangoon in 1989, where she remained for almost 15 of the 21 years until her release in 2010, becoming one of the world's most prominent political prisoners. She is also the author of *Letters from Burma*.

Aung San Suu Kyi - Myanmar's Lady of Democracy Feb 16 2020 This book will take you on a journey through the life of Aung San Suu Kyi, a prominent political figure in Burma, from her childhood to her glorious uprising. She was a lovely lady when she was younger. A powerful, intelligent, and self-assured woman at the top of her game. A mother, a daughter, and a hero all rolled into one. Sacrificing family and freedom for the love of her homeland. Her persistence and her ideology of democracy through nonviolent means made her one of the world's most inspiring political leaders.

Struggle for Freedom Jun 02 2021 STRUGGLE FOR FREEDOM is the compelling story of one of the most iconic and enigmatic political figures of our time. Just like Nelson Mandela, Martin Luther King and Mahatma Gandhi, the leader of Burma's democracy movement, Aung San Suu Kyi has become an icon for freedom - throughout the world, she is associated with a peaceful struggle for democracy and human rights. But what is she really like? What drives her to make such enormous personal sacrifices for her country? In *STRUGGLE FOR FREEDOM*, journalist and author Jesper Bengtsson

draws a portrait of one of the most most talked about political personalities of our times. He describes her background as the daughter of Burma's liberation hero Aung San, the years in England and New York and her return to Burma in the 1980s. the military junta placed her under house arrest as early as 1989. Yet she remained as a uniting factor for Burma's democracy movement. Internationally her fame grew the longer she was in house arrest. Bengtsson demonstrates that Aung Sun Suu Kyi's magnetism is a matter of charisma and courage, but also that she personifies one of the major questions of our era: what conditions are necessary for the emergence of democracy out of profoundly authoritarian systems?

Aung San Suu Kyi Aug 04 2021 Biography of the daughter of assassinated Burmese Prime Minister, Aung San. Tells how Aung San Suu Kyi, was awarded the Nobel peace Prize in 1991 and became, like her father, a national hero. Examines the Burmese political situation and Suu Kyi's role in the National League for Democracy. Discusses Suu Kyi's life as a political prisoner, the continuing struggle for democracy in Burma and looks at options for the future. Includes a bibliography and an index. The author's other publications include 'Wind and Water'.

The Daughter Oct 06 2021 As the Rohingya crisis exploded, observers of Myanmar were shocked to see Aung San Suu Kyi, champion for the causes of liberal democracy and human rights, stand by as atrocities tore apart the western reaches of her country. The Daughter is an in-depth exploration of this icon-turned-leader and of the people, ideas, and experiences that have shaped her political identity. What emerges is not a shift in ideology but a consistent picture of the contrasts and multidimensionality that have defined her--prisoner and leader, principled resistor and pragmatic politician, the Lady and Mother Suu. Translated and updated from the original German, The Daughter is essential reading for professionals, journalists, and other observers seeking to

understand Aung San Suu Kyi's role in Myanmar.

Towards a True Refuge Jun 21 2020

Aung San Suu Kyi Sep 05 2021 Discover the heroic story of Aung San Suu Kyi, Nobel Peace Prize-winning leader of the Burmese National League for Democracy. Witness her extraordinary courage as she takes a stand against a brutal military government that places her under house arrest - even after her party wins 59% of the vote in a general election. With brilliant full-colour illustrations, this title vividly recounts one of the most inspiring lives of our times.

The Shadows of Myanmar Jan 17 2020 Aung San Suu Kyi was awarded the Nobel Peace Prize in 1991 while under house arrest. Eloquent, educated in the West and clothed in white, there was worldwide adulation and celebration in 2015 when Kyi became the president of Myanmar as the military junta surprisingly stepped aside. But the real story was just beginning. While the international community focused on her appearances on the world-stage, framed as an icon of democracy and human rights, the persecution of the Rohingya - a minority Islamic community of many millions in Myanmar - began to worsen. In 2017, as journalist Poppy McPherson travelled through the West of the country, she began to document an unprecedented increase in violence, extra-judicial killings and deportations. The UN have now declared the situation to be a genocide. The true story - of villages burnt to the ground, torture and the murder of Rohingya people - is only now coming to light. Featuring harrowing frontline reporting from the Bangladesh border and Rakhine State - where most of the violence has taken place - this is a moving and powerful book about horror, devastation and the displacement of hope.

Aung San Suu Kyi Dec 28 2020 When Aung San Suu Kyi was awarded the Nobel Peace Prize in 1991 for working to bring democracy to Myanmar, she was unable to attend the ceremony held in her

honor, she was under house arrest for the very work that earned her the prize. Ultimately, Suu Kyi spent fifteen years incarcerated, but her faith in peaceful resistance never wavered. This book explains the struggle to bring democracy to Myanmar, profiles Suu Kyi and her activism, and examines the complexity of her unfolding legacy.
