Agent Cooper Dayton and his partner, Oliver Park, are going undercover—at a retreat for couples who need counseling. They do say the best cover story is one that's close to the truth... Agent Cooper Dayton is almost relieved to get a phone call from his former boss at the Bureau of Special Investigations. It means a temporary reprieve from tensions created by house hunting with Oliver Park, his partner both in work and in life. Living together in a forever home is exactly what Cooper wants. He's just not keen on working out the details. With a former alpha werewolf missing, Cooper and Park are loaned to the BSI to conduct the search at a secluded mountain retreat. The agents will travel to the resort undercover...as a couple in need of counseling. The resort is picturesque, the grounds are stunning and the staff members are all suspicious as hell. With a long list of suspects and danger lurking around every cabin, Cooper should be focusing on the case. But he's always been anxious about the power dynamics in his relationship with Park, and participating in the couples' activities at the retreat brings it all to the surface. A storm is brewing, though, and Cooper and Park must rush to solve the case before the weather turns. Or before any more guests—or the agents themselves—end up dead. Follow Agents Dayton and Park's romance from the beginning. Read the first book in the Big Bad Wolf series, *The Wolf at the Door*, available now from Carina Press! This book is approximately 84,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! Christian Singles:

Beware Prowling Wolves Are you a single Christian, praying to meet the spouse God has for you? Has someone who almost seems too good to be true already come into your life? Written with your heavenly Father's protective heart for the innocent, this Bible study is especially for you. No matter what that suitor says or how much you long to marry, before you say I do: R E A D T H I S B O O K . Maybe you've been intentional about finding the right relationship. You want someone who shares your faith. Perhaps you're searching Christian Dating websites. But horror stories of wolves in sheep's clothing put you on guard. Is that suitor you've met everything he or she claims to be? Or could this be a wolf, prowling the pews for unsuspecting believers? Learn how to spot relationship wolves of these breeds: narcissists, abusers, gigolos & gold diggers, thieves, liars, killers, serial sexual predators, plotters, goldbrickers, controllers, manipulators, and more. If you're looking for that match made in heaven, do yourself a favor. Be brave. Arm yourself with information. Learn how to discern the sincere from the scoundrels. Instead of being a potential victim, prepare yourself for victory. Love yourself enough to wait for that truly right mate. STRAIGHT TALK BIBLE STUDIES provide balanced Christian counseling to those seeking to apply insights from God's Word to contemporary Christian living, tackling tough topics with frank counsel. How to Spot a Wolf in Sheep's Clothing drills down on how the Scriptures speak to the alarming rise of wolves preying upon Christians in search of a spouse. This book gives practical advice on how to apply the Bible in rightly discerning the wolves in our midst, before marriage. Keel provides biblical insights on how to spot common traits behind the good-looking facades of gigolos & gold diggers, narcissists, freeloaders, deceivers, abusers, promiscuous prowlers, even psychopathic obsessions. Workbook style applications make this book suitable for individual or group Bible study sure to stimulate discussion and in-depth thought. Click above to start reading How to Spot a Wolf in Sheep's Clothing today! A sly, sneaky wolf and a herd of fluffy, defenseless sheep""what chance do these sheep have against this clever, vicious wolf? Well, none actually, but things are about to change. Someone has come to care for and even give his life to protect these sheep from the wolf""a good shepherd. But the wolf is not finished yet. He has a sneaky plan to get his sheep dinner. His plan will make him blend right in, so he thinks. Will it work, or will the wolf be sadly disappointed? This book, although fun and a bit silly, depicts the love Jesus Christ has for us. The Bible tells of how Jesus is the Good Shepherd (John 10:11) and how all of us are like sheep who have gone astray. Satan, just like this wolf, is out to seek and destroy. We stand no chance against him. The ultimate goal is for this book to touch the lives of children and adults

