AN INSTANT NEW YORK TIMES BESTSELLER In Talia Hibbert's newest rom-com, the flightiest Brown sister crashes into the life of an uptight B&B owner and has him falling hard—literally. Featured on Parade, PopSugar, Marie Claire, Oprah Mag, Bustle, Shondaland, CNN.com, Kirkus Magazine, Bookpage, USA Today, Bookish, Bookriot, and more! Eve Brown is a certified hot mess. No matter how hard she strives to do right, her life always goes horribly wrong. So she's given up trying. But when her personal brand of chaos ruins an expensive wedding (someone had to liberate those poor doves), her parents draw the line. It's time for Eve to grow up and prove herself—even though she's not entirely sure how... Jacob Wayne is in control. Always. The bed and breakfast owner's on a mission to dominate the hospitality industry and he expects nothing less than perfection. So when a purple-haired tornado of a woman turns up out of the blue to interview for his open chef position, he tells her the brutal truth: not a chance in hell. Then she hits him with her car—supposedly by accident. Yeah, right. Now his arm is broken, his B&B is understaffed, and the dangerously unpredictable Eve is fluttering around, trying to help. Before long, she's infiltrated his work, his kitchen—and his spare bedroom. Jacob hates everything about it. Or rather, he should. Sunny, chaotic Eve is his natural-born nemesis, but the longer these two enemies spend in close quarters, the more their animosity turns into something else. Like Eve, the heat between them is impossible to ignore... and it's melting Jacob's frosty exterior. What adventure does Ms. Irene have in store for Gregg, Latisha, Che'Quandra, and Tarrell? With a Bible in hand, these four Sunday school students travel back to the beginning, watching as the events of Adam and Eve unfold. The Colortile Kids, by Alicia Hall-Spencer, will encourage children to 'jump' into the Bible and search for their own ways to share the lessons of the Scripture and the love of the Lord. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Sex, violence, power, and redemption. In recent decades, scholars of New Testament and early Christian traditions have given new attention to the relationships between gender and imperial power in the Roman world. In this surprising work, Celene Lillie examines core passages from three Gnostic texts from Nag Hammadi, On the Origin of the World, The Reality of the Rulers, and the Secret Revelation of John, in which Eve is portrayed as having been humiliated by the cosmic powers, yet experiencing restoration. Lillie compares that pattern with Gnostic savior motifs concerning Jesus and Seth, then sets it in the broader context of Roman cosmogonic myths at play in imperial ideology. The Nag Hammadi texts, she argues, offer us a window into symbolic forms of Christian resistance to imperial ideology. This groundbreaking study highlights the importance of the Nag Hammadi writings for our fuller appreciation of the currents of Christian response to the Roman Empire and the culture of rape pervasive within it. Julie Metz's unforgettable account of her late mother's childhood in Nazi-occupied Austria and the parallels she sees in present-day America. Polnitz takes you through a breathtaking tour with an in-depth study of Eve in the Garden of Eden, which draws you deep inside the workings of God and the intentions for His daughter. The Eve Effect connects every woman to the decisions of Eve and her created purpose while challenging early biblical interpretations. This book will enlighten every woman's self-perception and empower them to reevaluate their identity and motivate them to reestablish their place in life. Polnitz destroys the iconic perception of Eve and her role in the fall of mankind. He uses the Word of God and years of counseling expertise to challenge your view on dating, sex, and marriage. Polnitz provides the reader with systematic steps to reconnect with God, enhance self-esteem, neutralize the dating game, and rethink their role as he outlines the proper way on how to find your Adam. The Eve Effect will have you taking notes chapter by chapter and thinking intentionally with every decision you make after its reading. Eve was the most hated child of the family. She was always treated as a slave in her own house. She was being punished for the mistake she had never made. Her mother made that mistake but in return, she had always hated Eve. Not just that, she had tried to kill Eve many times but every time she survived. Her brothers also hated her as well. Then one day they decided to punish her the worst way. They decided to sell Eve to their Master. The vampire who is known as the boogie man for all the children and demon for the adults. Everyone feared him. Will this be an opportunity for Eve or will her life be worse than death? From the author of the twenty-five-million-copy bestseller The Shack comes a captivating new novel destined to be one of the most talked-about books of the decade. Eve is a bold, unprecedented exploration of the Creation narrative, true to the original texts and centuries of scholarship—yet with breathtaking discoveries that challenge traditional beliefs