From the author of the highly acclaimed *The Story of Land and Sea* comes a captivating novel, set in the late eighteenth-century American South, that follows a singular group of companions—an escaped slave, a white orphan, and a Creek Indian—who are being tracked down for murder. In 1788, three men converge in the southern woods of what is now Alabama. Cat, an emotionally scarred white man from South Carolina, is on the run after abandoning his home. Bob is a talkative black man fleeing slavery on a Pensacola sugar plantation, Istilicha, edged out of his Creek town's leadership, is bound by honor to seek retribution. In the few days they spend together, the makeshift trio commits a shocking murder that soon has the forces of the law bearing down upon them. Sent to pick up their trail, a probing French tracker named Le Clerc must decide which has a greater claim: swift justice, or his own curiosity about how three such disparate, desperate men could act in unison. Katy Simpson Smith skillfully brings into focus men whose lives are both catastrophic and full of hope—and illuminates the lives of the women they left behind. Far from being anomalies, Cat, Bob, and Istilicha are the beating heart of the new America that Le Clerc struggles to comprehend. In these territories caught between European, American, and Native nations, a wilderness exists where four men grapple with the importance of family, the stain of guilt, and the competing forces of power, love, race, and freedom—questions that continue to haunt us today. Describes the operation involving Resistance fighters, Allied commanders, and French citizens that resulted in the liberation of Paris in 1944 from German occupation and ultimately helped shape the outcome of World War II. A lush and haunting novel of a city steeped in decadent pleasures . . . and of a man, proud and defiant, caught in a web of murder and betrayal. It is 1833. In the midst of Mardi Gras, Benjamin January, a Creole physician and music teacher, is playing piano at the Salle d'Orleans when the evenings festivities are interrupted—by murder. Ravishing Angelique Crozat, a notorious octoroon who travels in the city's finest company, has been strangled to death. With the authorities reluctant to become involved, Ben begins his own inquiry, which will take him through the seamy haunts of riverboatmen and into the huts of voodoo-worshipping slaves. But soon the eyes of suspicion turn toward Ben—for, black as the slave who fathered him, this free man of color is still the perfect scapegoat. . . . Praise for *A Free Man of Color* “A smashing debut. Rich and exciting with both substance and spice.”—Star Tribune, Minneapolis “A sparkling gem.”—King Features Syndicate “An astonishing tour de force.”—Margaret Maron “Superb.”—Drood Review of Mystery

"A darned good murder mystery."—USA Today Since its publication twenty-five years ago, *Free Soil, Free Labor, Free Men* has been recognized as a classic, an indispensable contribution to our understanding of the causes of the American Civil War. A key work in establishing political ideology as a major concern of modern American historians, it remains the only full-scale evaluation of the ideas of the early Republican party. Now with a new introduction, Eric Foner puts his argument into the context of contemporary scholarship, reassessing the concept of free labor in the light of the last twenty-five years of writing on such issues as work, gender, economic change, and political thought. A significant reevaluation of the causes of the Civil War, Foner's study looks beyond the North's opposition to slavery and its emphasis upon preserving the Union to determine the broader grounds of its willingness to undertake a war against the South in 1861. Its search is for those social concepts the North accepted as vital to its way of life, finding these concepts most clearly expressed in the ideology of the growing Republican party in the decade before the war's start. Through a careful analysis of the attitudes of leading factions in the party's formation (northern Whigs, former Democrats, and political abolitionists) Foner is able to show what each contributed to Republican ideology. He also shows how northern ideas of human rights—in particular a man's right to work where and how he wanted, and to accumulate property in his own name—and the goals of American society were implicit in that ideology. This was the ideology that permeated the North in the period directly before the Civil War, led to the election of Abraham Lincoln, and led, almost immediately, to the Civil War itself. At the heart of the controversy over the extension of slavery, he argues, is the issue of whether the northern or southern form of society would take root in the West, whose development would determine the nation's destiny. In his new introductory essay, Foner presents a greatly altered view of the subject. Only entrepreneurs and farmers were actually "free men" in the sense used in the ideology of the period. Actually, by the time the Civil War was initiated, half the workers in the North were wage-earners, not independent workers. And this did not account for women and blacks, who had little freedom in choosing what work they did. He goes on to show that even after the Civil War these guarantees for "free soil, free labor, free men" did not really apply for most Americans, and especially not for blacks. Demonstrating the profoundly successful fusion of value and interest within Republican ideology prior to the Civil War, *Free Soil, Free Labor, Free Men* remains a classic of modern American historical writing. Eloquent and influential, it shows how this ideology provided the moral consensus which allowed the North, for the first time in history, to mobilize an entire society in modern warfare. This collection includes all four Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series. *The Wee Free Men*: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men. Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . . *A Hat Full of Sky*: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! What Tiffany doesn't know is that an insidious, disembodied creature is pursuing her. In the end, it will take all of Tiffany's inner strength to save herself ... if it can be done at all. *Wintersmith*: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring—Spring won't come. *I Shall Wear Midnight*: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with her. . . . The first in-depth account of an African American institution that spans the history of the American Republic. Learn step-by-step how you can create a high-income, low-work business, as well as relationships with women based on freedom instead of rules and drama. If you're a man who: - Doesn't make enough money - Has trouble attracting women - Has problems maintaining quality relationships with women - Has difficulty hitting your big goals - Has work that consumes too much of your life - Has trouble staying motivated - Tends to have lots of "drama" in your relationships ...then this book was written specifically for YOU. It's over 400 pages of proven

principles and techniques that have been successfully used by men all over the Western world. Because of rapidly changing technology and cultural norms, for the first time in history a man can live truly as he desires. He can truly be free, both in his business life and woman life, even if he's committed to one special girl. In *The Unchained Man: The Alpha Male 2.0*, you will learn specific, step-by-step techniques to: - Design a low-work, high-income business that you can run from anywhere with no employees. - Design the perfect type of relationship for you: casual, very serious and committed, or something in-between. One where you can love a woman but still be free to do whatever you want without having to "check in" with anyone. - Design an entire life structured to make you happier. - Be more focused on your big goals while still maintaining personal freedom and happiness. Hit those goals faster! - Dramatically improve your dating and sex life. - Better manage your time and reduce stress. - Overcome mental blocks to your own happiness, most of which you don't even know are there! - Be more confident. - Look better. - Integrate women, or that one special woman, into your life with fewer restrictions on your happiness, freedom, and masculinity. - Make more money from fewer hours of work. - Get your income up fast! - Raise happy children (if kids are something you want). - And much more! Thousands of men all over the world have already improved their work lives, relationship lives, sex lives, personal freedom, and happiness by living the lifestyle of the Alpha Male 2.0. Join us! It's a very good place to be, and it's all in this book.

When a Civil War substitute broker told business associates that "Men is cheap here to Day," he exposed an unsettling contradiction at the heart of the Union's war effort. Despite Northerners' devotion to the principles of free labor, the war produced rampant speculation and coercive labor arrangements that many Americans labeled fraudulent. Debates about this contradiction focused on employment agencies called "intelligence offices," institutions of dubious character that nevertheless served the military and domestic necessities of the Union army and Northern households. Northerners condemned labor agents for pocketing fees above and beyond contracts for wages between employers and employees. Yet the transactions these middlemen brokered with vulnerable Irish immigrants, Union soldiers and veterans, former slaves, and Confederate deserters defined the limits of independence in the wage labor economy and clarified who could prosper in it. *Men Is Cheap* shows that in the process of winning the war, Northerners were forced to grapple with the frauds of free labor. Labor brokers, by helping to staff the Union military and Yankee households, did indispensable work that helped the Northern state and Northern employers emerge victorious. They also gave rise to an economic and political system that enriched the managerial class at the expense of laborers--a reality that resonates to this day. When Abraham Lincoln helped create the Republican Party on the eve of the Civil War, his goal was to promote economic opportunity for all Americans, not just the slaveholding Southern planters who steered national politics. Yet, despite the egalitarian dream at the heart of its founding, the Republican Party quickly became mired in a fundamental identity crisis. Would it be the party of democratic ideals? Or would it be the party of moneyed interests? In the century and a half since, Republicans have vacillated between these two poles, with dire economic, political, and moral repercussions for the entire nation. In *To Make Men Free*, celebrated historian Heather Cox Richardson traces the shifting ideology of the Grand Old Party from the antebellum era to the Great Recession, revealing the insidious cycle of boom and bust that has characterized the Party since its inception. While in office, progressive Republicans