all around the world and for each reader to see that we need Jesus to be our Good Shepherd personally and to save us and guide our lives. May the Lord bless you and speak to your heart as you read this funny yet truthful story. A mischievous take on a classic fable by expert storyteller Bob Hartman The vignettes contained in this book are based upon clinical cases and first-hand accounts of actual occurrences and circumstances. However, the names, professions, locations, and other biographical data used in the vignettes have been altered in order to preserve anonymity and privacy to the greatest degree possible without distorting the fundamental psychological realities the stories are intended to illustrate. When Garth's former lover, Diana Baldwin, and Devin LeMay, her new boyfriend, disappear without a trace, Garth is determined to find them The summary of In Sheep's Clothing - Understanding and Dealing with Manipulative People presented here include a short review of the book at the start followed by quick overview of main points and a list of important take-aways at the end of the summary. The Summary of The book "In Sheep's Clothing," released in 1996, exposes the aggressive, covert agenda of manipulative individuals, whose covert tactics would otherwise remain concealed. These ideas will provide you with the tools you need to become aware of the tricks used by manipulative coworkers, family members, and friends, as well as to prepare for them and deal with them. In Sheep's Clothing summary includes the key points and important takeaways from the book In Sheep's Clothing by George Simon Jr., PhD. Disclaimer: 1. This summary is meant to preview and not to substitute the original book. 2. We recommend, for in-depth study purchase the excellent original book. 3. In this summary key points are rewritten and recreated and no part/text is directly taken or copied from original book. 4. Ewetopia must save the day and embrace who she is when the sheeps' costume party turns catastrophic! Features a bonus audio download. 20,000 first printing. Two Firefighters are caught up in a psychological game of cat and mouse that would ultimately lead to murder. As they wager against each other on who can kill their prey successfully then safely return before the other to collect, they must first avoid the Detectives, Las Vegas Hit men and an annoying Co-worker that are all hot on their trails. Who is playing who remains to be seen; and who will be the big winner could be a surprise to all. The Church of Jesus Christ faces a crisis. False prophets have invaded the Church and captivated the minds of unprepared people. Their messages sound authentic but lack Biblical authority. This book provides a Scriptural description of these frauds and the response of Christ-followers to them. These studies: describe

the conditions in the Church that cultivated this crisis. draw a picture of the characteristics of false prophets. delineate canons of Scripture that are at stake. declare the course of action that Christ-followers must take to stem the decline of the Church and to set their sails to catch the winds of revival. Tom Hill directs Master Ministries International, Inc. This ministry provides audio, video, and text messages on the internet, calling the followers of Christ to revival. His web site guests come from all parts of the world. Downloads of messages from the web site and contacts with his weblog number in the thousands monthly. Web: www.masterministries.org Phone: 1-800-678-4730 (Continental USA only); 517-882-6293 Email: tdhill4@yahoo.com On Halloween night, Annie O'Hara's elderly tenant, May Upton, is found murdered. May had no enemies as far as Annie knows, but Annie's brother Tom, who was May's business partner, stands to gain a hefty sum in insurance money with May's death. To clear her brother, Annie and her hot-tempered canine, Claudius, must fetch the real killer. Brenda Is A Sheep is a massively mischievous and heart-warming story about being accepted, from Morag Hood - the award-winning creator of The Steves, I Am Bat, Aalfred and Aalbert, and author of Sophie Johnson: Unicorn Expert. Brenda says she is a sheep, but why does she look so different from her fluffy friends? All the sheep adore Brenda. With her sharp pointy teeth and cool grey fur, she's the snazziest sheep around. But Brenda is also very hungry, and doesn't much like the taste of grass . . . she soon begins plotting the most delicious feast of all. But will the sheep notice that Brenda isn't quite the same as them? A hilarious twist on the classic wolf-in-sheep's-clothing fable. One man holds the reins of power. One man vows to protect him. One man vows to destroy him. Caught in a game of chess he didn't know he was playing until it was too late, the President makes the only move he can, plunging Washington and the nation into chaos. Stunned and reeling, Vice President David Kendall takes the oath of office and tries to heal a nation in mourning. But what the new president doesn't realize is that things in the White House aren't always what they appear to be, and sometimes what looks like the best option may turn out to be the worst. When one fatal decision triggers consequences he never envisioned, President Kendall finds himself caught up in the same game that cost his predecessor his life. Although there was nothing he could have done, Secret Service Agent Matthew Richter is haunted by the death of the man he had vowed to protect. When his girlfriend dumps him and his boss tells him that his job is on the line, he thinks his life cannot get any worse. He soon realizes how wrong he is when he finds himself fighting to save another president from the deadly forces that he has unwittingly unleashed. "A fast-paced, action-packed political thriller that will leave you on the edge of your seat." Across Eastern Germany, where political allegiances are shifting to the right, the wolf is increasingly seen as a trespasser and threat to the local way of life. Styled by populist right-wing actors as an 'invasive species', the wolf evokes and resonates with anti-immigration sentiments and widespread fears of demographic catastrophe. To many people in Eastern Germany, the immigrant and the wolf are an indistinguishable problem that nobody

