The mysteries of Tantra have engrossed countless meditators for centuries. Since the time of Buddha, these secrets have been passed down from accomplished master to disciple largely by word of mouth. Now drawing from his own experience and the works of Je Tsongkhapa and other great Tibetan Yogis, Geshe Kelsang clearly sets out all the stages of the four classes of Tantra, giving a full explanation of generation and completion stages. Tantra is revealed as the gateway to a blissful new world. The book represents a significant milestone in revealing these profound mysteries to the contemporary world. An biography of one of the most outstanding Tibetan Buddhist masters of the twentieth century. The foremost torchbearer of the ecumenical Rime movement, Jamyang Khyentse Chökyi Lodrö (1893–1959) dedicated his life to the study, practice, and propagation of all the schools and lineages that are collectively known as Tibetan Buddhism. The staggeringly long list of teachings he received and transmitted in turn testifies to the depth of his appreciation of all aspects of the Dharma, and the roster of his eminent students reveals how his extraordinary influence transcended sectarian boundaries. The first half of this volume presents informal stories by many of Chökyi Lodrö's teachers, students, friends, and relatives, collected by Orgyen Tobgyal Rinpoche and translated here into English for the first time. Intimate, funny, and utterly down-to-earth, these stories—supplemented by sixty-one photographs—paint a tender picture of the man behind the great master, introducing readers to the characters and events in his life, and especially the challenges he faced living under the Chinese occupation of Tibet. The second half comprises an English translation of the spiritual biography, or namtar, by Dilgo Khyentse, one of Chökyi Lodrö's closest and most brilliant students. In the process of recounting the life and liberation of his beloved guru, Dilgo Khyentse reveals how he saw Chökyi Lodrö as the Buddha in the flesh and provides, essentially, a blueprint of the entire path to enlightenment. An in-depth presentation of one of the most profound traditions of Tibetan Buddhism--the Dudjom lineage--beginning with the Buddha and tracing the origins and development of the lineage through its Indian and Tibetan masters. The Ruby Rosary is Thinley Norbu's commentary on a short prayer written by his father, His Holiness Dudjom Rinpoche, who was a revered leader of the Nyingma lineage of Tibetan Buddhism as well as a "revealer of treasures" in the Tibetan tradition. The root text, entitled "The Pearl Necklace," is a prayer of devotion to the eighteen primary masters of the Dudjom incarnation lineage, "strung together into a necklace of liberated lifetimes." With lively storytelling, Thinley Norbu illuminates the life of each of these great yogis, scholars, and masters of the Buddha's teachings, from Nüden Dorje Chang, Shariputra, and Saraha to Dudjom Lingpa. It concludes with an account of the enlightened activities of Dudjom Rinpoche himself, a towering figure, thus completing this awe-inspiring portrait of a modern master. This book examines the life of the sixteenth Karmapa and his contributions to the preservation and transmission of Tibetan Buddhism in exile. The author analyzes the life and activity of the Karmapa through the lens of cross-cultural interaction between Buddhism and the West with a particular focus on Asian agency. A compelling collection of the many voices and experiences of trans, genderqueer, and nonbinary Buddhists *Transcending* brings together more than thirty contributors from both the Mahayana and Theravada traditions to present a vision for a truly inclusive trans Buddhist sangha in the twenty-first century. Shining a light on a new generation of Buddhist role models, this book gives voice to those who have long been marginalized within the Buddhist world and society at large. While trans, genderqueer, and nonbinary practitioners have experienced empowerment and healing through their commitment to the Buddha, dharma, and sangha, they also share their experiences of isolation, transphobia, and aggression. In this diverse collection we hear the firsthand accounts, thoughts, and reflections of trans Buddhists from a variety of different lineages in an open invitation for all Buddhists to bring the issue of gender identity into the sangha, into the discourse, and onto the cushion. Only by doing so can we develop insight into our circumstances and grasp our true, essential nature. *Treasures of the Sakya Lineage* is a rich collection of teachings by both contemporary and ancient Sakya masters, showing a thousand years of lineage continuity. It provides an overview of the history, view, key lineage figures, and crucial teachings of the oldest continuously operating institution among the four lineages of Tibetan Buddhism. The Sakya School has long been known for its balanced approach to study and practice. The writings of Sakya scholars have been deeply influential in every school of Tibetan Buddhism and they continue to be now. A great resource for students and practitioners of all schools of Tibetan Buddhism, this volume contains teachings from great Sakya scholars and meditation masters, including: H. H. Sakya Trizin, Khenpo Appey, Sakya Pandita, Jetsun Drappa Gyaltsen, Chogye Trinchen, Choegyal Phagpa, Migmar Tseten Vajrayogini is a tantric goddess from the highest class of Buddhist tantras who manifests the ultimate development of wisdom and compassion. Her practice is prevalent today among practitioners of Tibetan Buddhism. This ground-breaking book delves into the origins of Vajrayogini, charting her evolution in India and examining her roots in the Cakrasamvara tantra and in Indian tradition relating to siva. The focus of this work is the Guhyasamayasadhanamala, a collection of forty-six sadhanas, or practice texts. Written on palm leaves in Sanskrit and preserved since the twelfth century, this diverse collection, composed by various authors, reveals a multitude of forms of the goddess, each of which is described and illustrated here. One of the sadhanas, the Vajravarahi Sadhana by Umapatideva, depicts Vajrayogini at the center of a mandala of thirty-seven different goddesses, and is here presented in full translation alongside a Sanskrit edition. Elizabeth English provides extensive explanation and annotation of this representative text. Sixteen pages of stunning color plates not only enhance the study but bring the goddess to life. Second volume of a compilation of Ch'ogyam Trungpa Rinpoche's Vajradhatu Seminary teachings in