MOAC Labs Online provide students with a hosted emulation environment for working in labs designed for use with the Microsoft Official Academic Course curriculum. These labs are the hands-on software experience that is critical for students to build the skills and knowledge they need for effective work with Windows Server 2008 on the job. Give them real experience with real software, freely exploring the full environment, instead of the prescribed task flow of simulations. MOAC Labs Online simplify the implementation of your new network administration program by eliminating lab set up. All lab exercises are hosted on Microsoft servers. Only a browser and internet connection are required for their use. This will save your institution the expense of upgrading the hardware and the software in your lab. You will no longer need dedicated hard drives for each student. Students may log into their virtual lab from any machine. Distance learning is now a viable option for your IT Professional program. Task

based approach to learning software uses, features, and commands Microsoft Updates ? Technology and curriculum seminars delivered through the Wiley Faculty Network Free DreamSpark Premium license for the department available upon adoption Engaging point-of-use pedagogy to aid the reader located throughout each chapter: The Bottom Line tells students why the topic is relevant; Take Note provides students with helpful hints; Another Way shows students alternate ways to accomplish tasks; X Ref refers students to other areas of the text where the topic is also discussed. Manual of Nursing Procedures and Practice will guide nurses in a variety of settings to provide expertise and efficient patient care. It will also be an iconic resource in coaching and mentoring the novice and practicing nurses to build their competence and confidence. MOAC 70-236, Microsoft Exchange Server 2007 Configuration. The newest iteration of the Microsoft Official Academic Course (MOAC) program for network administration programs using teaching Microsoft Exchange Server 2007 and mapping to the Microsoft Certified Technology Specialist (MCTS) 70-236 certification exam. The MOAC IT Professional series is the Official from Microsoft, turn-key Workforce training program that leads to professional certification and was authored for college instructors and college students. MOAC gets instructors ready to teach and students ready for work by delivering essential resources in 5 key areas: Instructor readiness, student software, student assessment, instruction resources, and learning validation. With the Microsoft Official Academic course program, you are getting instructional support from Microsoft; materials that are current, accurate, and technologically innovative to make course delivery easy. Call one of our MOAC Sales Consultants and request your sample materials today.