in power is doing anything about. In this account of Eastern German agitation of wolves and migrants, Eastern German hunters, farmers, rioters and self-appointed 'saviours of the nation', Pates and Leser move beyond stereotypic representations of 'the East' and shine a light on the complexities of post-socialist life and losses. As nationalist parties are on the rise across Europe, The wolves are coming back offers an insight into the rise of the far right in Germany. The nationalist Alternative for Germany represents the third-largest party in the German federal parliament, with representation in the vast majority of German states. They draw much of their support from the 'post-traumatic places' in Eastern Germany, regions structured by realities of disownment, disenfranchisement and a lack of democratic infrastructure. Pates and Leser provide an account of the societal roots of a new group of radical right parties, whose existence and success we always assumed to be impossible. After surviving the death of her Father and relocating to the small, European country of Lydonia, young Jacqueline Noble begins to face new challenges. When Jacqueline finds work as a maid for the regal Lydonian palace, she enters the luxurious and powerful world of Kings and Queens. However, when a traitorous crime threatens the royal family, Jacqueline must rely on God's strength to help her confront the danger and save the life of a spoiled, beautiful Princess. Even people we think are our friends will deny and betray us. Are they bad people, or just don't do enough, or people with good intentions but acting in ignorance? Or are they basically decent people who, when put to the test, fail because of their weak faith? Filled with many examples, Judas Syndrome gives concrete ways to prevent people, even other Christians, from hurting you and the role that faith can play in changing them and helping you avoid the pain that these relationships often bring. Although sometimes we suffer as a result of our own shortcomings and missteps, placing our trust in Christ's message of love provides the gateway to the life God intends for us. In other words, faith can really save us—a faith, however, that is not easily undertaken on a daily basis or one that can be sustained alone. This book clearly illustrates the true nature of disturbed characters, exposes the tactics the most manipulative characters use to pull the wool over the eyes of others, and outlines powerful, practical ways to deal more effectively with manipulative people. Do your interactions with a boss, your spouse, or a relative leave you feeling manipulated? In *Sheep's Clothing: Understanding and Dealing with Manipulative People* (1996), by clinical psychologist and author George K. Simon, explains how people with manipulative tendencies, also known as covert aggressive personalities, use the emotional vulnerabilities of others to win fights for power, status, or control... Purchase this in-depth summary to learn more. The central message of the well-known fable "The Wolf in Sheep's Clothing" seems to be a simple one: appearances can be deceiving. In "The Milkmaid and the Pail," readers learn not to count chickens before they hatch. Though it often takes life experiences to learn such lessons, Aesop's fables lay the groundwork for readers. Through more than a dozen fables, readers encounter ideas important to character education as they use their

imagination to meet Aesop's lively characters. Brightly colored illustrations portray each fable in vivid detail. Is Democracy overrated? Does power corrupt? Or do corrupt people seek power? Do corporate puppet masters pull politicians' strings? Why does Frank talk to the camera? Can politics deliver on the promise of justice? House of Cards depicts our worst fears about politics today. Love him or loathe him, Frank Underwood has charted an inimitable course through Washington politics. He and his cohorts depict the darkest dealings within the gleaming halls of our most revered political institutions. These 24 original essays examine key philosophical issues behind the critically-acclaimed series—questions of truth, justice, equality, opportunity, and privilege. The amoral machinations of Underwood, the ultimate anti-hero, serve as an ideal backdrop for a discussion of the political theories of philosophers as diverse as Plato, Aristotle, Nietzsche, Machiavelli, Hobbes, and Marx. From political and corporate ethics, race relations, and ruthless pragmatism to mass media collusion and sexual politics, these essays tackle a range of issues important not only to the series but to our understanding of society today. In this retelling of the Aesop's fable, a smart wolf is too clever for his own good. When he pretends to be a sheep so he can find his supper, things do not go as planned. This