The State Boys Rebellion Nov 19 2022 A Pulitzer Prize-winning journalist tells the amazing story of how a group of imprisoned boys won their freedom, found justice, and survived one of the darkest and least-known episodes of American history. In the early twentieth century, United States health officials used IQ tests to single out "feebleminded" children and force them into institutions where they were denied education, sterilized, drugged, and abused. Under programs that ran into the 1970s, more than 250,000 children were separated from their families, although many of them were merely unwanted orphans, truants, or delinquents. *The State Boys Rebellion* conveys the shocking truth about America's eugenic era through the experiences of a group of boys held at the Fernald State School in Massachusetts starting in the late 1940s. In the tradition of Erin Brockovich, it recounts the boys' dramatic struggle to demand their rights and secure their freedom. It also covers their horrifying discovery many years later that they had been fed radioactive oatmeal in Cold War experiments -- and the subsequent legal battle that ultimately won them a multimillion-dollar

settlement. Meticulously researched through school archives, previously sealed papers, and interviews with the surviving State Boys, this deft exposé is a powerful reminder of the terrifying consequences of unchecked power as well as an inspiring testament to the strength of the human spirit.

Hershey Aug 04 2021 D'Antonio pens the first full biography of one of the most successful and unusual business titans of the 20th century--Milton Hershey--and a startling history of how his commanding fortune shaped a unique utopian legacy.

Stop Living on Autopilot Dec 08 2021 A raw and inspiring how-to guide that will help you recommit to your life, find your drive, and take action to stay bold, honest, and accountable for lasting happiness. “If it’s time to make a bold and courageous shift in your life, Stop Living on Autopilot is the guide you need.”—Marie Forleo, #1 New York Times bestselling author of Everything Is Figureoutable Take stock of your life: Based on your last 30 days of work (or marriage, or parenting), would your company rehire you? Would your partner immediately recommit to you? Would your children want you to continue to be their parent? The easy answer is, “Absolutely!” But it's probably not the honest answer. Your life might read like a success story, and your parents and friends might even think you have it all figured out, but you have a secret: You've stopped caring about much of anything. You feel out of place in your own life.

You'd rather binge-watch Netflix than think about what's next. You're living on autopilot. You have two choices: Experience a slow self-destruction, or commit to a course correction. The good news is, it's never too late to find your drive again. Popular speaker and success coach Antonio Neves is here to offer hard-won lessons and remind you that you do have a say—that you can reboot your life and find fulfillment right where you are. You don't have to quit your job or move to Bali to follow your passion. You do, however, need to shift your perspective and commit to living courageously, replacing passivity with boldness. *Stop Living on Autopilot* will guide you to confront hard truths about where you are and how you got there, inviting compassion, honesty, and accountability. There's no better time than now to reevaluate your life and lay a stronger foundation for your next 30 days. Step by step, you can become an active player in your own life and rediscover what makes you great.

High Crimes Sep 24 2020 Two award-winning journalists offer the most comprehensive inside story behind our most significant modern political drama: the House impeachment of Donald Trump. Having spent a year essentially embedded inside several House committees, Michael D'Antonio and Peter Eisner draw on many sources, including key House leaders, to expose the politicking, playcalling, and strategies debated backstage and to explain the Democrats' successes and apparent

public failures during the show itself. High Crimes opens with Nancy Pelosi deciding the House should take up impeachment, then, in part one, leaps back to explain what Ukraine was really all about: not just Joe Biden and election interference, but a money grab and oil. In the second part, the authors recount key meetings throughout the run up to the impeachment hearings, including many of the heated confrontations between the Trump administration and House Democrats. And the third part takes readers behind the scenes of those hearings, showing why certain things happened the way they did for reasons that never came up in public. In the end, having illuminated every step of impeachment, from the schemes that led Giuliani to the Ukraine in 2016 to Fiona Hill's rebuking the Republicans' conspiracy theories, High Crimes promises to be Trump's Final Days.

