The Umbrella Conspiracy Nov 26 2020 A remote mountain community is suddenly besieged by a rash of grisly murders encroaching upon it from the surrounding forest. Bizarre reports start to spread, describing attacks from vicious creatures, some human...some not. At the centre of these deaths is a dark, secluded mansion belonging to the mysterious Umbrella Corporation. For years Umbrella has laboured within the mansion, unwatched, ostensibly conducting benign genetic research. Deployed to investigate the strange goings on is the Special Tactics and Rescue Squad (S.T.A.R.S), a paramilitary response unit boasting an unusual array of mission specialists. They believe they are ready for anything but nothing prepares them for the terror which awaits them when they penetrate the mansions long-locked doors. Behind the horror of nightmare creatures, results of forbidden experiments gone disasterously wrong, lies a conspiracy so vast in its scope and so insidious in its agenda that the S.T.A.R.S will be betrayed from within to ensure that the world never learns Umbrella's secret. And if any survive...they may well come to envy those who do not.

The Ballad of Songbirds and Snakes (A Hunger Games Novel) Feb 27 2021 Ambition will fuel

him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

Atomic Habits Oct 26 2020 The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not

rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