like Teddy Roosevelt and Dwight Eisenhower revived Lincoln's vision of economic freedom and expanded the government, attacking the concentration of wealth and nurturing upward mobility. But they and others like them have been continually thwarted by powerful business interests in the Party. Their opponents appealed to Americans' latent racism and xenophobia to regain political power, linking taxation and regulation to redistribution and socialism. The results of the Party's wholesale embrace of big business are all too familiar: financial collapses like the Panic of 1893, the Great Depression in 1929, and the Great Recession in 2008. With each passing decade, with each missed opportunity and political misstep, the schism within the Republican Party has grown wider, pulling the GOP ever further from its founding principles. Expansive and authoritative, *To Make Men Free* is a sweeping history of the Party that was once America's greatest political hope -- and, time and time again, has proved its greatest disappointment. "A deeply moving, funny, and brilliantly written account from one of India's most original new voices." —Katherine Boo Like Dave Eggers's *Zeitoun* and Alexander Masters's *Stuart*, this is a tour de force of narrative reportage. Mohammed Ashraf studied biology, became a butcher, a tailor, and an electrician's apprentice; now he is a homeless day laborer in the heart of old Delhi. How did he end up this way? In an astonishing

debut, Aman Sethi brings him and his indelible group of friends to life through their adventures and misfortunes in the Old Delhi Railway Station, the harrowing wards of a tuberculosis hospital, an illegal bar made of cardboard and plywood, and into Beggars Court and back onto the streets. In a time of global economic strain, this is an unforgettable evocation of persistence in the face of poverty in one of the world's largest cities. Sethi recounts Ashraf's surprising life story with wit, candor, and verve, and A Free Man becomes a moving story of the many ways a man can be free. Have you ever been told you have a problem with lust because your desire is too weak? Me neither. Usually, the idea is we need to take every thought a little more captive, resist the devil a little more often, or die a little more daily to our flesh. The focus tends to be on discipline-- "We need more spiritual discipline!" But what if I told you that discipline won't solve your sexual addiction? What if I told you that your sex drive is good, something God wants to be quite powerful within you? And what if I told you that sexual purity for men has more to do with cultivating greater desire than with restraining it? We as men want to be able to look people in the eyes without having anything to hide. Even more, we want to fight for others. But there is this thing we have been given that keeps messing us up: sex. Or more specifically, our sexuality. This book is my story of wrestling with sexual sin and finding freedom from pornography as I discovered more of how God intends me to live out my sexuality as a man.

Defining Moments of a Free Man from a Black Stream By: Dr. Frank L. Douglas From growing up in poverty to developing drugs that fight diabetes, seizures, and cancer, Dr. Frank L. Douglas has lived a life based on values, hard work, and self-control. Defining Moments of a Free Man from a Black Stream is a reflection on the events and people that made him into the man he is. In 1963, the year of the murder of Medgar Evers, Civil Rights marches, and the assassination of President John F. Kennedy, twenty-year-old Douglas arrived in the United States. A Fulbright scholar from British Guiana, Douglas studied engineering at Lehigh University, received his Ph.D. and M.D. from Cornell University, and did his Residency in Internal Medicine at Johns Hopkins. A curious and motivated young man from a colonial country struggling for independence, Douglas was shocked by the racism he received from white Americans and the cultural prejudice he received from black Americans. Struggling with his faith and identity, Douglas decided to control his own future through grit, hard work, and the road less travelled. Intimate and honest, incisive and searching, Defining Moments of a Free Man from a Black Stream is a memoir of self-determination and blazing your own path in a narrow-minded world. The amazing story of a nineteenth-century businessman, Reconstruction, and the Constitution Guide for men containing chapters on etiquette in the street, a carriage and a hansom, smoking, driving, table manners, social situations and correspondence. "If there ever was such a thing as a 'shortcut' to the wisdom of the ages, you're holding it in your hands. This is the kind of wisdom that can only be earned over a lifetime of trial and error, trial and error, and, finally, trial and success." -Patrick Morley Author, The Man in the Mirror "In 2001, I wrote a book called Lies Women Believe. Since then this message has reached millions of women and been translated into dozens of languages. But I've often been asked about a 'male counterpart' to the book. When God brought Robert into my life in 2015, I soon realized he was the ideal choice to pen this message for men. You'll find that reading Lies Men Believe, with its warm, relatable style, is like having a conversation with a good friend. Be prepared, in the process, to grapple with some tough issues. And be prepared to experience the liberating power of the Truth—in your own life, and in the lives of those you influence." -Nancy DeMoss Wolgemuth