THAT GIVES YOU A SURE SHOT COMPETITIVE EDGE § Competitive exams test the conceptual knowledge of students along with time management skills. However, several students generally do not get the expected rank/score despite knowing all the concepts. § It is an irony that students spend several precious hours and parents spend huge money running from one coaching institute to another, but nobody guides them on time management right from the beginning, and when students attend crash courses (about 1-2 months before competitive exam), they hardly have any time to master these skills. § The author of this book strongly believes that with proper and timely strategic guidance on time management, every student can achieve well in Competitive Exams. § This book has the strength to cover the entire syllabus in 10 days. For fast track coverage of the entire course/ online coaching, students can contact the author at [monicabhandari.books@gmail.com](mailto:monicabhandari.books@gmail.com). § This book encompasses 10 chapters. Each chapter starts with a quick review of the important concepts followed by shortcuts, tips & tricks. The strategic manner in which topics are inter-linked in this book will help in building a strong conceptual clarity among the students. For illustration, questions from previous years papers of JEE and NEET with accurate & shortest possible solutions are provided along with each topic. The questions are based on the author's interactions with students who had appeared in the aforementioned competitive exams in the past years. Solving the carefully handpicked questions given in this book, students will find themselves at ease with the Chemistry paper in any Competitive as well as Board examination. This book will enable the students with advanced abilities to attempt maximum number of questions accurately within the stipulated time. § Remember! Practice is the key to success. So, practice more and more questions on each and every topic from a good question bank. § And here's the last but not the least and the most important tip - revise all your incorrectly attempted questions repeatedly and bookmark important questions so that you gain perfection in attempting questions having similar concept or trick. IT'S NOT ALWAYS ABOUT STUDYING HARD, BUT STUDYING SMART!!

Regards, Dr. Monica Bhandari

Discusses the events surrounding the nineteenth-century gold rush in California, the lifestyles of miners and mining towns, and the methods used to extract gold. The Teacher's Book contains: Teaching notes with additional classroom ideas, including for mixed ability classes and fast finishers Exam information, including differences between Student's Book activities and those in the exam Advice on teaching for exams, flipping the classroom, developing students as independent learners, teaching with projects and teaching with readers Advice on what makes a solid answer, a good answer and what acing an answer looks like Photocopiable audio scripts and videoscripts Workbook answer key

The response from the jewelry industry to a campaign for ethically sourced gold as a case study in the power of business in global environmental politics. Gold mining can be a dirty business. It creates immense amounts of toxic materials that are difficult to dispose of. Mines are often developed without community consent, and working conditions for miners can be poor. Income from gold has funded wars. And consumers buy wedding rings and gold chains not knowing about any of this. In *Dirty Gold*, Michael Bloomfield shows what happened when Earthworks, a small Washington-based NGO, launched a campaign for ethically sourced gold in the consumer jewelry market, targeting Tiffany and other major firms. The unfolding of the campaign and its effect on the jewelry industry offer a lesson in the growing influence of business in global environmental politics. Earthworks planned a "shame" campaign, aimed at the companies' brands and reputations, betting that firms like Tiffany would not want to be associated with pollution, violence, and exploitation. As it happened, Tiffany contacted Earthworks before they could launch the campaign; the company was already looking for partners in finding ethically sourced gold. Bloomfield examines the responses of three companies to "No Dirty Gold" activism: Tiffany, Wal-Mart, and Brilliant Earth, a small company selling ethical jewelry. He finds they offer a case study in how firms respond to activist pressure and what happens when businesses participate in such private governance schemes as the "Golden Rules" and the "Conflict-Free Gold Standard." Taking a firm-level view, Bloomfield examines the different opportunities for and constraints on corporate political mobilization within the industry. The *Voyage of the Dawn Treader* sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian's voyage on the ship to find the seven lords who were

banished when Miraz took over the throne.? As they sail toward Aslan's country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world's end is only the beginning... The stereotype of the "angel investor" is a retired wealthy entrepreneur who sees potential, asks tough questions, takes a large stake, and in a few years makes a massive return in an IPO. This outsider fills the gap between the venture capitalist and the professional investor, swooping in with cash and expertise to bring dreams to fruition. Unfortunately, Shane observes, this figure bears no relationship to reality. In Fool's Gold, he draws on hard data from the Federal Reserve and other sources to paint the first reliable group portrait of the lionized angel investors. Surprisingly, he finds that they are fewer, contribute less, and involve themselves in fewer start-ups than the conventional wisdom suggests. Most angels typically still have their day jobs, make investments of \$10,000 or less, and take little or no role in assisting entrepreneurs build their companies. Few of the companies they put money into arrive at IPOs, let alone massive returns. But angels can play a critical role, he writes, if the fantasy is abandoned by all concerned. Drawing on his rich store of data, Shane offers recommendations to entrepreneurs and angels alike for the most productive use of angel investing, and suggests how policymakers can encourage it. Particularly promising are angel groups, which pool knowledge and money for wiser and more productive investments. In groups, angels can rely on each other's expertise, share the labor of performing due diligence, and generally insure that their money is being placed--and used--wisely. Fostering the formation of such groups may be the single most important thing that government can do to boost angel investing. Massively researched and briskly written, Fools' Gold offers the first real resource on this misunderstood aspect of our entrepreneurial system.

