The New York Times–bestselling “first-rate spy thriller” of the FBI agent who sold top-secret information to the Russians for more than twenty years (Entertainment Weekly). Drawing from a wide variety of sources in the FBI, the Justice Department, the White House, and the intelligence community, Pulitzer Prize-winning author David A. Vise tells the story of how FBI counterintelligence agent Robert Philip Hanssen employed the very sources and methods his own nation had entrusted to him in a devious game of deceit—simply because he had something to prove. Vise also interweaves the narrative of how FBI director Louis J. Freeh led the government’s desperate search for its betrayer among its own ranks, from the false leads, to the near misses, to its ultimate, shocking conclusion. Fascinating, gripping, and provocative, *The Bureau and the Mole* is a harrowing tale of how one man’s treachery rocked a fraternity built on fidelity, bravery, and integrity—and how the dedicated perseverance of another brought him to justice. “Absorbing . . . Vise’s account of Mr. Hanssen’s road to becoming a double agent is fascinating.” —Michiko Kakutani, *The New York Times* “*Cole the Mole*” is a lovely illustrated book chock-full of rhymes and assonance (near rhymes) that will make it a pleasure to read aloud. The friendly, bright-eyed protagonist helps kids learn prepositions and phrasal verbs of motion through his brave expedition, and the language, though clearly instructional in intent, is natural and unforced. The book, along with its accompanying section of mini-chants that use the same illustrations and offers a chance for readers to speak aloud, will be particularly appreciated by the parents of children who are growing up bilingually. This little adventure will help kids keep their prepositions straight while vicariously enjoying the courage of Cole. Armour Roberts has been catching moles for over 25 years in and around the Welsh valleys. In this book he shares with you the tips and secrets that have given him a long and happy career as a molecatcher, using step by step instructions and photographs he teaches the reader how to successfully catch a mole using the Talpex claw trap and the Duffus half barrel trap. A riotously funny story about how NOT to be a good neighbor. In Book III Herbert finds out that it's one thing

to be given a choice and another to be told that your choice will determine the destiny of worlds! As the words of the prophesy roll across the plains and Herbert struggles to make the right choice, his true nature and name is revealed at last. But will he and his companions survive to make the choice? One way or another, nations will be changed by the decisions of the mole! Streaming on Apple TV+ on Christmas Day #1 NEW YORK TIMES BESTSELLER · WALL STREET JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- Elizabeth Egan, The New York Times From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life’s universal lessons, featuring 100 color and black-and-white drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages. Bernie the Mole’s superpowers include very special hearing and an amazing sense of smell. He lives in a little, underground room at the end of a long, secret tunnel that he made himself in Vermont. Through all four seasons, every day, Bernie hunts for his own food and has adventures with his friends in Vermont woods, brooks, and fields. In this evocative and heart-wrenching memoir, a hard-working Welsh molecatcher reveals his double life as a poet and a dreamer • “A wonderful memoir ... hands down the most charming book I read last year.”—Margaret Renkl, The New York Times “How to Catch a Mole is a small book of many things. In quiet, crystalline prose, it blends memoir, keen observations of nature, and ruminations about life, aging and death.”—Wall Street Journal Kneeling in a muddy field in the Welsh countryside, clutching a creature that is soft and blue-black, Marc Hamer vows he will stop trapping moles—forever. In this earnest, understated, and sublime work of literary memoir, the molecatcher shares what led him to this strange career and what caused him to stop: from sleeping among hedges as a homeless teen, to toiling on the railway, to weeding windswept gardens in Wales and witnessing the beauty of every living thing. Hamer infuses his wanderings with radiant poetry and stark, simple observations on nature’s oft-ignored details. He also reveals how to catch a mole—a craft long kept secret by its masters—and burrows into the unusual lives of his muses. Moles, we learn, are colorblind. Their blood holds unusual amounts of carbon dioxide. Their vast tunnel networks are intricate and deceptive. And, like Hamer, they work alone. Beautifully written, life-affirming, and highly original, How to Catch a Mole offers a gorgeous portrait of one man’s deep, unbreakable bond with his natural surroundings, and offers hope and inspiration for anyone looking to improve their relationship with the natural world. It’s Little Mole’s first day of school, and he’s nervous. What if he is the last to know his alphabet? What if he’s not good at anything? With a good bit of anxiety, Little Mole heads to class and begins to compare himself to his peers. How will he ever measure up? But soon a crisis on the playground reveals that he has everything he needs in his own two paws to save the day. In this third installment of the Little Mole series, author Glenys Nellist and illustrator Sally Garland spin another endearing tale of