In the Night of Time Oct 26 2020 A Washington Post Best Book of the Year: A “hypnotic” novel of the Spanish Civil War and one man’s quest to escape it (Colm Tóibín, The New York Review of Books). October 1936. Spanish architect Ignacio Abel arrives at Penn Station, the final stop on his journey from war-torn Madrid, where he has left behind his wife and children, abandoning them to uncertainty. Crossing the fragile borders of Europe, Ignacio reflects on months of fratricidal conflict in his embattled country, his transformation from a bricklayer’s son to a respected bourgeois

husband and professional, and the all-consuming love affair with an American woman that forever altered his life. Winner of the 2012 Prix Méditerranée Étranger and hailed as a masterpiece, *In the Night of Time* is a sweeping, grand novel and an indelible portrait of a shattered society, written by one of Spain's most important contemporary novelists. "Labyrinthine and spellbinding . . . One of the most eloquent monuments to the Spanish Civil War ever to be raised in fiction." —The Washington Post, "The Top 50 Fiction Books for 2014" "An astonishingly vivid narrative that unfolds with hypnotic intensity by means of the constant interweaving of time and memory . . . Tolstoyan in its scale, emotional intensity and intellectual honesty." —The Economist "Epic . . . Intoxicating prose." —Entertainment Weekly "A War and Peace for the Spanish Civil War." —Publishers Weekly

Mortal Sins: Sex, Crime, and the Era of Catholic Scandal Nov 14 2019 A Publishers Weekly Best Nonfiction Book of 2013 A Kirkus Reviews Best Book of 2013 An Edgar Award for Best Fact Crime Nominee An explosive, sweeping account of the scandal that has sent the Catholic Church into a tailspin -- and the brave few who fought for justice In the mid-1980s a dynamic young monsignor assigned to the Vatican's embassy in Washington set out to investigate the problem of sexually abusive priests. He found a scandal in the making, confirmed by secret files revealing complaints that

had been hidden from police and covered up by the Church hierarchy. He also understood that the United States judicial system was eager to punish offenders and those who aided them. He presented all of this to the American bishops, warning that the Church could be devastated by negative publicity and bankrupted by its legal liability. They ignored him. Meanwhile, a young lawyer listened to a new client describe an abusive sexual history with a priest that began when he was ten years old. His parents' complaints were downplayed by Church officials who offered them money to go away. The lawyer saw a claim that any defendant would want to settle. Then he began to suspect he was onto something bigger, involving thousands of priests who had abused countless children while the Church had done almost nothing about it. The lawsuit he filed would touch off a legal war of historic and global proportions. Part history, part journalism, and part true-crime thriller, Michael D'Antonio's *Mortal Sins* brings to mind landmark books such as *All the President's Men*, *And the Band Played On*, and *The Informant*, as it reveals a long and ferocious battle for the soul of the largest and oldest organization in the world.

Doctor Antonio May 01 2021

Spy Dust Dec 16 2019 Moscow, 1988. It is the twilight of the Cold War, and the KGB is at its most ruthless. In the last three years, ten CIA operatives have been executed or

neutralized. Langley has no idea how the KGB seems to be able to predict the CIA's every move, but some believe they are using an invisible electromagnetic powder that allows them to keep tabs on anyone who touches it: spy dust. Enter CIA officers Tony Mendez and Jonna Goesser, who come together to head up a team of technical wizards and operational specialists, determined to solve the mystery that threatens to bring down the curtain on the Cold War's final act. Beginning in Indochina and culminating in a breathtakingly daring operation in the heart of the Kremlin itself, *Spy Dust* reveals more about U.S. intelligence techniques abroad than any previously published work of nonfiction, and is a riveting account of spycraft, courage, loyalty, and love.

The Prince of the Skies Jan 21 2023 A gripping narrative of friendship and exploration, and an homage to Antoine de Saint-Exupéry, an unforgettable writer who touched the lives of millions of readers, and who was able to see the world through the eyes of a child. In the 1920s, long before he wrote *The Little Prince*, Antoine de Saint-Exupéry was an accomplished pilot. Along with Jean Mermoz and Henri Guillaumet, he was chosen to pioneer new mail routes across the globe. No distance was too far and no mountain too high—each letter had to reach its destination. The three friends soared through the air, while back on solid ground, they dealt with a world torn apart by wars and political factions.