highly readable, authoritative reference provides a comprehensive look at the characteristics of wool of 100 breeds of sheep. Essential reading for handspinners, wool growers, and other fiber craft enthusiasts, this guide gives special attention to fleece characteristics, methods of preparation and spinning, and best end use. Everything from baby-soft merino to silky lincoln to sturdy karakul--the full range of nature's miracle fiber--is represented here with expert advice on selecting top-quality fleeces; cleaning wool efficiently and thoroughly; teasing, flicking, combing, carding, and other preparation methods; and spinning and plying a variety of yarn styles. Actual fleece locks are shown in full-size photographs. Knitting, crochet, weaving, and other techniques illustrate the importance of matching wool type to end use. As the attacks in Norway, Munich and most recently Christchurch have shown: a new threat is now shaking liberal Western societies. Radicalized right-wing extremists - so-called lone wolves - are engaging in individually planned terror attacks. Written by an expert on terrorism and populism, this book highlights the dynamics of this new breed of terrorism. By providing in-depth insights into the biographies of individual perpetrators, it illustrates the changing profile of the typical lone terrorist. This new kind of terrorist engages in violence without being a member of a party or organization, yet is radicalized by a global right-wing subculture that communicates in virtual networks. This startling and well-written book reveals the ideological roots of lone wolf terrorism and urges governments and civil society to take the threat seriously and implement suitable countermeasures. A full look at the harmful effect of transference (the application of unresolved issues from one's past to someone in the present) on churches and lives. Provides ways to identify and overcome this phenomenon. The Dark Triad of Personality: Narcissism, Machiavellianism, and Psychopathy in Everyday Life

summarizes the latest research on how these personality traits (psychopathology, narcissism, Machiavellianism) are defined and displayed, while also exploring the impact they have on individuals and society, the relationship between clinical conditions and personality traits, and their adaptivity. The book introduces the Dark Triad through the lens of existing clinical and personality literature, discussing shared and unique cognitive and empathetic profiles associated with each trait. Antisocial, antagonistic, and criminal behaviors associated with the Dark Triad are also covered, as is the way these individuals compete socially and in the workplace. Reviews the development, measurement and evolutionary origins of these traits Explores how these traits may be adaptive Assesses the relationship between clinical conditions and Dark Triad personality traits Includes sections on manipulation, competition and cooperation Just as there are wolves in sheep's clothing, there are also sheep in wolves' clothing--believers who distance themselves from their faith and walk in the ways of the world. Williams explains how God can and will deliver His children from wandering lifestyles and restore them to the fold. A psychologist helps readers understand a variety of personality disorders and offers advice on dealing with clinically disturbed people. When Trudy Bell decides to trade her integrity for the good life and steals the identity of a high-powered, snobbish co-worker she experiences the excitement and unpredictability that she has longed for. What Trudy doesn't realise, however, is that her lies and deception are leading her down a dangerous path - one from which she might never return. Fifteen-year-old Jess, the oldest of seven children, feels like a loser until she makes a new friend in an online chat room, but when "Emily" turns out to be a sexual predator who abducts her, the FBI, her parents' emergency training, and the prayer of her Mormon community help her to survive. Forget the neoconservatives. The biggest threat to Western democracy is the US liberal elite. The iris of their eyes glowed amongst the darkness of the tree line, like yellow fireflies. A growl of hunger, emitted from the belly of the Alpha male, the largest of the pack, as they watched every movement from their human audience, soon he thought patiently, soon Do we see the real personality of people or is there more lurking behind the surface? Sometimes the ones we trust the most might be playing a role contrary to their character. In his timeless fables, Aesop whispers from the past knowledge which we think we know, but very often forget. Aesop's fables feature animals, legendary creatures, plants, inanimate objects, or forces of nature that speak, solve problems, and generally have human characteristics. All the stories story lead to a particular moral lesson. Aesop (620-564 BCE) was a storyteller that was believed to have lived in Ancient Greece. He is celebrated for a number of fables now collectively known as Aesop's Fables. In the few scattered sources about his life, Aesop was described as a slave who by his cleverness acquires freedom and becomes an adviser to kings and city-states. Although Aesop's existence remains unclear, numerous tales credited to him were gathered across the centuries and in many languages in a storytelling tradition that continues to this day. Mellissa develops a strong relationship with Celeste and becomes inseparable with her