the beloved Little Mole, his encouraging mama, and his forest friends. Children will relate to Little Mole's feelings of self-doubt, will cheer him on when he discovers his unique gifts and talents, and will be inspired to confront their own insecurities and celebrate what they have to offer, too. When they learn that their friend Mole is trying to bring some of the sky back to her underground home, Squirrel, Frog, and Bird all find a way to help. They are a diverse group, and they choose to live underground for many reasons—some rejecting society and its values, others reaffirming those values in what they view as purer terms, and still others seeking shelter from the harsh conditions on the streets. Their enemies include government agencies and homeless organizations as well as wandering crack addicts and marauding gangs. In communities underground, however, many homeless people find not only a place but also an identity. On these pages Jennifer Toth visits underground New York with various straight-talking guides, from outreach workers and transit police to veteran tunnel dwellers, graffiti artists, and even the "mayor" of a large, highly structured community several levels down. When a piece of moss is feeling down, the mole sisters set out to show him what a wonderful world they live in. Because he has been transformed by the love of an owl who mysteriously disappears, a mole overcomes his timid nature and goes in search of his lost love. Look It's a fairy ring When the mole sisters sneak up on a fairy ring, but find not a fairy in sight, they decide they shall be fairies instead With flower hats, and grass skirts, they make fantastic fairies, but maybe it's better to just be moles....' The irresistible and irrepressible Mole Sisters turn any dull situation into an opportunity for fun. Their positive approach to life and unrelenting optimism will appeal to all ages, young and old, and will become a firm favourite with every reader. Paul Gilligan's smart and funny illustrated middle grade series stars Doug, King of the Mole People, who struggles to balance chaos both in school and in the underworld. "The Wimpy Kid's got nothing on the King of the Mole People—he's got more laughs and more mud."—Kirkus Reviews Doug Underbelly is doing his best to be normal. It's not easy: he's bad at jokes, he's lousy at sports, and he lives in a creaky old mansion surrounded by gravestones. Also Magda, the weird girl at school, won't leave him alone. And if that weren't enough, he recently got crowned King of an underground race of Mole People. Doug didn't ask to be king—it's a job he can't really avoid, like the eel sandwiches his dad makes for him (with love). If he thought dealing with seventh grade was tricky, it's nothing compared to navigating the feud between Mole People, Slug People, Mushroom Folk and Stone Goons, not to mention preventing giant worms from rising up and destroying everything. How will Doug restore order? It's all a matter of diplomacy! Christy Ottaviano Books When snow covers the ground, Mouse is out for adventure while Mole stays warm in "another winning installment" of this Geisel Honor Award-winning series (Booklist). The snow has made the world outside into a winter wonderland. What better day for Mouse and Mole to go sledding, whirl around on ice skates, and build snowmen together? But Mole does not want to go outside. Too cold! Too windy! He prefers to stay as snug as a bug in a rug inside his nice, warm bed. Mouse is lonely. Ice skating and sledding just aren't as fun for one. Then she gets an idea...a Sno-Mole might do the trick! Mole won't be needing his hat or scarf or mittens...or will he? Sometimes even best friends want to do different things. But at the end of a cold winter's day, it's nice to know that your best friend will be there waiting for you, with warm mittens and all. Marty is not like other moles - he's afraid of the

dark! On a night-time journey through the woods, Marty meets three animals who are also afraid of something that you wouldn't expect. Can Marty help them to overcome their fears, and his own too? Mount Mole, a castle on a mountain, is the home of the warrior moles and their leader, Head Mole Regal the Magnificent. Regal and her tribe live peacefully together, but all of a sudden, evil comes to their home. Cerberus Zeal the Brutal, the hyena, and his wicked army of wolves, bobcats, and wolverines have come to take the home that the moles had built. Cerberus uses nasty, cunning tricks in an attempt to drive the moles out of their castle, but Regal refuses to surrender, though she and her tribe are badly outnumbered. Finally Regal is forced to send one of her moles to find someone to help them defeat the wicked army. Will the mole be successful and bring help, or will he be captured? Even if he does return, can Regal and her friends defeat the ruthless hyena, or will their home be captured? Molly the Mole has lots of friends, but sometimes gets sad because of how different she feels. Then one day, she realises that the reason her friends love her is because there aren't many animals like her around... Truth & Tails' mission is to eliminate prejudice, encourage acceptance and aid understanding by addressing hard-to-deal-with concepts through simple, sensitive and beautiful stories featuring loveable characters, just like Molly. Find us at: www.truthandtails.com

As Halloween approaches, Mouse helps her friend Mole get over his fear and enjoy the holiday. Mr Mole loves his cosy underground home that's filled with yummy, scrummy, buggy food. He lives on a family farm owned by his dear friends Jac and his mum. He finds himself in quite the predicament though! We follow Mr Mole as he leaves his home and goes on an unexpected adventure up into the big world above.

