The city was one of several opened to foreign trade following the British victory over China in the First Opium War, which allowed the establishment of the Shanghai International Settlement. The city then flourished as a center of commerce between East and West, and became the undisputed financial hub of the Asia Pacific in the 1930s. Today, Shanghai is a popular tourist destination. Terrorists, drug traffickers, mafia members, and corrupt corporate executives have one thing in common: most are conspirators subject to federal prosecution. Federal conspiracy laws rest on the belief that criminal schemes are equally or more reprehensible than are the substantive offenses to which they are devoted. The essence of conspiracy is an agreement of two or more persons to engage in some form of prohibited misconduct. The crime is complete upon agreement, although some statutes require prosecutors to show that at least one of the conspirators has taken some concrete steps or committed some overt act in furtherance of the scheme. There are dozens of federal conspiracy statutes. This book examines conspiratorial crimes and related federal criminal law with a focus on the federal Racketeer Influenced and Corrupt Organization (RICO) provision of the Organized Crime Control Act of 1970; money laundering and the 18 U.S.C. 1956 statute; mail and wire fraud; and an overview of federal criminal law. How to Land a Top-Paying Federal Job is the ultimate guide to securing a government job, internship, or fellowship. Written by a successful career

coach who has climbed the federal career ladder herself and served as a hiring manager, the book steers applicants through every stage of their job searches—from finding unadvertised openings and getting interviews to sealing enviable deals and even getting promoted. Drawing on interviews with more than 100 federal hiring managers, the book reveals the secrets to impressing these gatekeepers online, on paper, and in person—information that is available nowhere else. The updated second edition includes more get-ahead tips; new templates for writing winning applications; expanded directories for internships, fast-track management training programs and fellowships; and the latest helpful websites. Complete with a companion CD filled with sample resumes, checklists, and templates, this indispensable book gives readers the inside scoop on landing some of the nation's most secure, well-paying, and rewarding jobs—in all 50 states and abroad!