about who we are and how we're made. Eve opens a refreshing conversation about the equality of men and women within the context of our beginnings, helping us see each other as our Creator does—complete, unique, and not constrained by cultural rules or limitations. When a shipping container washes ashore on an island between our world and the next, John the Collector finds a young woman inside—broken, frozen, and barely alive. With the aid of Healers and Scholars, John oversees her recovery and soon discovers that her genetic code connects her to every known race. No one would guess what her survival will mean... No one but Eve, Mother of the Living, who calls her “daughter” and invites her to witness the truth about her own story—indeed, the truth about us all. As The Shack awakened readers to a personal, non-religious understanding of God, Eve will free us from faulty interpretations that have corrupted human relationships since the Garden of Eden. Thoroughly researched and exquisitely written, Eve is a masterpiece that will inspire readers for generations to come. AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested

and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in. In *Breaking Eve's Curse*, Dr. Frank Hultgren gives biblical promise of healing for the body, mind, and emotions. He shares techniques addressing symptoms of illness in each of these areas. *Love Eve By: Eve Love Eve* addresses our relationship with God and our difficult social issues, failing at feeding the poor, the myths of climate change, and all we need to do to prepare for our quickly approaching end. In *Contraception And Abortion From The Ancient World To The Renaissance*, Riddle showed that women in ancient times relied on herbs to regulate fertility. In this volume, he shows that this ancient knowledge was not lost, but survived in coded form. In this compilation of essays demonstrating the application of psychological and spiritual principles to the women of the Bible, the reader will soon see the similarities between the lives of Biblical women and those of today. Just like 21st century "Eves," some are wise, brave, and faithful, and others are conniving, imprudent, and downright disagreeable. Then and now, women struggle with emotions, relationships, and personal choice as they navigate their way through life. Eve and her sisters felt apprehension, jealousy, and self-doubt. And like us, many squared their shoulders and faced their fears head on. With its themes of love, faith, individuality, and fulfillment, the Bible can actually be seen as a self-help book. Don't underestimate the power of these women who lived generations ago to reach across time and culture to touch our lives. A semi-retired educator with a background in psychology, Jayne is the author of four blogs and has published articles/stories in *Guideposts*, *The Petigru Review*, and two LDS magazines, the *Liahona* and the *Ensign*. She has also written two books, *Human Relations in Industry* and *Musings of a Missionary Mom*. *Eve's Song* is a short story of Eve as seen through her eyes. It begins at her creation by God and ends at the death of her beloved husband, Adam. She tells of her experiences in the garden of Eden, her temptation and fall, and life outside the garden. This, of course, is a novel; but it does not contradict the Bible. It expands on her possible feelings of joy and love and fears for her family and future. From the bestselling author of *The Vagina Monologues*-a powerful, life-changing examination of abuse and atonement. "A triumph of artistry and empathy." -Naomi Klein "A crucial step forward . . . This is an urgently needed book right now." -Jane Fonda "Courageous, transformative, and yes-healing." -Anne Lamott Like millions of women, Eve Ensler has been waiting much of her lifetime for an apology. Sexually and physically abused by her father, Eve has struggled her whole life from this betrayal, longing for an honest reckoning from a man who is long dead. After years of work as an anti-violence activist, she decided she would wait no longer; an apology could be imagined, by her, for her, to her. *The Apology*, written by Eve from her father's point of view in the words she longed to hear, attempts to transform the abuse she suffered with unflinching truthfulness, compassion, and an expansive vision for the future. Through *The Apology* Eve has set out to provide a new way for herself and a possible road for others, so that survivors of abuse may finally envision how to be free. She grapples with questions she has sought answers to since she first realized the impact of her father's abuse on her life: How do we offer a doorway rather than a locked cell? How do we move from humiliation to revelation, from curtailing behavior to changing it, from condemning perpetrators to calling them to reckoning? What will it take for abusers to genuinely apologize? Remarkable and original, *The Apology* is an acutely transformational look at how, from the wounds of sexual abuse, we can begin to re-emerge and heal. It is revolutionary, asking everything of each of us: courage, honesty, and forgiveness. What if the biblical creation account is true, with