The Workbook complements the language and grammar that is taught with the Student's Book and comes complete with an Audio CD making it an ideal partner for extra practice or homework. This version comes without the key. Helps students prepare and practise for their school-leaving exams and equips them with lifelong learning and study skills. Taking an inductive approach to Grammar, this title revises and extends the students' knowledge of grammar and vocabulary through varied skills-based activities that recycle, revise, evaluate and develop language skills. Go Beyond is an exciting 6-level American English course for teenagers learning English. The course covers CEFR levels A1+ through to B2, with all levels being based on mapping of the requirements of the CEFR and international exams. Go Beyond comprehensively addresses all key language skills through a thorough and detailed subskills syllabus. Go Beyond also has a strong life skills feature specially designed to support students with the life skills they require, both during their education and in their life beyond. Based on the success of the original edition, The Business 2.0 continues to offer Business English students the confidence, language and fundamentals skills they need to succeed in the competitive international business environment. No other description available. Provides students the chance to consolidate their learning over the course.

This title includes extra grammar and vocabulary consolidation pages, which are cumulative throughout the book and therefore provide thorough language recycling. It is useful as a homework tool or for use in class. The Workbook complements the language and grammar that is taught with the Student's Book and comes complete with an Audio CD making it an ideal partner for extra practice or homework. This version comes with the key. Helps students prepare and practise for their school-leaving exams and equips them with lifelong learning and study skills. Taking an inductive approach to Grammar, this title revises and extends the students' knowledge of grammar and vocabulary through varied skills-based activities that recycle, revise, evaluate and develop language skills. Gateway is an academically-rich five-level course designed to lead teenage students to success in school-leaving and university entrance exams and prepare them for university and the world of work. Cuaderno de actividades con ejercicios para practicar las destrezas y contenidos del Student's Book. Helps students prepare and practise for their school-leaving exams and equips them with lifelong learning and study skills. Taking an inductive approach to Grammar, this title revises and extends the students' knowledge of grammar and vocabulary through varied skills-based activities that recycle, revise, evaluate and develop language skills.