Message from the Shadows Jul 03 2021 This new, expanded collection of Antonio Tabucchi's stories collects the best short fiction from the Italian author recognized as one of the masters of the form. *Message From the Shadows* is a new collection featuring Antonio Tabucchi's finest short stories, spanning the breadth of his career. These playful tales explore Tabucchi's signature themes, from his inventive, lyrical meditations on language, art, and philosophy, to his fascination with the passage of time, and the mystery of storytelling.

Doctor Antonio, by the author of Lorenzo Benoni Jan 09 2022

A Different Kind of Heat Apr 19 2020 Trying to come to terms with her brother's death, high school student and former gang member Luz Cordero meets his killer face to face as she begins to rebuild her own life in a group home in New York City. Simultaneous.

The Commentary of Father Monserrate Oct 06 2021 Translated From The Original Latin By J.S. Hoyland.

Chaos Monkeys Oct 18 2022 The instant New York Times bestseller, now available in paperback and featuring a new afterword from the author—the insider's guide to the Facebook/Cambridge Analytica scandal, the inner workings of the tech world, and who really runs Silicon Valley “Incisive.... The most fun business book I have read this year.... Clearly there will be people who hate this book — which is probably one of the

things that makes it such a great read.” — Andrew Ross Sorkin, New York Times

Imagine a chimpanzee rampaging through a datacenter powering everything from Google to Facebook. Infrastructure engineers use a software version of this “chaos monkey” to test online services’ robustness—their ability to survive random failure and correct mistakes before they actually occur. Tech entrepreneurs are society’s chaos monkeys. One of Silicon Valley’s most audacious chaos monkeys is Antonio García Martínez. After stints on Wall Street and as CEO of his own startup, García Martínez joined Facebook’s nascent advertising team. Forced out in the wake of an internal product war over the future of the company’s monetization strategy, García Martínez eventually landed at rival Twitter. In *Chaos Monkeys*, this gleeful contrarian unravels the chaotic evolution of social media and online marketing and reveals how it is invading our lives and shaping our future.

The Card House Jan 17 2020 From the peaceful hillsides of rural Italy to the glitzy night life of Las Vegas, *The Card House* tells the story of a deadly family feud that spans two generations and brings shocking personal cost. In 1959, twelve-year-old Angelo Angelli identifies Gaitano Defierro, the powerful patriarch of their small Italian village, as the perpetrator of his best friend's brutal rape and murder. Despite his protest of innocence, Gaitano hangs for his crime. The Defierro family kills Angelo's mother

and two sisters in retribution, forcing Angelo and his brother to flee to America—and an uncertain future. Thirty years later, Angelo has built a modest life for himself and his son, Tony. But under his uncle's influence, Tony becomes a professional gambler, flunking out of college and deeply disappointing his father. He masters an elite blackjack system guaranteed to beat the Las Vegas casinos and plans to make his fortune in Sin City. However, vengeance has carried on to the next generation of the Defierro family, and Tony is their unenviable target. Thrust into the seedy side of high stakes gambling, Tony doesn't know whom to trust. But one thing is certain: he must uncover what really happened that long-ago day in Italy if he is to survive.

Barefoot Dogs Nov 07 2021 This collection of intertwined short stories follows the members of a wealthy family in Mexico City as they disperse across the globe, facing heartbreak and financial ruin, after their patriarch is kidnapped by shady underworld forces.

Antonio Feb 22 2023 A brilliant, magisterial novel of family secrets simmering beneath the surface Benjamin, on the verge of becoming a father, discovers a tragic family secret involving patrimony and determines to get to the root of. Those most immediately involved are all dead, but their three closest confidantes are still alive—Isabel, his grandmother; Haroldo, his grandfather's friend; and Raul, his father's

friend—and each will tell him a different version of the facts. By collecting these shards of memories, which offer personal glimpses into issues of class and politics in Brazil, Benjamin will piece together the painful puzzle of his family history. Like a Faulkner novel, Beatriz Bracher's brilliant *Antonio* shows the expansiveness of past events and the complexity of untangling long-buried secrets.

