Weekly Planner 2020 - The Everyday Simple Scheduler. From the Daily to do's to Entrepreneurs and businesses management. Become stress-relieved, in control and happy with your day. Get one of the best weekly planners for the year 2020! Either you're just up for a hobby, simple errands, studies, working, or being a serious entrepreneur running several businesses. This weekly scheduler will give you the confidence every time you set a deadline for your next move! Write down and take note of everything from daily doings to special events you plan to attend. Plan and schedule out the day, mark it off as you are done, or even rewrite if plans changes. Be prepared by planning a week ahead or even a day three months ahead in this 2020 calendar. It's easy to bring along every day, or keeping it on your desk all the time for easy access. Daily, it's simple to note something instead of going around and keep all the things to do in your mind all day long. It's easy to forget, and we all have experienced what happens if you forget to call someone or fail to do a certain thing at a certain time that you were supposed to do! Paper page format: 8.5" x 11" (21.59 x 27.94 cm) (The plan layout is designed to make planning easy and simple for anyone to use. It's simplicity with great space was created with the experience of professional planners and business people over the last years.) Grab your copy today. There are no regrets about planning out the day. Make 2020 a better year for your schedules, plans and personal goals settings. Don't leave 2020 behind on anything, order now! "Indistractable provides a framework that will deliver the focus you need to get results." —James Clear, author of Atomic Habits "If you value your time, your focus, or your relationships, this book is essential reading. I'm putting these ideas into practice." —Jonathan Haidt, author of The Righteous Mind National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become "indistractable?" International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote Silicon Valley's handbook for making technology habit-forming. Five years after publishing Hooked, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In Indistractable, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. Indistractable reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals: • Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it • What really drives human behavior and why "time management is pain management" • Why your relationships (and your sex life) depend on you becoming indistractable • How to raise indistractable children in an increasingly distracting world Empowering and optimistic, Indistractable provides practical, novel techniques to control your time and attention—helping you live the life you really want. This 2022 Weekly Planner features Two-Page Spreads for Each Week of the Year United States Secular and Religious Holidays Included Modern Design Soft-Back Cover Compact Size Based on Emily Schuman's popular lifestyle blog of the same name, Cupcakes and Cashmere is the must-have guide for those looking to establish their own sense of style, organize and decorate their home, or throw an easy and stylish party. Organized by season, the book expands on Schuman's blog by including DIY projects, organization tips, party-planning ideas, beauty how-tos, and seasonal recipes. Cupcakes and Cashmere features original material that has not been previously published on the site. With her signature photographic layouts, Emily creates a lifestyle that is chic and achievable for every reader, making this the ultimate style guide for living a fashionable life. Praise for Cupcakes and Cashmere: "Inspiration for anyone looking to update her wardrobe, decorate her home, or throw a fab party." —Shape magazine 53 page

Specifications: Cover Finish: Matt waterproof laminated Dimensions: 6" x 9" (15.24 x 22.86 cm) Interior: Acid-free white pages Paper Weight: 60lb text/90 GSM Pages: 160 Check Our Exclusive Offers, Tips & More. You will undoubtedly find the right one for you. Get yours today! notebookspace.com This Superhumans edition focuses on achieving a Work Life Balance and features a 7 page per week layout. The perfect partner in crime to gain that feel good factor and sense of accomplishment every day! Here is how the planner can help: The planner comes in 5 different colours and includes the following: * Mind Mapping (to get those creative juices flowing!) * Morning and Evening Routine Success * Exercise Log * Nutrition Planning * Monthly Calendar - with project, goal and idea planning! * Schedule seven days a week, list your top three priorities for each day * Weekly Planner and Review pages * Weekly Habit Tracker - "Success really is just a few good habits away!" * Dedicated sections to be successful in all areas of your life: Work and everything else! * Note making, as well as space to declutter your brain from all those niggling day to day tasks that need to get done but are not a priority * Reading List (this can also include Podcasts, Audiobooks that you enjoy!) Top Tips: o Add Post-it notes - these are a fantastic way to help stay in control o Use the tick boxes to check off completed achievements or tasks o Plan for next week before it arrives o Add pre-activity reminders to your calendar to help prepare in advance Acing our jobs, hitting our exercise and nutrition goals and improving our knowledge are three key areas that can make us all Superhuman (of course there are lots more too!). Add as many of these as you want to this planner! Work out your longer-term goals, and add them to the Mind Map and 8 monthly pages. To achieve them, break them down into smaller goals which you can carry out on a daily and weekly basis, record these too! Small gains soon add up to the big ones. High quality, cute and cool design Weekly & Monthly Planner, Notebook, Journal, Diary, Organizer. Our weekly planners give you a week on each page. You will undoubtedly find the right one for you. Get yours today! notebookspace.com An investigation into the evolution of the seven-day week and how our attachment to its rhythms influences how we live We take the seven-day week for granted, rarely asking what anchors it or what it does to us. Yet weeks are not dictated by the natural order. They are, in fact, an artificial construction of the modern world. With meticulous archival research that draws on a wide array of sources—including newspapers, restaurant menus, theater schedules, marriage records, school curricula, folklore, housekeeping guides, courtroom testimony, and diaries—David Henkin reveals how our current devotion to weekly rhythms emerged in the United States during the first half of the nineteenth century. Reconstructing how weekly patterns insinuated themselves into the social practices and mental habits of Americans, Henkin argues that the week is more than just a regimen of rest days or breaks from work, but a dominant organizational principle of modern society. Ultimately, the seven-day week shapes our understanding and experience of time. BEAUTIFUL CALENDAR FOR 2022 TO 2023 - In practical format: 6x9 inches with 220 pages and high quality white paper.
