Annie has learned quite a bit about her new friend Gemma: she's from Bristol, she used to work in a pharmacy, and she's never forgiven herself for the suicide of her teenage son. She also died ten years ago and doesn't know why she's come back through that door. Perhaps it has something to do with the new road they're building through the rundown part of town. The plans are sparking protests, and Annie knows those derelict houses hold a secret in Gemma's past. Will stopping the demolition help Gemma be at peace again? Annie, George and Mitchell get involved in the road protest, but they're more concerned by mysterious deaths at the hospital. Deaths that have also attracted the attention of the new Hospital Administrator... Featuring Mitchell, George and Annie, as played by Aidan Turner, Russell Tovey and Lenora Cichlow in the hit series created by Toby Whithouse for BBC Television *Legend* tells of an evil sorceress who used the power of magical crystals to transfer her mind into the bodies of others. Her reign of terror was long and bloody, and her final defeat the cause of great rejoicing. But that's just a legend, a story told to children—isn't it? Finding the last resting place of the Crystal Sorceress is an archaeological dream on a par with discovering the Holy Grail. So it's hardly likely that someone will just offer the solution to Professor Bernice Summerfield on a plate. But sometimes the unlikely actually happens. And one thing that's very, very unlikely is that Benny will suddenly find herself to be a member of the opposite gender! Anji has just had the worst week of her life. She should be back at her desk, not travelling through time and space in a police box. The Eighth Doctor is supposed to be taking her home, so why are there dinosaurs outside? The Doctor doesn't seem to know either, or else he surely would have mentioned the homicidal princesses, teen terrorists and mad robots? One thing is certain: Anji is never going to complain about Monday mornings in the office again. An adventure featuring the Eighth Doctor as played by Paul McGann and his companions Fitz and Anji 1500BC - King Actaeus and his subjects live in mortal fear of the awesome gods who have come to visit their kingdom in ancient Greece. Except the Doctor, visiting with university student June, knows they're not gods at all. They're aliens. For the aliens, it's the perfect holiday - they get to tour the sights of a primitive planet and even take part in local customs. Like gladiatorial games, or hunting down and killing humans who won't be missed. With June's enthusiastic help, the Doctor soon meets the travel agents behind this deadly package holiday company - his old enemies the Slitheen. But can he bring the Slitheen excursion to an end without endangering more lives? And how are events in ancient Greece linked to a modern-day alien plot to destroy what's left of the Parthenon? Featuring the Tenth Doctor as played by David Tennant in the hit *Doctor Who*

BBC Television series. The Doctor's former companion, Bernice Summerfield, has found a new job at St Oscar's University. Whilst on a field trip to Perfecton she is attacked by a reality warping missile. Bernice must be at her best to solve the problems that this creates. Before Lara Croft took her first leap, there was Bernice Summerfield, blazing the trail that others would follow. Join her as she embarks on another archaeological adventure. The Doctor's Companion: A person who explores time and space with the Doctor, fights enemies with the Doctor, and often has to save the Doctor's life. If it wasn't for the companions, the Doctor probably wouldn't have made it out of so many scrapes. To celebrate the formidable women who have travelled in the TARDIS, dive into four fantastic new adventures with the Doctor, starring Rose, Sarah-Jane, Clara and Bill. Written by Jenny Colgan, Jacqueline Rayner, Dorothy Koomson and Susan Calman, these stories are the perfect way to celebrate the Doctor's fantastic female heroines, for fans of all ages. Doctor Who stories are many things: thrilling adventures, historical dramas, tales of love and war and jelly babies. They're also science fiction – but how much of the science is actually real, and how much is really fiction? The Scientific Secrets of Doctor Who is a mind-bending blend of story and science that will help you see Doctor Who in a whole new light, weaving together a series of all-new adventures, featuring every incarnation of the Doctor. With commentary that explores the possibilities of time travel, life on other planets, artificial intelligence, parallel universes and more, Simon Guerrier and Dr Marek Kukula show how Doctor Who uses science to inform its unique style of storytelling – and just how close it has often come to predicting future scientific discoveries. This book is your chance to be the Doctor's companion and explore what's out there. It will make you laugh, and think, and see the world around you differently. Because anything could be out there. And going out there is the only way to learn what it is. "On the eve of the First World War, John Smith teaches at an English public school. But is he all that he seems?" Acting on an abstruse tip-off from the reknowned parapsychologist