The Old House's Poet May 21 2020 Among so many old things inside the oldest large house of Terra Nova, Raquel finds many lost poems long forgotten in time. She also finds other poems in different places with various people. The starting point of this story is about the interest of the main character from this book into unclosing a mystery: Who is or who was the old house's poet? Between this plot, one question we frequently ask ourselves. Are the time and the love a perfect couple or enemies? I advance that I have no answer for this question in this book, though the reader can reflect and get to their own conclusions. What we know is that in many cases the time can be a hope for those who seek to live a great love, that is, even if today the circumstances aren't positive, it's waited to be living a great love with intensity on the long run. Now for others, time can be negative, since if love is too late it can be suffocated or even murdered by the social standards and the people who can't accept the fact of two individuals living their love story, forbidden or not. The character

Raquel will take the reader to a trip into the poems found in the old house. The said poet was depending exclusively on time to be able to live the great love of his life. He found on the poems a way to encode his messages, his desires and to proclaim the love he felt for his beloved. He suffered with the dismissal, the distance and the circumstance. On the other hand, he found joy in hope and the fact of being loved by his other half. Love and time. Two words that can mean so much. Passion and poetry also stand for strength and magic. Let the love lived by the poet shows you that many times we must fight to live the passion and not leave it for later, it can be too late. Learn with Raquel the significance of preserving the history of old times, but above all, of keeping alive a beautiful love story!

The Celebutantes: On the Avenue Aug 24 2020 The Hamilton Triplets—Madison, Park, and Lexington—are accustomed to living in the public eye. Heiresses to a billion-dollar media empire, they have been raised in New York's most elite social circles and, at 16, know firsthand the demands of being celebutantes. There are people to impress, appearances to make, and paparazzi to outrun. Not to mention high school to finish. But when fashion editor Zahara Bell is found dead in a one-of-a-kind frock from Lex's unreleased clothing line, and then the priceless Avenue Diamond goes missing, getting to class is as far from the triplets' minds as their first pair of Manolos. One of the girls

is a suspect, and the sisters find themselves in the middle of a scandal that could sink their reputations and their father's companies for good. And the press is ready, willing, and able to lend a hand. The Hamilton sisters need to stick closer than ever before. The killer is still out there, and if they don't solve the case their threesome could become a twosome quicker than you can say Cartier.

300 Years of San Antonio and Bexar County Feb 16 2020 300 Years of San Antonio & Bexar County captures the iconic stories, moments, people, and places that define one of the oldest communities in the United States. A collection of diverse authors joined forces to produce this richly illustrated and complexly woven thematic telling of the city's history. From its earliest legacy as home to many indigenous peoples to its municipal founding by the Canary Islanders, a convergence of people from across the globe have settled, sacrificed, and successfully shaped the culture of San Antonio. The result is a 21st-century community that strives to balance diverse heritage with a vibrant economy thanks to stories from the past that provide lessons for the future.

The Librarian of Auschwitz Nov 26 2020 Based on the experience of real-life Auschwitz prisoner Dita Kraus, this is the incredible story of a girl who risked her life to keep the magic of books alive during the Holocaust. Fourteen-year-old Dita is one of the many imprisoned by the Nazis at Auschwitz. Taken, along with her mother and

father, from the Terezín ghetto in Prague, Dita is adjusting to the constant terror that is life in the camp. When Jewish leader Freddy Hirsch asks Dita to take charge of the eight precious volumes the prisoners have managed to sneak past the guards, she agrees. And so Dita becomes the librarian of Auschwitz. Out of one of the darkest chapters of human history comes this extraordinary story of courage and hope. This title has Common Core connections. Godwin Books