The Oldman's English Lessons book is a recently launched book of Sakha Global Books publication to hold good command over English language. This is an excellent resource for all students who wish to learn, write and speak English language from zero level. Perfect for self-study, the series follows a guided-learning approach that gives students access to a full answer key with model answers. Developed by experienced IELTS tutors, the series takes into account the specific language needs of learners at this level. A lower-level exam practice book designed to improve the level of students who plan to take the IELTS test in the future. American English Idioms is a book that teaches essential and foundational idioms used in the USA. It is designed to be an easy-to-use guide especially for ESL students. With a unique Sorted-By-Meaning format, you can now look up idioms via their meanings rather than being limited to searching for them in alphabetical order. It also comes with guides to teach how and when to use the idioms; do you use them in informal, semi-formal or formal speech? What is informal, semi-formal or formal speech anyway? This book will help you with that. Packed with information, every idiom comes in its infinitive form; with at least 1 real-life subject pronoun example sentence. Created by a native American English speaker, you can now learn to speak English like an American and learn the idioms that American English speakers expect you to know. Also includes a brief overview of some of the most common Internet abbreviations. This book has been divided into sections and each section has been further divided into lessons. have been given, wherever necessary. Also, exercises are given at the end of every lesson for practice and solutions at the end of the book. Start speaking English in minutes, and learn key vocabulary, phrases, and grammar in just minutes more with Beginner English, a completely new way to learn English with ease! English pronunciations are given in easy way helping the readers to understand the complexities of English pronunciation. - Salim Khan Anmol 50 years of an iconic classic! This international bestseller and inspiration for a beloved movie is a heroic story of friendship and belonging. Cover may vary. No one ever said life was easy. But Ponyboy is pretty sure that he's got things figured out. He knows that he can count on his brothers, Darry and Sodapop. And he knows that he can count on his friends—true friends who would do anything for him, like Johnny and Two-Bit. But not on much else besides trouble with the Socs, a vicious gang of rich kids whose idea of a good time is beating up on “greasers” like Ponyboy. At least he knows what to expect—until the night someone takes things too far. The Outsiders is a dramatic and enduring work of fiction that laid the groundwork for the YA genre. S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was first published. "The Outsiders transformed young-adult fiction from a genre mostly about prom queens, football players and high school crushes to one that portrayed a darker, truer world." —The New York Times "Taut with tension, filled with drama." —The Chicago Tribune "[A] classic coming-of-age book." —Philadelphia Daily News A New York Herald Tribune Best Teenage Book A Chicago Tribune Book World Spring Book Festival Honor Book An ALA Best Book for Young Adults Winner of the Massachusetts Children's Book Award How the camel got his lump, how the leopard got his spots, and 10 other stories are told. long activities in overview talks and lab sessions. The papers address all aspects of information access in any modality and language and cover a broad range of topics in the field of multilingual and multimodal information access evaluation. 'Gold First' provides everything language students need to prepare for the Cambridge English First Exam (formerly Cambridge First Certificate of English). Presents fifteen extended math investigations designed to provide middle school students with experience in solving real-life problems in algebra, geometry, data analysis and probability, number and operations, and measurement. Reading Comprehension | Social Studies | Fiction/Nonfiction Pairing | Gold Rush Supports Best Practices in Reading by Pairing History-Based Nonfiction Stories with Fiction Stories on the Same Topic! Each exciting and fact-filled story is accompanied by a dynamic, colorful, realistic illustration that brings the story to life and enhances the content. The nonfiction story gives a detailed, historic explanation of the topic. The matching fiction story makes the topic relatable to everyday life. Reading Skills Follow-up questions and activities help build important comprehension skills and strategies shared by and unique to nonfiction and fiction stories. By reading the stories and completing the accompanying activities, students will have a much greater understanding of these two key genres of reading. "Gold Rush" The nonfiction story sets up the fiction story with interesting facts about the thousands of people who came to California hoping to strike it rich by finding a gold mine. "Moving On" The fiction story tells about a family that experiences the "boom" and "bust" associated with the California gold rush. They started with a successful business and ending up with nothing and having to move on. Questions & Activities Each story is followed by who, what, when, where, why, and how type questions. Additional skill-specific questions for each story include: Main Idea, Locating Information, Fact or Opinion, Sequencing, Cause & Effect, Conclusion, Inference, Summarizing, and Picture Interpretation. Vocabulary activities include: vocabulary matching, word search, and context. Details: Each short story is about 345 words and is written at a 3.3 to 4.6 reading level according to the Flesch-Kincaid Readability Scale. The interest level is grades 4 and up. Contents Include: • 2 high-interest, illustrated, short stories • 10 pages of questions and activities • Glossary • Answer Key • 18 total pages Bring history to life for students in grades 4–7 with The California Gold Rush! This 64-page book provides challenging activities that enable students to explore history, geography, and social studies topics. Activities include word searches, fact-or-opinion questions, and creative writing. The book includes answer keys, time lines, and suggested reading lists.