the origins of Adam and Eve taking place alongside evolution? Building on well-established but overlooked science, S. Joshua Swamidass explains how it's possible for Adam and Eve to be rightly identified as the ancestors of everyone, opening up new possibilities for understanding Adam and Eve consistent both with current scientific consensus and with traditional readings of Scripture. Eve and Villanelle plan for a high-stakes showdown in this sophisticated follow-up to the spy thriller that inspired the hit TV series *Killing Eve*. "If you want us to remain silent -- if you want to retain your freedom, your job, and your reputation -- you need to tell us everything, and I mean everything. . ." We last saw Eve and Villanelle in a spy vs. spy race around the world, crossing powerful criminal organizations and dangerous governments, each trying to come out on top. But they aren't finished yet. In this sequel to *Killing Eve: Codename Villanelle*, former M16 operative Eve reveals a new side to her strengths, while coming ever closer to a confrontation with Villanelle, the evasive and skilled assassin. Find your way to the heart of God, where you will discover all you need to fulfill His purposes for your life. In Genesis 3 the serpent came to Eve and within moments caused her to think she was lacking something. When she looked at the forbidden tree, she saw that it was pleasant to the eyes, good for food, and had the power to make one wise. Although she already possessed beauty, provision, and an intimate relationship with God, she thought she needed more. So she ate the fruit and lost the comfort and security of the garden because she doubted God. Many women today are falling into the same trap. We allow Satan to convince us we aren't enough, when in fact we are already complete in Christ. *Finding Eve* follows Eve's journey to find her way back to God's heart and to discover her true identity as a daughter of God. This book is designed to encourage women who may be facing disappointment, the fallout from bad choices, or the pain of unfilled dreams. It will offer hope and equip them to be all they were intended to be in the kingdom of God. The Adam and Eve stories are a foundational myth in the Jewish and Christian worlds, and the way they were recounted reveals a great deal about those doing the retelling. How did the Armenians retell these stories? What values do these retellings express about men and women, their life in the world, sin and redemption? Presented here are twelve hundred years of Armenian telling of the Genesis 1-3 stories in an unparalleled collection of all significant narratives of Adam and Eve in Armenian literature—prose and poetry, homilies and commentaries, calendary and mathematical texts—from its inception in the fifth century to the seventeenth century. This seminal resource contributes to the lively current discussion of how biblical and apocryphal traditions were retold, embroidered, and transformed into the lenses through which the Bible itself was read. This anthology surveys more than 2,000 years of Jewish, Christian, and Muslim commentary and debate on the biblical story that continues to raise questions about what it means to be a man or to be a woman. The basis for *KILLING EVE*, now a major BBC TV series, starring Sandra Oh, written by Phoebe Waller-Bridge 'Gloriously exciting' *Metro* She is the perfect assassin. A Russian orphan, saved from the death penalty for the brutal revenge she took on her gangster father's killers. Ruthlessly trained. Given a new life. New names, new faces - whichever fits. Her paymasters call themselves The Twelve. But she knows nothing of them. Konstantin is the man who saved her, and the one she answers to. She is Villanelle. Without conscience. Without guilt. Without weakness. Eve Polastri is the woman who hunts her. MI5, until one error of judgment costs her everything. Then stopping a ruthless assassin becomes more than her job. It becomes personal. Originally published as ebook singles: *Codename Villanelle*, *Hollowpoint*, *Shanghai* and *Odessa*. *Villanelle: No Tomorrow* is available for pre-order now! Praise for *Killing Eve* TV series 'A dazzling thriller . . . mightily entertaining' *Guardian* 'Entertaining, clever and darkly comic' *New York Times* The time has come for the battle to decide the raintrees' fate... War with their archrival, the evil Ansara clan, is unavoidable. For *Mercy Raintree*, a war means she must assume her position as guardian of the Sanctuary—the sacred Raintree home place deep in the Smoky Mountains. But doing so threatens to disclose her most prized secret—one Mercy has kept to herself for six years. As the solstice looms and the battle heats up, Dranir Judah Ansara gathers his forces, intending to wipe every Raintree from the face of the land. Including Mercy, whom he's claimed as his to kill. Then he comes face-to-face with a secret that could change not only the outcome of the battle—but also Judah's own bitter heart? Originally published in 2007 *It's 2054*, and all the cities in the country are ruled by the Democrats (DemonRats) and have been since 2020. People are not allowed to leave their homes or be murdered