[Public Personnel Management](#)  
Feb 11 2022 Updated in a new  
5th edition, Public Personnel  
Management, by Norma M.  
Ricucci, is a concise and  
accessible reader containing all  
original articles addressing the  
most current issues in public  
personnel management.

Written expressly for the text by leading scholars, all of the articles are either new to this edition or substantially revised. Each article focuses on specific-often controversial-issues in public personal management, such as comparative personnel management, pensions, sexuality, health, succession planning, unions, and the multi-generational workforce. [Deaf Culture Our Way](#) Jan 10 2022 This assortment of memorable stories enhances an understanding of how loss of hearing affects the individual. **Surviving Tomorrow** Feb 17 2020 Surviving Tomorrow contains twenty-nine stories about survivors, over half of them original and published here for the first time. Struck by a desire to help people as the pandemic unfolded, editor Bryan Thomas Schmidt decided to try and use his skills as an anthologist to raise funding for COVID-19 support by creating an anthology with two purposes-fundraising and provide readers with stories that would speak to them as

they manage the stress of our changing social landscape. Bryan took the idea to a friend he knew was at that time suffering from the novel coronavirus who also happened to be a medical publisher-Peter J. Wacks-and asked if he'd be willing to build the project. Peter spoke to Isabel Penraeth-who was in the process of launching a new specialty edition publishing house-about the project? and the anthology was in incubation. People from four different publishing enterprises joined forces to bring this book to life. After conversations with the authors you see below, all of whom are allowing their work to be published without remuneration, the anthology became a living, breathing reality. The stories in Surviving Tomorrow focus on the impacts of extraordinary circumstances on the people they depict and how they respond, and though a few are longer, most of the stories are short enough to be read in a few minutes' time-designed to provide a brief escape from the worries of the

moment into another world and renew your spirit and mind. All profits from *Surviving Tomorrow* go to providing COVID-19 tests directly to the front lines of this crisis, or your portion can be earmarked for one of the charities you can select on the checkout page. As we start to achieve distributing to the front lines, we will post a thermometer here to show how many (and where) the tests are landing. Available in a limited, numbered, gold-leaf embossed collector's edition as well as hardcover, trade paperback, and ebook, *Surviving Tomorrow* will provide hours of enjoyment even as it saves lives.

*The Deepest Blue* Dec 29 2020  
The natural magic of the classic *The Island of the Blue Dolphins* meets the danger and courage of *The Hunger Games* in this dazzling, intricate stand-alone fantasy novel set in award-winning author Sarah Beth Durst's beloved world of Renthia. Life is precious and precarious on the islands of Belene. Besieged by a capricious ocean full of malicious spirits, the people of the islands seek joy where they can. Mayara, one of the

island's fearless oyster divers, has found happiness in love. But on the day of her wedding to the artist Kelo, a spirit-driven storm hits the island with deadly force. To save her loved ones, Mayara reveals a dangerous secret: she has the power to control the spirits. When the storm ends, she is taken into custody by the queen's soldiers and imprisoned with other women like her. They vary in age and social status, but to many they are heroes who will aid the country or witches that will sacrifice themselves trying. No matter who they are, the women are sent to a terrifying place—an island filled with bloodthirsty nature spirits, and left without food, water, shelter, or any tools except their own instincts and magic. Whoever survives the Island of Testing will be declared heirs to the queen. But no matter if she wins or loses, Mayara knows that the life she dreamed of is gone.

**Responsible Investment Banking** Jun 15 2022

This book provides evidence on the relevance of environmental and social factors in decision making. It discusses the Gold Standard Frameworks for integrating extra-financial risks into the philosophy, culture, strategies, products and value chain management procedures of investment and banking and highlights the current emergence of global administrative law. New emerging topics like positive impact investing and finance, climate friendly markets, human rights, the enhanced role of fiduciary duties and shared values are approached with a lot of examples for practical application. Steps towards a new banking culture, a new climate for double loop learning and sustainable financial innovation are outlined and the additional benefits of robust stakeholder engagement explained. The anthology paves the way from robust impact and risk