Forever Blue Sep 05 2021 Read Michael D'Antonio's posts on the Penguin Blog From the Pulitzer Prize-winning journalist comes a revealing biography of "one of the most polarizing figures in baseball history" (The New York Times). If ever there was a figure who changed the game of baseball, it was Walter O'Malley, owner of the Dodgers. O'Malley was one of the most controversial owners in the history of American sports, altering the course of history when he uprooted the Dodgers and transplanted them from Brooklyn to Los Angeles. While many critics attacked him, O'Malley looked to the future, declining to defend his stance. As a result, fans across the nation have never been able to stop arguing about him and his strategy—until now. Michael D'Antonio's Forever Blue is a uniquely intimate portrait of a man who changed America's pastime forever, a fascinating story fundamental to the history of sports, business, and the American West. Michael D'Antonio's newest book, A Full

Cup: Sir Thomas Lipton's Extraordinary Life and His Quest for America's Cup, is now available from Riverhead Books.

Novels in Three Lines Jun 02 2021 A NEW YORK REVIEW BOOKS ORIGINAL
Novels in Three Lines collects more than a thousand items that appeared anonymously in the French newspaper Le Matin in 1906—true stories of murder, mayhem, and everyday life presented with a ruthless economy that provokes laughter even as it shocks. This extraordinary trove, undiscovered until the 1940s and here translated for the first time into English, is the work of the mysterious Félix Fénéon. Dandy, anarchist, and critic of genius, the discoverer of Georges Seurat and the first French publisher of James Joyce, Fénéon carefully maintained his own anonymity, toiling for years as an obscure clerk in the French War Department. *Novels in Three Lines* is his secret chef-d'oeuvre, a work of strange and singular art that brings back the long-ago year of 1906 with the haunting immediacy of a photograph while looking forward to such disparate works as Walter Benjamin's *Arcades Project* and the *Death and Disaster* series of Andy Warhol.

The Prince of the Skies Mar 11 2022 The epic Second World War novel from Antonio Iturbe, the international bestselling author of *The Librarian of Auschwitz*.

Lavinia. By the Author of "Doctor Antonio" Feb 10 2022

I Didn't Talk May 13 2022 The English-language debut of a master stylist: a compassionate but relentless novel about the long, dark harvest of Brazil's totalitarian rule A professor prepares to retire—Gustavo is set to move from Sao Paulo to the countryside, but it isn't the urban violence he's fleeing: what he fears most is the violence of his memory. But as he sorts out his papers, the ghosts arrive in full force. He was arrested in 1970 with his brother-in-law Armando: both were vicariously tortured. He was eventually released; Armando was killed. No one is certain that he didn't turn traitor: I didn't talk, he tells himself, yet guilt is his lifelong harvest. *I Didn't Talk* pits everyone against the protagonist—especially his own brother. The torture never ends, despite his bones having healed and his teeth having been replaced. And to make matters worse, certain details from his shattered memory don't quite add up... Beatriz Bracher depicts a life where the temperature is lower, there is no music, and much is out of view. *I Didn't Talk's* pariah's-eye-view of the forgotten “small” victims powerfully bears witness to their “internal exile.” I didn't talk, Gustavo tells himself; and as Bracher honors his endless pain, what burns this tour de force so indelibly in the reader's mind is her intensely controlled voice.

Never Enough Jul 15 2022 In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by

questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in *Never Enough*, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself "because I might not like what I see" and he believes "most people aren't worthy of respect." A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement.

Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, *Never Enough* supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

Feeling & Knowing Jun 21 2020 From one of the world's leading neuroscientists: a succinct, illuminating, wholly engaging investigation of how biology, neuroscience, psychology, and artificial intelligence have given us the tools to unlock the mysteries of human consciousness "One thrilling insight after another ... Damasio has succeeded brilliantly in narrowing the gap between body and mind." —The New York Times Book Review In recent decades, many philosophers and cognitive scientists have declared the problem of consciousness unsolvable, but Antonio Damasio is convinced that recent findings across multiple scientific disciplines have given us a way to understand consciousness and its significance for human life. In the forty-eight brief chapters of *Feeling & Knowing*, and in writing that remains faithful to our intuitive sense of what feeling and experiencing are about, Damasio helps us understand why

being conscious is not the same as sensing, why nervous systems are essential for the development of feelings, and why feeling opens the way to consciousness writ large. He combines the latest discoveries in various sciences with philosophy and discusses his original research, which has transformed our understanding of the brain and human behavior. Here is an indispensable guide to understanding how we experience the world within and around us and find our place in the universe.

