En español is a multi-level Spanish program for middle school and high school that provides a balanced approach to proficiency and grammar along with interdisciplinary features and projects to build confident communicators. Provides the answers to the activities in the Student Activities Manual. Contains answers to the questions in the Cuaderno de ejercicios, giving students the opportunity to check their own work. ¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups. The Caminos Spanish course places emphasis on

cultural awareness of Spain and Spanish-speaking countries, providing pupils with an informed insight into the lives and concerns of their peers overseas. The communicative approach of the series means that pupils are encouraged from the start to express themselves, their feelings and opinions in the target language, acquiring all the language skills they need for effective communication. **A QUE SÍ!** is a provocative post-intermediate Spanish conversation book designed to increase students' awareness of Hispanic culture. The text encourages critical thinking while challenging the students' ability to express themselves in Spanish, by providing them with an opportunity for in-depth exploration of relevant contemporary issues. The Fourth Edition presents four main themes around which all the text and supplemental materials revolve: **Espacios: Públicos y privados, Encuentros y desencuentros, Patria/Nación: Acercamientos, and De acá para allá.** Each thematic unit is supported by creative activities and engaging authentic materials. Both Spain and Latin American countries are represented, as are male and female writers, and a few of the different ethnic groups that comprise Hispanic culture. **Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.**