management to positive impact creation and a new investment culture. As well, challenges for the implementation and ways to overcome them are broadly discussed. The book is rooted in the fact that institutions and investors which fail to professionally integrate the management of extra-financial risk into their whole lending and investment chain and fail to move to positive impact creation may well lose positions and mandates and finally the trust of their clients, partners and stakeholders. The contributing authors of this anthology are internationally renowned experts in the field of ESG and impact investing. The compendium brings together practitioners and academics to allow a confluence of thoughts, concepts and viewpoints. This huge variety of perspectives and approaches makes this volume a comprehensive compendium on responsible investment and banking. *Pretty, Dark and Dirty* Jun 22 2020 Some lines should never be crossed. But sometimes the

temptation is too good to resist... Mason Black was everything to me: my father, my provider, my protector. But then one day, he vanished, leaving me lost and alone. I was devastated. Years later, just when I thought I had put the pieces of my life together, my world splintered apart again. Everything I thought I knew about my biological father and Mason's role in my life? Turns out, it was all a lie. Every. Last. Word. Now Mason's back. However, he offers no excuses, no explanations. He just wants me to be what he claims I've always been: his little girl. But the ache inside me won't be denied. The longing I feel isn't one of a little girl who misses her father. No. I need Mason to be more than just a father figure. More than a loving protector. I need him to be my Daddy. \*\*\*Brace yourself for a twisty, forbidden romance so deliciously devious, it'll tie you up by your heartstrings and then drag you along for the ride. Like my Quick-and-Dirty Reads, it features a guaranteed

melt-your-heart ending. But unlike those shorter stories, this is hardly a light-hearted romp. If you're a fan of very taboo older man/younger woman pairings, broody, protective Daddy figures, and contemporary Gothic vibes, then this book was tailor-made for your Kindle.

### **The Poetry of Yunus Emre, A Turkish Sufi Poet** Feb 28

2021 The popularity of Yunus Emre, who is often referred to as the Turkish national poet, has endured for six centuries. Yunus is the most important representative of early Turkish mysticism; he can be considered the founder of Alevi-Bektasi literature, and his influence on later tekke poetry was enormous. His ilahis (hymns) have played an important role in sufi ceremonies. Grace Martin Smith's translation of Yunus's poetry will acquaint the non-Turkish reader with the art and thinking of one of Turkey's most significant poets and will be helpful to students of both modern and Ottoman Turkish and to all those interested in

Islamic poetry and piety.

*Dear Life* Sep 18 2022 As a specialist in palliative medicine, Dr Rachel Clarke chooses to inhabit a place many people would find too tragic to contemplate. Every day she tries to bring care and comfort to those reaching the end of their lives and to help make dying more bearable. Rachel's training was put to the test in 2017 when her GP father was diagnosed with terminal cancer. She learned that nothing - even the best palliative care - can sugar-coat the pain of losing someone you love. And yet, she argues, in a hospice there is more of what matters in life - more love, more strength, more kindness, more joy, more tenderness, more grace, more compassion - than you could ever imagine.

For if there is a difference between people who know they are dying and the rest of us, it is simply this: that the terminally ill know their time is running out, while we live as though we have all the time in the world.

**When Dreams Tremble** Feb 23 2023 Leslie Harris's visit to her upstate New York lakeside family home after a decade of triumphs and disappointment resembles a nightmare more than the quiet vacation she'd herod for. The unexpected appearance of much-changed town ero girl Devon Weber, with whom Leslie shares a secret that haunts them both, rekindles an old heart ache—and reminds Leslie of just why she left. Even though her attraction to Dev comes roaring back, the one thing Leslie doesn't want is to pick up where they left off, especially not when she already has just the life she wants—a rewarding high-power law practice, a condo in Manhattan, and a lover who satisfies her without demanding the intimacy Leslie

avoids. Unfortunately, environmental biologist Devon Weber doesn't play by Leslie's rules. Two women whose lives turned out far differently than they'd once imagined discover that sometimes the shape of the future can only be found in the past—and love is strongest when dreams tremble.