after a very short time, considering her to be the best friend she ever had or would ever have. They shared everything together over the course of nine years, including weddings and babies and secrets. When Tabatha, Mellissa's sister, tells her she is moving to the small town Mellissa lives in so they can be together, Mellissa is ecstatic and so excited to have her sister with her. Mellissa opens up her entire life to Tabatha, inviting her to events and introducing her to everybody she knew. After a couple of months of Tabatha's constant mood swings, Mellissa becomes exhausted trying to keep up with her sister's demands and is always so overwhelmed with the guilt that maybe her sister regrets the move completely. One day, after Mellissa's suspicions that Celeste and Tabatha are a lot closer than she thinks and she believes she is being lied to, she comes across something that proves her suspicions and also rips out her heart. The truth is revealed and there's no turning back from that moment, as the aftermath of the destruction between the entire circle of friends and the destruction of Tabatha's and Mellissa's family will become forever irreparable. Two years of the most unimaginable drama you have ever heard of and Mellissa is left behind to pick all the pieces of her broken life—from the destruction her sister caused within two months of moving to be with her. From critically acclaimed and prolific author Jane Yolen comes a hilarious Level 2 Ready-to-Read. Get ready for the Interrupting Cow to meet the Chicken Crossing the Road! Why did the chicken cross the road? Was it to get to the other side...or was there more to the story? Read this hilarious book and see what happens when the Interrupting Cow meets the famous Chicken Crossing the Road! Challenging Coaching is a real-world, timely and provocative book which provides a wake-up call to move beyond the limitations of traditional coaching. Based on the authors' extensive experience working at board and management levels, they suggest that for far too long coaching approaches have shied away from adopting a more challenging stance - a stance that can provoke greater performance and unlock deeper potential in business leaders and their teams. The authors detail their unique FACTS coaching model, which provides a practical and pragmatic approach focusing on Feedback, Accountability, Courageous goals, Tension and Systems thinking. The authors explore FACTS coaching in theory and in practice using case studies, example dialogues and practical exercises so that the reader will be able to successfully challenge others using respectful yet direct techniques. This is an original and thought-provoking book that dares the reader to go beyond traditional coaching and face the FACTS. This book investigates whether so-called rogue states - assumed antagonists of a Western-liberal world order - could also act as norm entrepreneurs by championing the genesis and evolution of global norms. The author explores this issue by analyzing the arms control policies of the Islamic Republic of Iran. A comparison with the prototypical norm entrepreneur Sweden and the Democratic People's Republic of North Korea - a notorious norm-breaker - reveals interesting insights for norm research: Apparently, norm entrepreneurship manifests itself in different degrees and phases of the norm life cycle. The finding that Iran indeed acts as a norm

entrepreneur in some cases also sheds light on those factors that might account for the success or failure of norm advocacy. Lastly, the book offers a new perspective on "rogue states", by not only regarding them as irrational antagonists of the current world order, but also as legitimate participants in a discourse on what the ruling order should look like. This book will appeal to scholars interested in critical norm research in international relations. "This book offers cutting-edge norm research, highlighting how norm-breakers can function as norm-makers." Maria Rost Rublee, Associate Professor of International Relations, Monash University (Australia) "So-called 'rogue states' are typically understood as norm breakers, but Carmen Wunderlich makes a persuasive conceptual case backed by empirical research that we need to consider the extent to which they are in fact norm entrepreneurs in their own right. In an era characterized by much concern over the status of liberal norms, this is a very timely study." Richard Price, Department of Political Science, The University of British Columbia (Canada) "At a time when the world order is under pressure, this cutting-edge analysis of how dissatisfied states challenge existing global norms illuminates a topic crucial to understanding contemporary international relations." Nina Tannenwald, Director, Watson Institute for International and Public Affairs, Brown University (Rhode Island USA) When wolves steal their fluffy coats, two sheep turn to Detective Baa for help.
