A year-by-year guide to the Porsche 911, including technical specs, replacement parts price lists, media reviews, and each model's known strengths and weaknesses. The 190 (W 201) was a landmark car for Mercedes-Benz: the predecessor to today's C-Class models, it was the company's first compact saloon (sedan) and combined advanced engineering with a new direction in body styling, later followed by the W124 and R129 series. Engines available included robust petrol and diesel 'fours', as well as a silky 'straight-six'. The sporting 190 E 2.3-16 and 2.5-16 models, initially developed with Cosworth, took Mercedes to new levels of performance. Altogether, nearly 1.9 million cars were produced, and today the 190 is an increasingly sought-after modern classic. This guide will help you learn about the differences between models, and what to look for when buying. What are the true running costs, and what issues - with the mechanicals, body or interior - should you be wary of? Is a restoration worth considering? This handy guide will take you step-by-step through the process of finding and evaluating a good 190 and making a successful purchase. Essential data and information about clubs and specialists will help you look after and enjoy your 190. One person's loss is another person's gain. This invaluable guide explains everything readers need to know about finding and financing foreclosed and soon-to-be foreclosed residential properties with the highest potential return. Completely updated, this new edition reflects recent changes in the way banks and the government dispose of foreclosed properties, covers new laws, and advises how to steer clear of scams. ? First edition sold more than 30,000 copies in a year and a half ? The national residential foreclosure rate rose to from .75% to 1.16% (of all mortgages) by the end of 2006-the biggest jump in 30 years ? Foreclosures are expected to continue to increase as interest rates rise and monthly payments on short-term variable rate and interest-only loans make homes unaffordable