Zama Feb 27 2021 An NYRB Classics Original First published in 1956, Zama is now universally recognized as one of the masterpieces of modern Argentine and Spanish-language literature. Written in a style that is both precise and sumptuous, weirdly archaic and powerfully novel, Zama takes place in the last decade of the eighteenth century and describes the solitary, suspended existence of Don Diego de Zama, a highly placed servant of the Spanish crown who has been posted to Asunción, the capital of remote Paraguay. There, eaten up by pride, lust, petty grudges, and paranoid fantasies, he does as little as he possibly can while plotting his eventual transfer to Buenos Aires, where everything about his hopeless existence will, he is confident, be miraculously transformed and made good. Don Diego's slow, nightmarish slide into the abyss is not just a tale of one man's perdition but an exploration of existential, and very American, loneliness. Zama, with its stark dreamlike prose and spare imagery, is at

once dense and unforeseen, terse and fateful, marked throughout by a haunting movement between sentences, paragraphs, and sections, so that every word seems to emerge from an ocean of things left unsaid. The philosophical depths of this great book spring directly from its dazzling prose.

Unworthy Dec 28 2020 Abram Singer is a Catholic priest with an unusual name and a dark secret. Against the backdrop of gritty 1970s New York, in a simple, straightforward style, he tells us his story. The son of an absent Jewish father and a devout Italian mother, Abram was drawn to the meaningful structure of the seminary, eventually becoming a parish priest in Manhattan. His sincerest wish is to do God's work, but he is not without human failings: he is irresistibly attracted to women and has a secret lover named Lisa. But when an anonymous letter arrives threatening to expose his liaison, he is forced to decide whether the risks of his sin have become too great. Riveting and powerfully intimate, *Unworthy* unflinchingly explores the nature of faith, loyalty, and identity—and gives us a timeless portrait of a man trying to make his way in America's greatest city.

The Summer of Dead Toys Jan 29 2021 A skillfully plotted tale of misdeeds and murder--introducing Inspector Hector Salgado, a detective with a complicated past, a love of cinema . . . and a tendency to violence. Under a hot Barcelona sun, a killer is

feeling the heat. When the death of a vulnerable young witness in a case of human trafficking and voodoo causes the normally calm Police Inspector Hector Salgado to beat someone up, he is moved off the project and sent instead to investigate a teenager's fall to his death in one of Barcelona's uptown areas. As Salgado begins to uncover the inconvenient truths behind the city's most powerful families, two seemingly unsolvable cases are set to implode under the hot Barcelona sun.

The Good Suicides Dec 20 2022 Unrelenting hero of *The Summer of Dead Toys*, Inspector Hector Salgado returns in another riveting crime thriller After a company retreat in a remote country house, senior employees of Alemany Cosmetics return with a dark secret. They've each received an anonymous, menacing email of only two words: "Never forget". What's worse, the message is accompanied by a nightmarish photo attachment showing the bodies of dogs—hung to death from a tree—near the very same farm estate they just visited. When they begin killing themselves, one by one, the connection between the shocking photos and the suicides baffles Barcelona law enforcement and corporate think tanks alike, threatening a terrifying end for everyone involved. Breaking through the insular power structures of these enigmatic executives isn't easy, but Inspector Salgado has his own ways of making those still alive speak up. As the clock is ticking before another suicide, Salgado is doing all he

can to bring the terror to an end. Meanwhile, his partner Leire, bored on her maternity leave, remains fixated on Salgado's missing wife, Ruth. She refuses to give up on a case many—including Salgado—fear is hopeless. Antonio Hill deftly braids these two stories together for a richly layered and darkly chilling thriller about secrets, cover-ups, and devastating lies.