Big Rock Jan 18 2020 It's not just the motion of the ocean, ladies. It's definitely the SIZE of the boat too. And I've got both firing on all cylinders. In fact, I have ALL the right assets. Looks, brains, my own money, and a big c\*&k. You might think I'm an a\*&hole. I sound like one, don't I? I'm hot as sin, rich as heaven, smart as hell and hung like a horse. Guess what? You haven't heard my story before. Sure, I might be a playboy, like the NY gossip rags call me. But I'm the playboy who's actually a great guy. Which makes me one of a kind. The only trouble is, my dad needs me to cool it for a bit. With conservative investors in town wanting to buy his flagship Fifth Avenue jewelry store, he needs me not only to

zip it up, but to look the part of the committed guy. Fine. I can do this for Dad. After all, I've got him to thank for the family jewels. So I ask my best friend and business partner to be my fiancé for the next week.

Charlotte's up for it. She has her own reasons for saying yes to wearing this big rock. And pretty soon all this playing pretend in public leads to no pretending whatsoever in the bedroom, because she just can't fake the kind of toe-curling, window-shattering orgasmic cries she makes as I take her to new heights between the sheets. But I can't seem to fake that I might be feeling something real for her. What the hell have I gotten myself into with this... big rock?

Becoming Fully Human Aug 05 2021 Drawing from the folklore and scripture of other cultures, as well as her own monastic tradition, Sister Joan Chittister develops a spirituality that understands what it means to be human and the importance of seeing others for what they truly are—sacred. Centered

around twelve questions—from "What does it mean to be enlightened?" to "How is caring for the earth spiritual?"—Becoming Fully Human reveals that no matter our color, economic or social status, or religion, we are all dealing with the same human desires, fears, needs, feelings and hopes. Coming to see the heart of the other allows us to see our own, which in turn leads us to live lives dedicated to respect, holiness, balance, and peace.

### **Billionaire Daddy & Nanny**

Jul 24 2020 He was too gorgeous...it was hard to hold my feelings!!! Could I find in my heart to LOVE someone again??? It is always a shock to find your husband with another woman, especially when it felt like you were just starting out together. I wanted it all, and it crashed around me the moment that I opened his office door. I picked up the pieces and went back to my hometown, young and uncertain of what was to come. I had a new job caring for a young girl that just lost her

mom and knew that I wanted to help her. I felt like I had a purpose in life, but when I started having feelings for her widowed father, I wondered if I wasn't going down a dangerous path. But he was gorgeous and the way that he loved his daughter made me fall even harder for him. I knew that I couldn't hold back my feelings, so one night I didn't. Could I be a good mother to this sweet little girl that needed love? Would I be enough woman to please Nick, since he was older than me and had done so much more living?

The Bangover Oct 07 2021  
Note to Self --Do NOT bang your best guy friend in the limo on the way to the swanky Vegas hotel. I give myself very good advice. Too bad I suck at

taking it. If only Colin and I hadn't drunk so much whiskey, if only I'd kept that red bikini in my suitcase, if only his evil ex-girlfriend hadn't come sniffing around making me feel territorial and protective. Not that my bad boy rock star best friend is any help. Walking around looking ridiculously sexy, telling me I'm perfect in that panty-melting voice of his when we both swore we'd never do anything to put our friendship at risk. And Colin never breaks a promise. But then, he has no idea I've secretly been in love with him for years. I guess I should just enjoy the ride, but I can't stop thinking about what happens when this vacation ends and I head home alone, nursing one hell of a bangover... The Bangover is a red-hot, laugh out loud rom-com featuring two best friends on a collision course with Vegas-flavored disaster--and each other. It stands alone. No cheating or cliffhangers. Shielded Wrongs Nov 15 2019

Every killer has a weakness. She's the one woman I can't have. She's forbidden to the Bellandi men. Yet after one look in her honey eyes, I need to carve myself into her soul so deeply, Sadie will never forget she's mine. Nobody else sees through her facade. She's a mess of contradictions. Full of jagged edges that threaten to pull me apart at the seams and unleash the beast who lurks beneath my skin. I'll be her shelter through the storm. I can't resist her fire and rebellion. But when she's threatened by my enemies, I'll risk everything to keep her safe from the man who seeks to use her as a weapon against me. Even if it costs me my humanity. Shielded Wrongs is a full-length standalone novel

with an HEA, but the series presents a better reading experience when following the suggested reading order. This series contains dark elements, including an over-the-top antihero who does as he pleases. Please read at your own discretion.

