Star Trek: the Official Guide to the Animated Series Sep 23 2020 The first and only guide to the beloved and star-studded Star Trek: The Animated Series, the in-canon (mostly) continuation of the iconic Star Trek: Original Series. Star Trek: The Animated Series (TAS) was a critical success, airing 22 episodes over two seasons and earning the franchise its first Emmy Award in 1975. The show featured the voices of almost the entire original cast, including William Shatner and Leonard Nimoy, along with the original series writers Dorothy Fontana ("Journey to Babel"), David Gerrold ("The Trouble with Tribbles"), acclaimed science-fiction author Larry Niven, and many more. Star Trek: The Official Guide to The Animated Series reveals the efforts it took to translate Star Trek: The Original Series into animated form, with a Databank illustrating how the animated series ties into other Star Trek shows. This book provides fans with behind-the-scenes production documents, never-before-seen art, and all-new interviews with the people who produced the Enterprise's new animated adventures.

Official Guide to Hiking the Grand Canyon Jan 28 2021 More than four million people visit the Grand Canyon National Park every year, but most visitors choose not to stray beyond the heavily visited trails or to venture below the Canyon's rims. The rim trails and the routes to the inner canyon offer solitude and expose beauty vastly different from what can be seeing from the developed areas of the Rims. This edition of the Official Guide to Hiking Grand Canyon provides an overview of all the park's major trails, with notations about difficulty levels, conditions, water sources, distances from point to point and elevation gain and losses.

The Official Guide to Randonautica Jul 14 2022 Break free from your usual routine and find adventure in your own neighborhood with this official field guide to the popular Randonautica app. Randonauts everywhere are exploring the world outside of their usual daily routes and expanding their previous understandings of the mind-matter connection. They are finding that once they arrive, there is often an eerily spot-on connection to the intention they set before generating the coordinates. Or they simply discover a place they haven't been before. In The Official Guide to Randonautica, the creators of the popular app explain how the intentions from the user translate to randomly generated coordinates, and all the theories about why users' set intentions can be so closely related to what they find at the given location. This book gives you the opportunity to log your experiences so you can make the most of what you discover on these journeys. Whether you're a new randonaut or a seasoned expert, this book is the perfect field guide for your next adventure.
