Sometimes he's up and sometimes he's down, but there's a happy ending as he finds his snug, warm place called home! *Moose* is a 12" soft animal hand puppet with floating eyes. Its hooves were supposedly a cure for epilepsy; it is the mascot of the Seattle Mariners baseball team and the clothing company *Abercrombie & Fitch*; and its meat is a delicacy. The moose is a fascinating but elusive animal of the north, and its little-known natural history is the focus of Kevin Jackson's engaging new book. *Moose* explains moose's biological history and describes its natural environments around the world, including Canada, New England, Alaska, and Scandinavia, where the moose is the national animal of Sweden and Norway. Jackson considers why the moose is really an elk and an elk is a wapiti, and he also looks at the controversy behind the naming of the Irish Elk. *Moose* explores the animal's role in human history since the Stone Age, including the "alces" in Julius Caesar's history of the Gallic Wars and its influence on figures such as poet Ted Hughes and Theodore Roosevelt and his Bull Moose Party. The Rocky and Bullwinkle Show, a 150-foot statue being built in Sweden, and colorful moose lore all appear in this wide-ranging study, making this an essential read for naturalists and moose lovers alike. *Little Michael* is terrified of wild animals, particularly bears and mountain lions. His sister Emily enjoys tormenting her little brother. Wildlife can be elusive, and both are disappointed when, at first, they don't encounter many animals in the park. The kids quickly learn, however, that there are animals all around, and these creatures leave behind scat and tracks. Before long, the kids are able to recognize bat guano, distinguish deer scat from other kinds of scat, and determine what an owl has dined on recently. Fun animal facts are offered in "The Straight Poop" fact boxes. Colorful illustrations of animals and their scat and tracks supplement this lively tale, and a quick-reference chart at the back makes field identification a breeze! New York Times bestselling author Maureen Johnson delivers the witty and pulse-pounding conclusion to the Truly Devious series as Stevie Bell solves the mystery that has haunted Ellingham Academy for over 75 years. Ellingham Academy must be cursed. Three people are now dead. One, a victim of either a prank gone wrong or a murder. Another, dead by misadventure. And now, an accident in Burlington has claimed another life. All three in the wrong place at the wrong time. All at the exact moment of Stevie's greatest triumph . . . She knows who Truly Devious is. She's solved it. The greatest case of the century. At least, she thinks she has. With this latest tragedy, it's hard to concentrate on the past. Not only has someone died in town, but David disappeared of his own free will and is up to something. Stevie is sure that somehow—somehow—all these things connect. The three deaths in the present. The deaths in the past. The missing Alice Ellingham and the missing David Eastman. Somewhere in this place of riddles and puzzles there must be answers. Then another accident occurs as a massive storm heads toward Vermont. This is too much for the parents and administrators. Ellingham Academy is evacuated. Obviously, it's time for Stevie to do something stupid. It's time to stay on the mountain and face the storm—and a murderer. In the tantalizing finale to the Truly Devious trilogy, New York Times bestselling author Maureen Johnson expertly tangles her dual narrative threads and ignites an explosive end for all who've walked through Ellingham Academy. There's that same sense of magic in the introduction of teen Sherlock-in-training Stevie Bell." —USA Today (four stars) "Be still, my Agatha-Christie-loving beating heart." —Bustle If a big hungry moose comes to visit, you might give him a muffin to make him feel at home. If you give him a muffin, he'll want some jam to go with it. When he's eaten all your muffins, he'll want to go to the store to get some more muffin mix...
