From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG!* Mr. and Mrs. Twit are the smelliest, nastiest, ugliest people in the world. They hate everything—except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want revenge. Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as *The Diary of Anne Frank*." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences. Simple text and captivating illustrations are paired with beautiful music and fun sound-effects to help tell the classic tale of "The Princess and the Pea." Prince Fastidious travels the world to find his perfect princess. But something is not quite right about any of them. They either talk too much, or not at all. Some are too old for him, or too young. Others are spoiled or have too many noisy, little dogs. Find out what happens when Princess Rose accidentally comes to the castle at night because of a fierce storm. How does she prove to the Queen that she's a real princess? A happy ending adds interest to this fairy tale and encourages a lifelong love for reading. Before there was Lois Lowry's *The Giver* or M. T. Anderson's *Feed*, there was Robert Cormier's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. "An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do."—*The New York Times Book Review* "A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific."—*School Library Journal*, starred review *An ALA Notable Children's Book* *A School Library Journal Best Book of*

Moose has a wibbly, wobbly tooth for the Tooth Fairy, but he cannot get it out without the help of his friends--and a really big pull! Orphaned by the Border Wars, Alina Starkov is taken to become the protegêe of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold. It all started when I told my friend Art I would meet him on the corner of Fifth and Fifty-Third. I didn't see him. So I asked a lady walking up the avenue, 'Have you seen Art?' 'MoMA?' asked the lady. 'Just down Fifty-Third Street here.' When this address turns out to be the Museum of Modern Art in New York City, confusion and hilarity ensue. As the narrator continues looking for Art inside MoMA, he views the best pieces of modern art. THE STORY: The place is a remote cabin in the wilds of Alaska. The masterpiece of the German experience during World War I, considered by many the greatest war novel of all time—with an Oscar-nominated film adaptation now streaming on Netflix. "[Erich Maria Remarque] is a craftsman of unquestionably first rank."—The New York Times Book Review I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. Madcap revisions of familiar fairy tales. NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • Entertainment Weekly • Kirkus Reviews • The Christian Science Monitor In the picturesque village of Guzmán, Spain, in a cave dug into a hillside on the edge of town, an ancient door leads to a cramped limestone chamber known as "the telling room." Containing nothing but a wooden table and two benches, this is where villagers have gathered for centuries to share their stories and secrets—usually accompanied by copious amounts of wine. It was here, in the summer of 2000, that Michael Paterniti found himself listening to a larger-than-life Spanish cheesemaker named Ambrosio Molinos de las Heras as he spun an odd and compelling tale about a piece of cheese. An unusual piece of cheese. Made from an old family recipe, Ambrosio's cheese was reputed to be among the finest in the world, and was said to

hold mystical qualities. Eating it, some claimed, conjured long-lost memories. But then, Ambrosio said, things had gone horribly wrong. . . . By the time the two men exited the telling room that evening, Paterniti was hooked. Soon he was fully embroiled in village life, relocating his young family to Guzmán in order to chase the truth about this cheese and explore the fairy tale-like place where the villagers conversed with farm animals, lived by an ancient Castilian code of honor, and made their wine and food by hand, from the grapes growing on a nearby hill and the flocks of sheep floating over the Meseta. What Paterniti ultimately discovers there in the highlands of Castile is nothing like the idyllic slow-food fable he first imagined. Instead, he's sucked into the heart of an unfolding mystery, a blood feud that includes accusations of betrayal and theft, death threats, and a murder plot. As the village begins to spill its long-held secrets, Paterniti finds himself implicated in the very story he is writing. Equal parts mystery and memoir, travelogue and history, *The Telling Room* is an astonishing work of literary nonfiction by one of our most accomplished storytellers. A moving exploration of happiness, friendship, and betrayal, *The Telling Room* introduces us to Ambrosio Molinos de las Heras, an unforgettable real-life literary hero, while also holding a mirror up to the world, fully alive to the power of stories that define and sustain us. Praise for *The Telling Room* "Captivating . . . Paterniti's writing sings, whether he's talking about how food activates memory, or the joys of watching his children grow."—NPR A #1 New York Times bestseller from the creators of the beloved *Dragons Love Tacos* comes a rollicking, rhyme-tastic, interactive high five competition--starring YOU! It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving "The Cheese." But things keep changing... Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller *The One Minute Manager*, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude.