Revive Our Hearts Teacher & Host; Lies Books Series Editor You are being hunted. Like a seasoned angler, our enemy opens his tackle box and selects the lure most likely to attract his intended prey—usually the one you and I are least likely to consider harmful. Each lie we bite on causes us to feel pain, lose or injure relationships, and miss out on the abundant life that God wants us to have. Lies Men Believe exposes the lies that men most commonly believe, and shows you how to combat those lies with the truth. Lies like: Pleasure and Entertainment Can Truly Satisfy Me If I Mean Well, That's Good Enough If I Discipline My Children, They'll Rebel. I'm Measured by How I Compare with Other Men. Find out how lies are holding you back from freedom, joy, and intimacy with God and others. Discover the power of the truth. Because once you fully embrace the truth, nothing is ever the same. It is 1833. In the midst of Mardi Gras, Benjamin January, a Creole physician and music teacher, is playing piano at the Salle d'Orleans when the evenings festivities are interrupted--by murder. Ever since the release of her seminal first book, Sexual Personae, Camille Paglia has remained one of feminism's most outspoken, independent, and searingly intelligent voices. Now, for the first time, her best essays on the subject are gathered

together in one concise volume. Whether she's calling for equal opportunity for American women (years before the founding of the National Organization for Women), championing a more discerning standard of beauty that goes beyond plastic surgery's quest for eternal youth, lauding the liberating force of rock and roll, or demanding free and unfettered speech on university campuses and beyond, Paglia can always be counted on to get to the heart of matters large and small. At once illuminating, witty, and inspiring, these essays are essential reading that affirm the power of men and women and what we can accomplish together. One of the Washington Posts' "The 5 best science fiction and fantasy novels of 2017"! James Tiptree, Jr Literary Award Honor List A B&N Sci-Fi and Fantasy Blog "Best SFF of 2017" pick! A Kirkus "Best of the Best!" of 2017 Honorable Mention From debut author Maggie Shen King, *An Excess Male* is the chilling dystopian tale of politics, inequality, marriage, love, and rebellion, set in a near-future China, that further explores the themes of the classics *The Handmaid's Tale* and *When She Woke*. Under the One Child Policy, everyone plotted to have a son. Now 40 million of them can't find wives. none none China's One Child Policy and its cultural preference for male heirs have created a society overrun by 40 million unmarried men. By the year 2030, more than twenty-five percent of men in their late thirties will not have a family of their own. *An Excess Male* is one such leftover man's quest for love and family under a State that seeks to glorify its past mistakes and impose order through authoritarian measures, reinvigorated Communist ideals, and social engineering. Wei-guo holds fast to the belief that as long as he continues to improve himself, his small business, and in turn, his country, his chance at love will come. He finally saves up the dowry required to enter matchmaking talks at the lowest rung as a third husband—the maximum allowed by law. Only a single family—one harboring an illegal spouse—shows interest, yet with May-ling and her two husbands, Wei-guo feels seen, heard, and connected to like never before. But everyone and everything—walls, streetlights, garbage cans—are listening, and men, excess or not, are dispensable to the State. Wei-guo must reach a new understanding of patriotism and test the limits of his love and his resolve in order to save himself and this family he has come to hold dear. In Maggie Shen King's startling and beautiful debut, *An Excess Male* looks to explore the intersection of marriage, family, gender, and state in an all-too-plausible future. A Newbery Medal Winner When Amos Fortune was only fifteen years old, he was captured by slave traders and brought to Massachusetts, where he was sold at auction. Although his freedom had been taken, Amos never lost his dignity and courage. For 45 years, Amos worked as a slave and dreamed of freedom. And, at age 60, he finally began to see those dreams come true. "The moving story of a life dedicated to the fight for freedom."—Booklist Book 1 of the #1 New York Times bestselling *This Man* series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward—a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her. Using Science to Improve the BLM Wild Horse and Burro Program: A Way Forward reviews the science that underpins the Bureau of Land Management's oversight of free-ranging horses and burros on federal public lands in the western United States, concluding that constructive changes could be implemented. The Wild Horse and Burro Program has not used scientifically rigorous methods to estimate the population sizes of horses and burros, to model the effects of management actions on the animals, or to assess the availability and use of forage on rangelands. Evidence suggests that horse populations are growing by 15 to 20 percent each year, a level that is unsustainable for maintaining healthy horse populations as well as healthy ecosystems. Promising fertility-control methods are available to help limit this population growth, however. In addition, science-based methods exist for improving population estimates, predicting the effects of management practices in order to maintain genetically diverse, healthy populations, and estimating the productivity of rangelands. Greater transparency in how science-based methods are used to inform management decisions may help increase public confidence in the Wild Horse and Burro Program. The best-selling team of Valley Forge presents a tale inspired by the crushing 1864 Union defeat at the Battle of the Crater, tracing the investigation of reporter and Lincoln confidante James O'Reilly, who retraces the tragedy and how a promising campaign went wrong. Given by Eugene Edge III. A U.S. Senator points out that Christian moral and political truths that have sustained the government are endangered. When Tiffany Aching sets out

