Tales from Shakespeare Aug 20 2022 As children, Charles and Mary Lamb took great delight in exploring their benefactor's

extensive library; as adults they began writing children's books together that also appealed to all generations. In Tales of Shakespeare they wished to bring their favourite plays to life for children too young to read and appreciate Shakespeare's work. This collection of twenty of Shakespeare's stories begins with The Tempest, which explores themes of magic, power and reconciliation, and ends with Pericles, Prince of Tyre, an exotic play of love, loss and family ties. Between these two tales are twelve romances and comedies, all written by Mary, and six tragedies, all written by Charles. Each tale is told chronologically and retains much of Shakespeare's lyricism, phrasing and rhythm. Together, they form a captivating and accessible introduction to the Bard's work.

Shakespeare is an English children's book written by Charles Lamb and his sister Mary Lamb in 1807. The book is designed to make the stories of Shakespeare's plays familiar to the young. However, as noted in the authors' Preface, "[Shakespeare's] words are used whenever it seemed possible to bring them in; and in whatever has been added to give them the regular form of a connected story, diligent care has been taken to select such words as might least interrupt the effect of the beautiful English tongue in which he wrote: therefore, words introduced into our language since his time have been as far as possible avoided." Mary Lamb was responsible for the comedies, while Charles wrote the tragedies; they wrote the preface between them.... Charles Lamb (10 February 1775 - 27 December 1834) was an English essayist, poet, and antiquarian, best known for his *Essays of Elia* and for the children's book *Tales from Shakespeare*, co-authored with his sister, Mary Lamb (1764-1847). Friends with such literary luminaries as Samuel Taylor Coleridge, William Wordsworth, and

William Hazlitt, Lamb was at the center of a major literary circle in England. He has been referred to by E. V. Lucas, his principal biographer, as "the most lovable figure in English literature." Lamb was born in London, the son of Elizabeth Field and John Lamb. Lamb was the youngest child, with a sister 11 years older named Mary and an even older brother named John; there were four others who did not survive infancy. His father John Lamb was a lawyer's clerk and spent most of his professional life as the assistant to a barrister named Samuel Salt, who lived in the Inner Temple in the legal district of London. It was there in Crown Office Row that Charles Lamb was born and spent his youth. Lamb created a portrait of his father in his "Elia on the Old Benchers" under the name Lovel. Lamb's older brother was too much his senior to be a youthful companion to the boy but his sister Mary, being born eleven years before him, was probably his closest playmate. Lamb was also cared for by his paternal aunt Hetty, who seems to have had a particular fondness for him. A number of writings by

both Charles and Mary suggest that the conflict between Aunt Hetty and her sister-in-law created a certain degree of tension in the Lamb household. However, Charles speaks fondly of her and her presence in the house seems to have brought a great deal of comfort to him..... Mary Ann Lamb (3 December 1764 - 20 May 1847), was an English writer. She is best known for the collaboration with her brother Charles on the collection *Tales from Shakespeare*. Lamb suffered from mental illness, and in 1796 she stabbed her mother to death during a mental breakdown. She was confined to mental facilities off and on for most of her life. She and Charles presided over a literary circle in London that included the poets William Wordsworth and Samuel Taylor Coleridge, among others....