**Sexy But Psycho** Oct 27 2020

THE SUNDAY TIMES

BESTSELLER Angry, opinionated, mouthy, aggressive, hysterical, mad, disordered, crazy, psycho, delusional, borderline, hormonal . . . Women have long been pathologized, locked up and medicated for not conforming to whichever norms or stereotypes are expected of them in that time and space. *Sexy But Psycho* is a challenging and uncomfortable book which seeks to explore the way professionals and society at large pathologize and sexualise women and girls. Utilising decades of research, real case studies and new data from her own work, Dr Taylor's book will critically analyse the way we label women with personality disorders. Why are

women and girls pathologized for being angry about oppression and abuse? How have so many women been duped into believing that they are mentally ill, for having normal and natural reactions to their experiences? *Sexy But Psycho* argues that there is a specific purpose to convincing women and girls that they are mentally ill, as the world avoids addressing violence against women and their centuries of ignored trauma.

*Toward a Female Genealogy of*

*Transcendentalism* Apr 01

2021 The first large-scale, collaborative study of women's voices and their vital role in the American transcendentalist movement. Many of its seventeen distinguished scholars work from newly recovered archives, and all offer fresh readings of understudied topics and texts, shedding light on female contributions.

*The Architects* Jul 04 2021 "A

novel of political intrigue and personal betrayal, *The Architects* takes readers inside the German Democratic

Republic in the late 1950s, shortly after Khrushchev's so-called secret speech denouncing Stalin brought about the release of many victims of Stalinist brutality. Among them is Daniel Wollin, a Communist who fled Hitler for Moscow and now returns to Germany after years of Soviet imprisonment. A brilliant architect, Daniel is taken in by his former colleague, Arnold Sundstrom, who was in exile in Moscow as well - but somehow fared better. Arnold's young wife, Julia, finds in Daniel the key that will unlock the dark secret of her husband's success and of her own parent's deaths in Russia. A story of suspense, romance, and drama, *The Architects* is also a window on a harrowing period of history that its author experienced firsthand. Although written in English, it was first published in German in 2000; this is the first publication in its original language." --Book Jacket.

**Mrs. Morris and the Sorceress** Aug 25 2020 It's Fourth of July in Salem, Massachusetts—and B&B

owner Charlene Morris is about to witness the shot heard 'round the town . . . Madison Boswell, a beauty recently transplanted from Boston, is starring in the Independence Day play in this New England town full of colonial history—and, of course, witchcraft. Madison may not be a Wiccan, but she does seem to have certain hypnotic powers. And she's left some angry people in her wake, from a fellow actress beaten out for a role to a jealous betrayed wife. Now, as Charlene films the performance for her housemate, Jack—a handsome ghost who shares the Victorian bed-and-breakfast with her and her Persian cat—the drama queen takes a deadly bullet from what was supposed to be a prop gun. With a long list of suspects and lots of backstage whispers, it looks like the investigation by Charlene and Detective Sam Holden could set off some fireworks . . .

**To Tame a Dragon** Oct 15 2019 Claiming a dragon is as easy as a single touch, but claiming his heart is another

matter entirely. The tribes have been dying beneath the desert sun for as long as they can remember. With fewer and fewer males birthed, there is little hope of survival.

Humanity is doomed. The yearly blooming is a season of fertility and new life-and the time when the males choose new brides. But Elliya has no desire to become another wife amongst many to a spoiled man. She longs for more. She longs for love. When the Red Star appears in the sky on the night she is to be chosen, Elliya knows it is her chance to make her own choice. She ventures out beneath the blood moon to prove the old legends true-to claim a dragon as her mate. But even if she can forge the legendary bond with her dragon, can she win the most important prize of all? Can she conquer the dragon's heart? ----

**Mrs. Morris and the Ghost of Christmas Past** Sep 25

2020 Salem, Massachusetts B&B owner Charlene Morris is looking into a holiday hit-and-run, with a little help from her ghostly housemate . . .

