These essential guides give parents practical information they need to guide them from pregnancy through baby's toddler years. The experts in child development offer a way to help your child break free from an MTV attention span!

Filled with 151 easy-to-do strategies and activities, Robin McClure gives the best tips for helping children get excited and make the most of their school day, every day. The experts in child development now bring today's busy working parents an easy-to-use guide on how to teach children to be creative! After a summer of fun, helping children start the school year with the right attitude can make or break the

level of success that year. In *151 Ways to Start the School Year Right*, Robin McClure offers parents easy-to-do strategies and activities for helping children start the year off on the right foot: Begin adjusting sleep schedules at least three weeks prior to the day of school. Proclaim the day before the school year starts as belonging to your child. Role play with your child what the school day will be like. Families with school-age children average \$563.49 back-to-school merchandise. Offers advice and strategies on how to make potty training a more pleasurable experience for the entire family, ranging from detecting signs of readiness to handling public accidents. Provides lists of selling prices of items found on eBay in such categories as antiques, boats, books, cameras, coins, collectible dolls, DVDs, real estate, stamps, tickets, and video games. *The Potty Training Answer Book* breaks down the top 200 questions parents ask when faced with the potty-training challenge. Compiled through both her own experiences and Q&A sessions with parents, parenting expert Karen Deerwester covers the difficult—and funny—questions you'll encounter with detailed advice and information. Real-world answers to all your potty-training questions: What is the average age for girls to be potty trained? What is the average age for boys to be potty trained? Does a child's temperament affect the chances of potty training accidents? What words should I use for body parts and bodily functions? Is nighttime potty training different than daytime potty training? Can rewards be a positive potty strategy? Written in an easy-to-read question-and-answer format, *The Potty Training Answer Book* gives you indispensable tips and techniques to help you keep the potty-training process as easy and painless as possible for both you and your child. *The Playskool Guide to Sleep Solutions* offers parents a wealth of essential information and practical advice to soothe crying and help their child sleep through the night. From infants to toddlers to school-age children, this book is packed with expert techniques to: --Calm crying --Help the child build a sleep

pattern --Deal with colic --Address nightmares and night terrors  
--Correct common mistakes parents make --And much more Also  
includes a CD containing lullabies to help children get to sleep and  
stay asleep through the night. Old Lady Prune asks Mr. Potato  
Head to buy some groceries for dinner. But he loses the list and has  
to rely on his memory. Uh-oh! Mr. Potato Head mixes up the  
groceries, but he does remember the most important item. The  
information-packed, practical guide to your baby's wonderful first  
year Your baby's first year is filled with new experiences and  
important choices. Written by M.D. (and father of four) Jamie Loel
