Related Link(s) The next installment in the immensely successful Q&A a Day series focuses on practicing mindfulness, encouraging self-growth, and building a more meaningful life. In the classic Q&A format, this journal was created to help you track your emotional, psychological, and spiritual growth over five years of your life in the simplest way possible. You can start at any point in the year. Simply turn to today's date, and take a few moments to answer the question at the top of the page (or don't answer it; it's your journal). When you finish the year, move on to the next section. As the years go by you'll notice how your answers change (or don't). The questions have been developed to encourage you to look inside, dig down deep, and explore what makes you you. The diary can be started on any day of the year and is an ideal tool for introspection. This question-and-answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago. Not a traditional history book, this group of questions is presented in an apparently random order, and the answers occasionally meander off topic, as if part of a casual conversation.

After thirty years of missed connections, they're about to meet again... Minnie Cooper knows two things with certainty: that her New Year's birthday is unlucky, and that it's all because of Quinn Hamilton, a man she's never met. Their mothers gave birth to them at the same hospital just after midnight on New Year's Day, but Quinn was given the cash prize for being the first baby born in London in 1990--and the name Minnie was meant to have, as well. With luck like that, it's no wonder each of her birthdays has been more of a disaster than the one before. When Minnie unexpectedly runs into Quinn at a New Year's party on their mutual thirtieth birthday, she sees only more evidence that fortune has continued to favor him. The gorgeous, charming business owner truly seems to have it all--while Minnie's on the brink of losing her pie-making company and her home. But if

Quinn and Minnie are from different worlds, why do they keep bumping into each other? And why is it that each fraught encounter leaves them both wanting more? A moving, joyful love story, *This Time Next Year* explores the way fate leads us to the people we least expect--no matter what the odds.

An inspiring five year journal to get anybody writing and remembering. “A beautiful debut, funny, tender, and animated by a willingness to confront life’s obstacles and find a way to survive. . . . It celebrates friendship,

finds meaning in difficulty and lets the reader explore dark places while always allowing for the possibility of light. Lenni and Margot are fine companions for all our springtime journeys.”—Harper’s Bazaar, UK A charming, fiercely alive and disarmingly funny debut novel in the vein of John Green, Rachel Joyce, and Jojo Moyes—a brave testament to the power of living each day to the fullest, a tribute to the stories that we live, and a reminder of our unlimited capacity for friendship and love. An extraordinary friendship. A lifetime of stories. Seventeen-year-old Lenni Pettersson lives on the Terminal Ward at the Glasgow Princess Royal Hospital. Though the teenager has been told she’s dying, she still has plenty of living to do. Joining the hospital’s arts and crafts class, she meets the magnificent Margot, an 83-year-old, purple-pajama-wearing, fruitcake-eating rebel, who transforms Lenni in ways she never imagined. As their friendship blooms, a world of stories opens for these unlikely companions who, between them, have been alive for one hundred years. Though their days are dwindling, both are determined to leave their mark on the world. With the help of Lenni’s dotting palliative care nurse and Father Arthur, the hospital’s patient chaplain, Lenni and Margot devise a plan to create one hundred paintings showcasing the stories of the century they have lived—stories of love and loss, of courage and kindness, of unexpected tenderness and pure joy. Though the end is near, life isn’t quite done with these unforgettable women just yet. Delightfully funny and bittersweet, heartbreaking yet ultimately uplifting, *The One Hundred Years of Lenni and Margot* reminds us of the preciousness of life as it considers the legacy we choose to leave, how we influence the lives of others even after we’re gone, and the wonder of a friendship that transcends time.

a lot of courage and sacrifice."--Reese Witherspoon After the death of her beloved grandmother, a Cuban-American woman travels to Havana, where she discovers the roots of her identity--and unearths a family secret hidden since the revolution... Havana, 1958. Miami, 2017. Freelance writer Marisol Ferrera grew up hearing romantic stories of Cuba from her late grandmother Elisa, who was forced to flee with her family during the revolution. Elisa's last wish was for Marisol to scatter her ashes in the country of her birth. Arriving in Havana, Marisol comes face-to-face with the contrast of Cuba's tropical, timeless beauty and its perilous political climate. When more family history comes to light and Marisol finds herself attracted to a man with secrets of his own, she'll need the lessons of her grandmother's past to help her understand the true meaning of courage. A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans.

See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