Charlene's parents are in town for Christmas, and her mother is driving her up a tree. Her bed-and-breakfast's resident ghost, Jack, isn't fond of her either—and he's showing it with some haunting high jinks. But when Charlene takes her mom and dad out for dinner, the less-than-seasonal spirits take a deadly turn. David Baldwin has just won a fortune in the lottery—and it adds a lot of drama to the charity auction he's hosting at his restaurant. When he caps off the evening by playing Santa and handing

out checks to some of the attendees, the mood shifts . . . and Charlene observes mysterious tensions between David and his flashy, bleached-blonde wife, his neglected teenage son from a previous marriage, and his hostile business partner, among others. And they're only a few on the long list of potential suspects when David runs into the road and is mowed down by a fleeing motorist. Now it looks like it's going to be homicide for the holidays . . .

**The 8-Hour Diet** Oct 19 2022

A paradigm-shifting diet plan that allows you to eat anything you want, as much as you want—and still strip away 20, 40, 60 pounds, or more. After conducting extensive research at the Salk Institute and the National Institute on Aging, poring over copious amounts of new research in intermittent fasting, and engaging 2,000 people for a test panel, bestselling authors David Zinczenko and Peter Moore determined that people can lose remarkable amounts of weight eating the foods they

like best—as long as they eat within a set 8-hour time period. Fasting is, of course, an ancient spiritual and health practice, but it's also a way to sidestep many of the ills of the modern world—including diabetes, heart disease, and cognitive impairment. Zinczenko and Moore demonstrate how simply observing this timed-eating strategy, even just three days a week, will reset your metabolism so that you can enter fat-burning mode first thing in the morning—and stay there all day long. And by focusing on eight critical, nutrient-rich Powerfoods, you can build in a second layer of protection against Alzheimer's, heart disease, and even the common cold. In the book, you will find motivating strategies, delicious recipes, and an 8-minute workout routine to maximize calorie burn. The 8-Hour Diet promises to strip away unwanted pounds and give you the focus and willpower you need to reach your goals for weight loss and life.

Jul 16 2022 "The residents of Pickax eagerly await the start of Pickax Now, a festival celebrating the 150th anniversary of the town's founding. In the midst of preparations for parades and performances, newspaper columnist James Qwilleran must make time to entertain Harvey Ledfield, an aspiring architect visiting from out of town." "Qwill welcomes Harvey into his home to sketch, but strange occurrences seem to follow Harvey around. Why, for example, did the extraordinary Siamese Koko leap from the balcony onto Harvey's head while he was drawing Qwill's barn? And why have Harvey's aunt and uncle - residents of nearby Purple Point - not been seen in public since Harvey's arrival?" "Soon, Koko's strange behavior is not the only sign of trouble in Pickax. A knitter with psychic powers predicts murder, and a woman makes a weekend trip to Pickax from California to leave a message for Qwill. It's up to Koko to help Qwill piece the clues

together."--BOOK JACKET.  
Amy Levy Jun 03 2021 Amy Levy has risen to prominence in recent years as one of the most innovative and perplexing writers of her generation. Embraced by feminist scholars for her radical experimentation with queer poetic voice and her witty journalistic pieces on female independence, she remains controversial for her representations of London Jewry that draw unmistakably on contemporary antisemitic discourse. *Amy Levy: Critical Essays* brings together scholars working in the fields of Victorian cultural history, women's poetry and fiction, and the history of Anglo-Jewry. The essays trace the social, intellectual, and political contexts of Levy's writing and its contemporary reception. Working from close analyses of Levy's texts, the collection aims to rethink her engagement with Jewish identity, to consider her literary and political identifications, to assess her representations of modern consumer society and popular

culture, and to place her life and work within late-Victorian cultural debate. This book is essential reading for undergraduate and postgraduate students offering both a comprehensive literature review of scholarship-to-date and a range of new critical perspectives. Saved by Pirates Jan 30 2021 The sea is lost, pirates are death. Cassandra should have been killed at birth, like all the other children who have powers like her. The changed ones. The ones who started the war, lost the seas, and killed

millions with their gifts. Lucky for Cassandra, her father is on the council. One of the seven rulers of her large town and has kept her hidden her entire life. When she is seen for the first time, she has no choice but to run, and the only place she can go is to the sea. To the pirates and a certain death. At least, that is what she thinks. When she meets six handsome pirates and they take her on board their ship, she learns about a whole new world. If only she can protect her heart when they all desire to own it.