Moles: a survival guide for GCSE Science is a revised and updated edition of the very successful Moles: a survival guide for GCSE Chemistry. It is suitable for Science syllabuses at GCSE and beyond. Helpful mole guides lead students through the book. Even those who normally find the mole concept very difficult will be able to follow the path. And they'll even enjoy the journey. Molly is a mole with many friends, including a deer, a butterfly, and an owl. Sometimes Molly feels sad because she doesn't look the same as her friends, and feels very different to them. By helping each of them out with a task, Molly learns that her friends love her for the amazing qualities that are unique just to her. Molly the Mole addresses the difference between the way we perceive ourselves and the way our friends and family perceive us. Molly learns the importance of being kind and patient with others, and that everyone is unique. Part of the Truth and Tails series, which aims to eliminate prejudices and encourage acceptance in young children aged 4-8, this delightful story is accompanied by hand-drawn, watercolour illustrations. From a Policeman, to a Baker, and then a Veterinarian, Mole Books: Mole Calls the Policeman, A Visit to the Baker, and Mole Takes Woofie to the Vet shares three informative short stories colorfully illustrated about Mole, the protagonist and his interaction with some important community helpers. The journey through the colorfully illustrated pages is certain to delight the minds of young children while educating them at the same time giving them answers to their many Whos, Whys, Hows and Whats ! Mole discovers who is stealing vegetables from his mothers home vegetable garden and calls the police for assistance. Baker Tim invites Mole and his sister Molie, into his kitchen behind his Bakery and shows them how to make the delicious bread sold at the bakery. In the third story, Woofie, the sweet family pet, is ill so Mama Mole, Mole and baby sister Molie

visit Dr. Rachael the veterinarian with Woofie to help him get better ! This colorful picture book, the second in the Mole Books Community Helpers series, for little children answers questions little ones may have about the world around them. With colorful illustrations, it offers insight into a variety of people who play important roles in our lives. Mole their Mole ..is a good little soul in teaching little children good thingshe plays an important role ! Though moles are rarely seen, they live in close proximity to humans around the world. Gardeners and farmers go to great lengths to remove molehills from their fields and gardens; mole-catching has been a profession for the past two millennia. Moles are also close to our imagination, appearing in myths, fairy tales, and comic books as either wealthy, undesirable grooms or seekers of enlightenment. In Mole, Steve Gronert Ellerhoff examines moles in nature as well as their representation throughout history and across cultures. Balancing evolution and ecology with photographs and artworks, Ellerhoff provides a veritable mountain of new insight into this exceedingly private mammal. If you are a gardener, groundsman, smallholder or farmer and have a 'mole problem', then this book will be of enormous help to you. Pest-control books normally only devote a paragraph or two to moles and rarely cover the subject in detail. This volume is very different and is probably one of the most comprehensive books ever written on mole trapping. Throughout the book, Jeff Nicholls, a professional mole catcher, reveals his enormous respect for the mole and emphasizes the absolute need to control these rarely seen animals using humane and traditional methods that have been proven to work effectively. At the outset the author discusses the natural history of the mole and explains its characteristics and behaviour, an understanding of which is essential if successful catching techniques are to be applied. He then discusses in detail the traditional and humane methods he uses in different terrain and weather conditions, considers how to locate mole runs, describes all the different types of traps that can be employed and explains how to set the traps correctly. An exuberant mole refuses to believe that his human neighbors consider him a pest. Who's crying?. Lily finds a sad little mole deep down in his hole. The mole is embarrassed by his huge nose. "Blue ribbon book." When the Mole family finds out about Christmas and the fat man in the red suit, they ask for a telescope to help them see the stars. Morris the Mole is looking for love--but moles don't see that well. He finds someone with black fur like his; only it's not a mole, it's a horse! Then Morris finds someone who has a pretty, pink nose like his; only it's not a mole, it's a pig! Full color. This is a story about a mole. Not any old mole, but The Mole. He grew up in suburban Surrey with his parents and decided one day, like all moles do, to leave the molehill and set off to see the real world. His adventures have many ups and downs, some lucky scrapes and a few near misses and he meets some interesting characters along the way, as well as visiting some amazing places. #1 NEW YORK TIMES BESTSELLER - WALL STREET JOURNAL BESTSELLER - USA TODAY BESTSELLER "The Boy, the Mole, the Fox and the Horse is not only a thought-provoking, discussion-worthy story, the book itself is an object of art."- Elizabeth Egan, The New York Times A deluxe edition with special endpapers and a yellow spine. From British illustrator, artist, and author Charlie Mackesy comes a journey for all ages that explores life's universal lessons, featuring 100 color and black-and-white drawings. "What do you want to be when you grow up?" asked the mole. "Kind," said the boy. Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the tale of a

curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability, kindness, hope, friendship and love. The shared adventures and important conversations between the four friends are full of life lessons that have connected with readers of all ages. A young mole named Milton learns to look beyond his poor eyesight to discover his many talents.