to become a witch, she faces ominous foes and gains unexpected allies. As she confronts the Queen of Fairies and battles an ancient, bodiless evil, she is aided (and most ably abetted) by the six-inch-high, fightin', stealin', drinkin' Wee Free Men! Laugh-out-loud humor and breathtaking action combine in the books that launched the unforgettable adventures of a determined young witch and her tiny but fierce blue friends. This book combines a sweeping narrative of the Civil War with a bold new look at the war's significance for American society. Professor Hummel sees the Civil War as America's turning point: simultaneously the culmination and repudiation of the American revolution. While the chapters tell the story of the Civil War and discuss the issues raised in readable prose, each chapter is followed by a detailed bibliographical essay, looking at all the different major works on the subject, with their varying ideological viewpoints and conclusions. In his economic analysis of slavery, Professor Hummel takes a different view than the two major poles which have determined past discussions of the topic. While some writers claim that slavery was unprofitable and harmful to the Southern economy, and others maintain it was profitable and efficient for the South, Hummel uses the economic concept of Deadweight Loss to show that slavery was both highly profitable for slave owners and harmful to Southern economic development. While highly critical of Confederate policy, Hummel argues that the war was fought to prevent secession, not to end slavery, and that preservation of the Union was not necessary to end slavery: the North could have let the South secede peacefully, and slavery would still have been quickly terminated. Part of Hummel's argument is that the South crucially relied on the Northern states to return runaway slaves to their owners. This new edition has a substantial new introduction by the author, correcting and supplementing the account given in the first edition (the major revision is an increase in the estimate of total casualties) and a foreword by John Majewski, a rising star of Civil War studies. Do You Make These MISTAKES with Women and End Up Being REJECTED or FRIEND-ZONED? Are You Finding It Difficult to Get a Woman to Fall Madly in Love with You? Your Final and Permanent Solution (All Nice Guys and Most Alpha Males Don't Know) Is Here-100% GUARANTEED! ? Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free. ? It's sad, but I'm glad it happened... My heart is heavy to share this story-it's embarrassing and I don't want you to laugh yet. Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I needed at that moment-I needed a relationship expert. Luckily, I have become that person I needed and I'll guide you through the ups and downs of how women work, how to get any woman without being friend-zoned and many more things acclaimed dating gurus won't tell you. In all things, honesty and foundation are key, and that's how we'll start. Skip this stage and you'll be in trouble... You've been lied to by dating gurus. Listen, my case was worse than yours. I thought it was because I came from a not-so-rich family or because I wasn't too tall and handsome. The truth is: I was in my head. I was the one killing myself-just the same way you're mentally sabotaging yourself without knowing. I wish someone had told me all the things I discovered throughout my struggles in understanding women-it would've saved me time and energy. Imagine the shame and pains you feel emotionally, but you have no one to run to for help except Google, yet there are too many inaccurate info by "acclaimed gurus" trying to fill your brain with pickup lines. Sometimes, you feel resentful towards women because they either rejected or friend-zoned you. This makes you feel undesirable and angry. From today, things will forever change for you with the info you'll discover soon. After learning these secrets, don't revenge women-forgive them, but flaunt your newly found confidence and skills. At the end of this series, you'll solve all your relationship and bedroom problems: You'll make her fall madly in love with you with the secrets inside this series even if you think you are not handsome, tall, rich, or intelligent All the time you spent being lonely and masturbating all night will now be spent with a real beautiful woman You'll finally become confident around women and be the one to choose any lady you want to be your girlfriend or wife You'll never go through heartbreak again. You know how heartbreak sucks, right? Your friends will wonder how you get beautiful women easily You'll soon teach your nice guys' friends how to do it and even charge them money for it because the knowledge is worth paying any amount to acquire "I can't believe it" was the exact line one of our students used after 2 days of applying the technique.