by the demonites, who are employed by the DemonRats. The people's every waking minute is controlled by the DemonRats-even the length of time used to take a shower-or face punishment or euthanization. Eve, sixteen years old, is about to be married off to a stranger and moved to their marriage home. Her parents, who remembered what life was like before DemonRat control, didn't want Eve to suffer the way everyone in the city does. So they hatch a plan to help her get out of a city and into the country-the DemonRats had no control in the country because the countryfolk fought back-where Eve can experience what life should be, where she could feel the grass under her feet and breathe the fresh air and eat real food. After a dangerous journey avoiding the demonites, Eve finds help from a family in the country and begins to learn what life is about, but she has to be taught how to eat real food, take a bath, brush her teeth, etc. She is finally happy and enjoying being alive until she and her new family learn that a demonite compound is being built not too far away, and a battle ensues. The family prepares to protect Eve and themselves even to the death. Unlike those who are expected to place their hand on its cover and make an oath, the Bible does not tell the truth, the whole truth, and nothing but the truth. The biblical authors only told theirs. Even the women actually named are remarkably silent, making it easy to believe whatever has been said about their lives throughout the ages. The biblical story of Eve impacts modern society on both a conscious and subconscious level. Are you aware that the authors of the Garden of Eden creation

narrative were greatly influenced by the Persians in the fifth century BCE--maybe even taking the basic story from them? Did you know Adam had a wife prior to Eve, the equality-demanding Lilith? Do you think it is possible for a single mother to have populated this planet? It is well past the time for all of this to be common knowledge. "Infamous Eve" includes many legends, stories, and folktales--even that of Eve also being the snake in the Garden of Eden--but first May Sinclair delves into the genetically induced response that has been handed down as a physical, emotional, and psychological inheritance to modern people. She rips open the seams of the historical records to see the weave of the religious, economic, and political threads that have endlessly rolled out the same pattern of notions about Eve and her daughters. Journalist, party girl, bookworm, artist, muse: by the time she'd hit thirty, Eve Babitz had played all of these roles. Immortalized as the nude beauty facing down Duchamp and as one of Ed Ruscha's Five 1965 Girlfriends, Babitz's first book showed her to be a razor-sharp writer with tales of her own. Eve's Hollywood is an album of vivid snapshots of Southern California's haute bohemians, of outrageously beautiful high-school ingenues and enviably tattooed Chicanas, of rock stars sleeping it off at the Chateau Marmont. And though Babitz's prose might appear careening, she's in control as she takes us on a ride through an LA of perpetual delight, from a joint serving the perfect taquito, to the corner of La Brea and Sunset where we make eye contact with a roller-skating hooker, to the Watts Towers. This "daughter of the wasteland" is here to show us that her city is no wasteland at all but a glowing landscape of swaying fruit trees and blooming bougainvillea, buffeted by earthquakes and the Santa Ana winds—and every bit as seductive as she is. First published in 1973, *The Book of Eve* has become a classic. When Eva Carroll walks out on her husband of 40 years, it is an unplanned, completely spontaneous gesture. Yet Eva feels neither guilt nor remorse. Instead, she feels rejuvenated and blissfully free. As she builds a new life for herself in a boarding house on the "wrong" side of Montreal, she finds happiness and independence – and, when she least expects it, love. This book traces how four early Renaissance masters represented the Creation of Eve, which showed woman rising weightlessly from Adam's side at God's command. Milton's Ovidian Eve presents a fresh and thorough exploration of the classical allusions central to understanding *Paradise Lost* and to understanding Eve, one of Milton's most complex characters. Mandy Green demonstrates how Milton appropriates narrative structures, verbal echoes, and literary strategies from the *Metamorphoses* to create a subtle and evolving portrait of Eve. Each chapter examines a different aspect of Eve's mythological figurations. Green traces Eve's development through multiple critical lenses, influenced by theological, ecocritical, and feminist readings. Her analysis is gracefully situated between existing Milton scholarship and close textual readings, and is supported by learned references to seventeenth-century writing about women, the allegorical tradition of Ovidian commentary, hexameral literature, theological contexts and biblical iconography. This detailed scholarly treatment of Eve simultaneously illuminates our understanding of the character, establishes Milton's reading of Ovid as central to his poetic success, and