Dr Rupert Gilhooly, Bernice Summerfield has found herself on a probe-ship heading deep into the Problematic Heart of the galaxy—not knowing what, or quite who, she might find. What she finds is Station Control. A place that exists, simultaneously, in 417 dimensions, a brawling, souk-like Nexus between every world that can, or has, or ever will be. And one of those dimensions is Hell. Bernice knows nothing of the rivalries and power-plays going on here. So she blunders right into them and makes a complete hash of everything, natch. Rose and the Doctor return to present-day Earth, and become intrigued by the latest craze – the video game, Death to Mantodeans. Is it as harmless as it seems? And why are so many local people going on holiday and never returning? Meanwhile, on another world, an alien war is raging. The Queevils need to find a new means of attacking the ruthless Mantodeans. Searching the galaxy for cunning, warlike but gullible allies, they find the ideal soldiers on Earth. Will Rose be able to save her family and friends from the alien threat? And can the Doctor play the game to the end and win? Featuring the Ninth Doctor and Rose as played by Christopher Eccleston and Billie Piper in the hit science fiction series from BBC Television Bernice - or Benny to her friends - is on the ultimate road trip, scouring the universe in search for her missing son, Peter. Along the way, she stops off on the planet Versimmon, where she is soon drawn into an expedition investigating the legendary Caldera Archive. A collection of three new novellas featuring space archaeologist, Bernice Summerfield. In the course of a career spent digging up ancient things, Professor Bernice Summerfield has had more than one brush with the oldest and most widely - dispersed race of undead in the universe - vampires. Is she cursed? Or does everybody have to put up with this? The Doomsday Manuscript is the key to finding the Lost Tomb of Rablev. Legend says that if the tomb is ever opened, the world will end. With the party to celebrate the opening of the Braxiatel Collection and the new year still underway, Benny finds herself drawn into a web of mystery and intrigue that starts with death and gets more serious at every stage. Can she find the second half of the Doomsday Manuscript before it falls into the wrong hands? Can she trust her partner in the quest? What will she find on the planet Kasagrad, the location of the Lost Tomb of Rablev? And can she squeeze in another drink at Joseppi's—the favorite haunt of black marketeers, spies, counterfeiters, Fifth Axis officers, and desperate archaeologists—before the end of the world? Embark on a strange and enchanting adventure with old foes and monsters in this glorious crossover of Doctor Who and The Wonderful Wizard of Oz. When a sudden tornado engulfs the TARDIS, the Thirteenth Doctor and her fam find themselves transported to the magical land of Oz. With a damaged TARDIS and an unexpected stowaway from the 1930s, their only hope of getting home is to follow the yellow brick road. But when an army of scarecrows ambushes them, they quickly realise that everything is not as it should be, and they're thrown into a fight for survival against a mysterious enemy. As each of her companions becomes a shadow of their former selves, only the Doctor is left standing. Desperate to save her friends, she must embark on a perilous journey to seek help from the mysterious Wizard of Oz - and stop whatever forces are at work before she and her friends are trapped in the fictional world forever. Hulton College in Norfolk is a school dedicated to producing military officers. With the First World War about to start, the boys of the school will soon be on the front line. But no one expects a war – not even Dr John Smith, the college's new house master... The Doctor's friend Benny is enjoying her holiday in the same town. But then she meets a future version of the Doctor, and things start to get dangerous very quickly. With the Doctor she knows gone, and only a suffragette and an elderly rake for company, can Benny fight off a vicious alien attack? And will Dr Smith be able to save the day? An adventure set in Britain on the eve of the First World War, featuring the Seventh Doctor as played by Sylvester McCoy and his companion Bernice Summerfield. This book was the basis for the Tenth Doctor television story Human Nature / The Family of Blood starring David Tennant. When Nyssa is kidnapped, the Doctor and Tegan must stop the plans of Sadan Rassul in order to save her and the future of England. Professor Bernice Summerfield, interstellar archaeologist, adventurer, and romantic, has had either one very big life or a number of only slightly smaller ones. This anthology contains stories from many times and places across her long career, ranging from the starkly dramatic, through the thrilling, to the hilarious. Recovering from his fourth regeneration, Doctor Who once again faces the dangerous Time Lord Travel through time and space like never before in this stunning guide to the worlds of Doctor Who! *With a foreword by renowned Doctor Who director, Rachel Talalay* Journey from Gallifrey to Skaro to Mondas and everything in between in this beautifully illustrated Atlas.