Saga Boy Sep 17 2022 Blending mythology and memory, *Saga Boy* follows a young Black immigrant's vibrant personal metamorphosis. Growing up as a clever, willful boy in a tiny village in the tropical forests of Trinidad—raised by his indomitable grandmother, Miss Excellly, and her King James Bible—Antonio Michael Downing is steeped in the legacies of his scattered family, the vibrant culture of the island, and the weight of its colonial history. But following Miss Excellly's death, everything changes. The eleven-year-old Downing seems to fall asleep in the jungle and to wake up in a blizzard: he is sent to live with his devoutly evangelical Aunt Joan in rural Canada, where they are the only Black family in a landscape starkly devoid of the warm lushness of his childhood. Isolated and longing for home, Downing begins a decades-long journey to transform himself through music and performance. A reunion with his birth parents, whom he has known only through story, closes more doors than it opens. Instead, Downing seeks refuge in increasingly extravagant musical personalities: “Mic

Dainjah,” a boisterous punk rapper; “Molasses,” a soul crooner; and, finally, an eccentric dystopian-era pop star clad in leather and gold, “John Orpheus.” In his mid-thirties, increasingly addicted to escapism, attention, and sex, Downing realizes he has become a “Saga Boy”—a Trinidadian playboy archetype—like his father and grandfather before him. When his choices land him in a jail cell, Downing must face who he has become. Harnessing the lyricism of an evangelical childhood into a flourishing and unforgettable prose all its own, *Saga Boy* is a poignant journey of overcoming, belonging, and becoming one’s own self.

A Quiet Nook in the Jura, by the Author of 'doctor Antonio' Jul 23 2020 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Times Alone Mar 19 2020 Antonio Machado, a school teacher and philosopher and one of Spain's foremost poets of the twentieth century, writes of the mountains, the skies, the farms and the sentiments of his homeland clearly and without narcissism: "Just as before, I'm interested/in water held in;/ but now water in the living/rock of my chest." "Machado has vowed not to soar too much; he wants to 'go down to the hells' or stick to the ordinary," Robert Bly writes in his introduction. He brings to the ordinary—to time, to landscape and stony earth, to bean fields and cities, to events and dreams—magical sound that conveys order, penetrating sight and attention. "The poems written while we are awake...are more original and more beautiful, and sometimes more wild than those made from dreams," Machado said. In the newspapers before and during the Spanish Civil War, he wrote of political and moral issues, and, in 1939, fled from Franco's army into the Pyrenees, dying in exile a month later. When in 1966 a bronze bust of Machado was to be unveiled in a town here he had taught school, thousands of people came in pilgrimage only to find the Civil Guard with clubs and

submachine guns blocking their way. This selection of Machado's poetry, beautifully translated by Bly, begins with the Spanish master's first book, *Times Alone, Passageways in the House, and Other Poems* (1903), and follows his work to the poems published after his death: *Poems from the Civil War* (written during 1936–1939).

The Resurrection of Fulgencio Ramirez Mar 31 2021 In the 1950s, tensions remain high in the border town of La Frontera. Penny loafers and sneakers clash with boots and huaraches. Bowling shirts and leather jackets compete with guayaberas. Convertibles fend with motorcycles. Yet amidst the discord, young love blooms at first sight between Fulgencio Ramirez, the son of impoverished immigrants, and Carolina Mendelssohn, the local pharmacist's daughter. But as they'll soon find out, their bonds will be undone by a force more powerful than they could have known. Thirty years after their first fateful encounter, Fulgencio Ramirez, RPh, is conducting his daily ritual of reading the local obituaries in his cramped pharmacy office. After nearly a quarter of a century of waiting, Fulgencio sees the news he's been hoping for: his nemesis, the husband of Carolina Mendelssohn, has died. A work of magical realism, *The Resurrection of Fulgencio Ramirez* weaves together the past and present as Fulgencio strives to succeed in America, break a mystical family curse, and win back Carolina's love after their doomed youthful romance. Through enchanting language and

meditations about the porous nature of borders—cultural, geographic, and otherworldly—*The Resurrection of Fulgencio Ramirez* offers a vision of how the past has divided us, and how the future could unite us.