provides a candid synthesis and reconciliation of earlier interpretations. Annotation Fifteen essays from biblical scholars consider the reception of the biblical stories of Cain, Abel, and Seth in various Jewish and Christian traditions. They examine early rewritings and interpretations of these stories both within mainstream and more marginal or sectarian groups. Three essays examine how the stories were re-used in modern fiction, including Steinbeck's . The papers were originally presented at a symposium held at the U. of Groningen in 2001. Annotation 2004 Book News, Inc., Portland, OR (booknews.com). The *Oxford Handbook of Marian Studies* offers an interdisciplinary guide to Marian Studies, including chapters on textual, literary, and media analysis; theology; Church history; art history; studies on devotion in a variety of forms; cultural history; folk tradition; gender analysis; apparitions and apocalypticism. Featuring contributions from a distinguished group of international scholars, the Handbook looks at both Eastern and Western perspectives and attempts to correct imbalance in previous books on Mary towards the West. The volume also considers Mary in Islam and pilgrimages shared by Christian, Muslim, and Jewish adherents. While Mary can be a source of theological disagreement, this authoritative collection shows Mary's rich potential for inter-faith and inter-denominational dialogue and shared experience. It covers a diverse number of topics that show how Mary and Mariology are articulated within ecclesiastical contexts but also on their margins in popular devotion. Newly-commissioned essays describe some of the central ideas of Christian Marian thought, while also challenging popularly-held notions. This invaluable reference for students and scholars illustrates the current state of play in Marian Studies as it is done across the world. What happened to Adam and Eve after their expulsion from paradise? Where the biblical narrative fell silent apocryphal writings took up this intriguing question, notably including the Early Christian Latin text, the *Life of Adam and Eve*. This account describes the (failed) attempt of the couple to return to paradise by fasting whilst immersed in a river, and explores how they coped with new experiences such as childbirth and death. Brian Murdoch guides the reader through the many variant versions of the *Life*, demonstrating how it was also adapted into most western and some eastern European languages in the Middle Ages and beyond, constantly developing and changing along the way. The study considers this development of the apocryphal texts whilst presenting a fascinating insight into the flourishing medieval tradition of Adam and Eve. A tradition that the Reformation would largely curtail, stories from the *Life* were celebrated in European prose, verse and drama in many different languages from Irish to Russian. Women play an immensely important role in the Bible: from Eve to the Virgin Mary, Sarah to Mary Magdalene, Naomi to the anonymous woman suffering severe menstrual bleeding who was healed by Jesus. They are a sisterhood of faith. As such, they challenge many of our assumptions about the role of women in the development of the biblical story; about the impact of faith on lives lived in the 'heat and dust' of the real world. Here we will meet the prostitute who ended up in the genealogy of Jesus, a national resistance fighter, a determined victim of male sexual behaviour who challenged patriarchal power, a far from meek and mild mother of Jesus, a woman whose life has been so misrepresented that she is now the subject of the most bizarre conspiracy theories, and more. Renowned historians and Biblical scholars, Martyn and Esther Whittock, take the reader on a fascinating journey, one unafraid to ask difficult questions, such as, 'Was Eve set up to fall?' She needed a plan. What she found was a marquis... Lady Evie Windham has a secret to keep, and a wedding night would ruin everything. She's determined to avoid marriage as long as possible, but with her parents pushing potential partners her way from every direction, she needs a miracle. When she meets Lucas Denning, the newly titled Marquis of Deene, Evie knows he could be the answer. Lucas Denning has a secret of his own, and he's finding it harder and harder to ward off the ladies who seem to think him a suitable husband. He doesn't think they'd be so keen if they knew of the gambling debts he inherited and can't repay. When Lady Evie suggests that they could be each other's decoy, it seems like the perfect way to keep all eyes off of him for a while. What he didn't expect was the steamy kiss that no one was supposed to see, and that he never saw coming... "Captivating... [Burrowes] masterfully turns a simple kiss into an exceptional moment ripe with anticipation."—Publishers Weekly "Touching and hypnotic...a beautifully unfolding love story."—Night Owl Reviews TOP PICK "Intelligent, well written and fabulously passionate... Grace Burrowes always delivers a delectable story."—The Romance Review "A cleverly written, passion-filled historical romance that will keep readers eagerly turning the pages."—Romance Junkies
