Italy Ti Amo Aug 16 2022

Ti Amo Aug 04 2021 A bloody Mafia war has ravaged the southern region of Italy. Every man, woman, and child born under the name Calderone must be made to atone. That is the law. After two years of blood and bullets, the men sworn to follow without question find themselves wanting peace. But how can there be peace when the one person able to save their Don from the destructive path he is on is beyond their reach. Or is she? Mira Ellison lives...It's 1991 and Mira has learned how to begin again. Her best friend is dead, and the fashion empire she built from scratch is now gone. All she has left is the fleeting memory of a bittersweet love, and a mocha-brown baby with her father's eyes. She now has one single goal, to survive. She must protect her baby and hide from the Mafia men she is convinced are out to kill her. But is it all a lie? Soon Mira finds herself confronted by her past, and face to face with the man she loves but doesn't trust. And Giovanni Battaglia is furious. He gives Mira a choice. She can become his Donna or be his enemy. And this time Mira has more than her life to lose.

Ti Amo Oct 18 2022 The day Alessandra Rossi was born, her mamma died, and a loveless life with the father who blamed the newborn for her mother's death followed. With the help of her oldest brother, Rafaele, Alessa moved away from home the moment she finished school--just like her other siblings had. Now sporting a degree in architectural history and archaeology, Alessa loves her job as a tour guide in the city of Rome--a place where she never fails to draw the attention of men. Not that Alessa cares. Fearing that the man she weds would be anything like

her recently deceased father has Alessa vowing to remain single. American missionary Michael Young has moved to Rome on a two-year mission trip. His temporary future in the country doesn't stop him from spontaneously joining Alessa's tour after spotting her outside the Colosseum. And being bold enough to tell her afterward that one day she'd be his wife. God had told him. And he believed Him. But Alessa shows no sign of interest in Michael. Can anything sway the beautiful and headstrong Italian to fall in love? Can anyone convince her to put her faith and hope in the Heavenly Father, despite being raised by an earthly one who never loved her? Will her sister's prompting, or a mysterious painting, or Michael himself change Alessa's mind? About love. And about God.

Ti Amo Davvero Dec 08 2021 Ti Amo Davvero è un romanzo dedicato al magico mistero dell'INNAMORAMENTO. Non si può nemmeno dire che sia un romanzo d'amore, perché la storia di Linda ed Andrea si muove nell'attimo prima di... In quel breve periodo di grazia fatto di emozioni, batticuore, scoperta... Quando è tutto un miracolo che si smuove. Fuori e dentro di noi. Gli INNAMORAMENTI - a volte fugaci, passeggeri, non-corrisposti, dolorosi - sono la ginnastica del cuore che si prepara all'Amore. Questo è TI AMO DAVVERO. Lo apri e TI INNAMORI. Ti innamori di Linda che vorrebbe che l'innamoramento non finisse mai e s'innamora sempre ma - per paura - non ama mai. Ti innamori di Andrea che fa tanto il figo e il Don Giovanni, ma che in cuor suo cerca un'anima affine con cui condividere emozioni e sentimenti. Poi ci sono Nico, Francesca,

Daniele... Tutti con la loro storia. Tutti con il loro personalissimo modo d'amare. In un gioco di intrecci, tra ferite del passato e speranze per il futuro, TI AMO DAVVERO è un viaggio attraverso quei sentimenti che ci rendono immensamente umani. Fino alla fine. Per poi ricominciare. Perchè... Si sa... SI RICOMINCIA SEMPRE DA UNA FINE.

Ti Amo Feb 22 2023 A penetrating study of passion, suffering, and loss from one of Norway's most tenacious writers: National Book Award Finalist and PEN translation prize winner Hanne Ørstavik Celebrated throughout the world for her candor and sensitivity to the rhythms of language, Hanne Ørstavik is a leading light on the international stage. Ørstavik writes with "a compulsion for truth that feels like [her] very life force itself." Laced with a tingling frankness, Ørstavik's prose adheres so closely to the inner workings of its narrator's mind as to nearly undo itself. In Martin Aitken's translation, Ørstavik's

piercing story sings. Ti Amo brings a new, deeply personal approach, as the novel is based in Ørstavik's own experience of losing her Italian husband to cancer. By facing loss directly, she includes readers in an experience that many face in isolation. Written and set in the early months of 2020, its themes of loss and suffering are particularly well suited for a time of international mourning. What can be found within a gaze? What lies inside a painting or behind a handful of repeated words? These are the questions that haunt our unnamed narrator as she tends to her husband, stricken with cancer, in the final months of his life. She examines the elements of their life together: their Vietnamese rose-colored folding table where they eat their meals, each of the New Year's Eves they've shared, their friendships, and their most intimate exchanges. With everything in flux, she searches for the facets that will remain.

Ti amo Jun 14 2022 Parleremo dell amore erotico, la passione amorosa, l amore degli amanti, l amore degli sposi, l amore di coppia: l amore che ci fa dire ti amo . Cercheremo di capire come sorge, come si sviluppa, perché declina o perché dura. Esso, infatti, può nascere lentamente dall amicizia o apparire bruscamente come un colpo di fulmine, può essere un infatuazione passeggera di pochi giorni o di pochi mesi. Oppure durare molti anni, anche tutta la vita. Può essere fatto di sessualità torrida o di dolce tenerezza. Può restare una passione insoddisfatta o sbocciare in un matrimonio. Può spegnersi nella monotonia o, invece, conservare la freschezza vibrante delle

Ti amo Jan 21 2023 "Jeg elsker deg. Vi sier det til hverandre hele tiden. Vi sier det, i stedet for å si noe annet. Hva skulle det andre ha vært? Du: Jeg holder på å dø. Vi: Ikke gå fra meg. Jeg: Jeg vet ikke hva jeg skal gjøre. Før: Jeg vet ikke hva jeg skal gjøre uten deg. Når du ikke er her mer. Nå: Jeg vet ikke hva jeg skal gjøre med disse dagene, denne tiden, hvor døden er det mest synlige i alle ting. Jeg elsker deg. Du sier det om natten når du våkner av smertene eller mellom to drømmer og strekker armen ut etter meg. Jeg sier det til deg når jeg finner skallen din som er blitt liten og rund i hånda mi nå som håret ditt nesten er borte, når jeg stryker deg litt for å

forsøke å få deg til å snu deg så du slutter å snorke. Jeg elsker deg." Høsten 2018 får mannen hennes en alvorlig kreftdiagnose. Det er ikke lenge siden hun flyttet til Italia for å leve sammen med ham der. De har giftet seg, de elsker hverandre, de er så nære. Hun vet at han skal dø, legene har sagt det til henne, men vet han det egentlig selv? Døden er der hele tiden mellom dem, men er blitt noe de ikke kan snakke om. "Ti amo" er en roman skrevet tett på virkeligheten. Det er en opprivende, skakende og øm roman, en roman om sorg, om ensomheten døden skaper, men også om dyp kjærlighet og om å åpne seg og ta livet til seg.