American Journalist and Author Blue Book Oct 14 2019

Antonio, We Know You Jun 14 2022 ANTONIO, WE KNOW YOU follows the life of a migrant farmworker kidnapped at age four, trafficked through age ten at a famous California Ranch, until being saved from an attempted suicide and taken under Cesar Chavez's wing. Antonio eventually graduated from law school, become a labor lawyer, and found the strength and resilience to be reunited with his long-lost family after 24 years. Antonio aims to offers hope in desperate circumstances in sharing the legacy of his family and reflecting the dignity and sacrifices of their difficult Chicano life.

The Shadow President Apr 12 2022 "It presents an entirely damning portrait of Pence. You've seen his colors before, but not so vividly and in this detail." —Frank Bruni, *The New York Times* "Producing a biography of a living, controversial politician is always difficult. D'Antonio and Eisner have succeeded in this well-documented, damning book. Cue the outrage from Sean Hannity et al." —Kirkus Reviews (starred review) In this well-rounded, deeply-investigated biography, the first full look at the vice president, two award-winning journalists unmask the real Mike Pence. Little-known

outside his home state until Donald Trump made him his running mate, Mike Pence—who proclaims himself a Christian first, a conservative second, and a Republican third—has long worn a carefully-constructed mask of Midwestern nice. Behind his self-proclaimed humility and self-abasing deference, however, hides a man whose own presidential ambitions have blazed since high school. Pence’s drive for power, perhaps inspired by his belief that God might have big plans for him, explains why he shocked his allies by lending Christian credibility to a scandal-plagued candidate like Trump. In this landmark biography, Pulitzer Prize-winner Michael D’Antonio and Emmy-nominated journalist Peter Eisner follow the path Pence followed from Catholic Democrat to conservative evangelical Republican. They reveal how he used his time as rightwing radio star to build connections with powerful donors; how he was a lackluster lawmaker in Congress but a prodigious fundraiser from the GOP’s billionaire benefactors; and how, once he locked in his views on the issues—anti-gay, pro-gun, anti-abortion, pro big-business—he became laser-focused on his own pursuit of power. As *THE SHADOW PRESIDENT* reveals, Mike Pence is the most important and powerful Christian Right politician America has ever seen. Driven as much by theology as personal ambition, Pence is now positioned to seize the big prize—the presidency—and use it to fashion a nation more pleasing to his god and

corporate sponsors.

Do You Believe? Aug 16 2022 Some of the most well-known and well-respected cultural figures of our time enter into intimate and illuminating conversation about their personal beliefs, about belief itself, about religion, and about God. Antonio Monda is a disarming, rigorous interviewer, asking the most difficult questions (he often begins an interview point blank: “Do you believe in God?”) that lead to the most wide-ranging conversations. An ardent believer himself, Monda talks both with atheists (asked what she feels when she meets a believer, Grace Paley replies: “I respect his thinking and his beliefs, but at the same time I think he’s deluded”) and other believers, their discussion ranging from personal images of God (Michael Cunningham sees God as a black woman, Derek Walcott as a wise old white man with a beard) to religion’s place in American culture, from the afterlife to the concepts of good and evil, from fundamentalism to the Bible. And almost without fail, the conversations turn to questions of art and literature. Toni Morrison discusses Virginia Woolf and William Faulkner, Richard Ford invokes Wallace Stevens, and David Lynch draws attention to the religious aspects of Buñuel, Fellini...and Harold Ramis's Groundhog Day. Informal, revealing, unexpected, *Do You Believe?* is a captivating and thought-provoking meditation how faith, in all its facets, remains profoundly relevant for and in our

culture.