three volumes. This small collection of commentaries and verse by Dilgo Khyentse Rinpoche, one of the greatest spiritual leaders of the twentieth century, contains exposition on different stages of the Buddhist path from the perspective of meditative experience and actually putting the teachings into practice. Originally given orally to Western students, the texts afford a rare glimpse into the direct transmissions of a master teacher. The commentaries are on ? • The Wheel of Investigation and Meditation That Thoroughly Purifies Mental Activity by Jamgön Mipham • The Lamp That Dispels Darkness by Jamgön Mipham • A Wondrous Ocean of Advice for the Practice of Retreat in Solitude by Jigme Lingpa. These, along with the five selected poems in the final section, provide an introduction to the wisdom and compassion of Khyentse Rinpoche. The Indian master Padmasambhava occupies a special place in the hearts of practitioners of Tibetan Buddhism. By bringing tantric Buddhism to Tibet from India, he inspired a movement of awakening that for centuries has brought countless practitioners to spiritual fulfillment. A Practice of Padmasambhava presents two practical and compelling works related to a visualization and mantra practice of Padmasambhava. This practice is based on the most important revelation of the renowned nineteenth-century treasure revealer Chokgyur Lingpa, Accomplishing the Guru's Mind: Dispeller of All Obstacles. These two works give an introduction to the preliminary trainings, outline the primary elements of visualization practice and mantra recitation, and supply a detailed explanation of the practice of Padmasambhava's wisdom aspect, Guru Vadisimha. Through practical step-by-step instructions on this deity, the reader is guided into the general world of tantric practice common to all of Tibetan Buddhism. The first published collection of essential teachings by Penor Rinpoche, one of the most important Buddhist masters of the 20th century. This inspiring work is the first available collection of teachings by one of the most well-known Nyingmapa masters of the twentieth century, His Holiness Penor Rinpoche. Ani Jinba Palmo compiled and translated this valuable collection of Penor Rinpoche's fundamental instructions for practitioners on the Vajrayana path. Coming straight from the heart and realization of this great master, these honest and clear teachings emphasize the indispensable foundations of loving-kindness,

mindfulness, and simplicity needed to become a true yogi. Profound yet accessible, this work serves to remind Buddhist practitioners of the heart of the Tantric and Dzogchen traditions. In the summer of 1957, the revered Buddhist teacher and scholar Khenpo Gangshar foresaw the difficulties that would soon fall upon Tibet and began teaching in a startling new way that enabled all those who heard him to use the coming difficulties as the path of Dharma practice. The teaching consisted of the essential points of mahamudra and dzogchen, both view and practice, presented in a way that made them easy for anyone to use, even in the most difficult of circumstances. Khenchen Thrangu Rinpoche was one of the grateful recipients of these teachings, which he regards as among the most important he has ever been given. He transmits them here, for the benefit of all of us who strive to practice in challenging times. They include contemplations on the ephemeral nature of both joy and suffering, meditations for resting the mind, and guidance for cultivating equanimity in any situation. Commentary on Dudjom Lingpa's Heart Essence of Saraha and second edition translation of Heart Essence of Saraha Clear light of Bliss is a unique and highly acclaimed explanation of the advanced practices of Vajrayana Buddhism - the supreme path to enlightenment taught by Buddha. The book provides a detailed and practical explanation of the completion stage practices of Tantric Mahamudra, from the initial meditation on our subtle body, through the stages of inner fire meditation and the four joys, to the final attainment. Geshe kelsang also gives extraordinarily clear explanations of the nature of the mind, how to develop meditative concentration, and how to meditate on emptiness, the ultimate nature of reality. This book will be an invaluable guide to those travelling the Tantric swift path to full enlightenment. This compelling study of the Ri-me movement and of the major Buddhist lineages of Tibet is comprehensive and accessible. It includes an introduction to the history and philosophy of the Ri-me movement; a biography of the movement's leader, the meditation master and philosopher known as Jamgön Kongtrul the Great; helpful summaries of the eight lineages' practice-and-study systems, which point out the different emphases of the schools; an explanation of the most hotly disputed concepts; and an overview of the old and new tantras. Jamgön Kongtrul the Great (1813–1899) is a giant in Tibetan history, renowned for his scholarly and meditative achievements, but also for his energetic yet evenhanded work to unify and strengthen the different lineages of Buddhism. The Ri-me movement, led by Kongtrul and several other leading scholars of the time, was a unifying effort to cut through interscholastic divisions and disputes that were occurring between the different lineages. These leaders sought appreciation of the differences and acknowledgment of the importance of variety in benefiting practitioners with different needs. The Ri-me teachers also took great care that the teachings and practices of the different schools and lineages, and their unique styles, did not become confused with one another. This lucid survey of the Ri-me movement will be of interest to serious scholars and practitioners of Tibetan Buddhism. This Handbook provides a comprehensive overview and analysis of the state of the field of the philosophy of meditation and engages primarily in the philosophical assessment of the merits of meditation practices. This Handbook unites novel and original scholarship from 28 leading Asian and Western philosophers, scientists, theologians, and other scholars on the philosophical assessment of meditation. It critically assesses the conceptual and empirical validity of meditation, its philosophical implications, its legitimacy as a phenomenological research tool, its potential value as an aid to neuroscience research, its many practical benefits, and, among other considerations, its possibly misleading interpretations, applications, and consequences. Following the introduction by the editor, the Handbook's chapters are organized in six parts: • Meditation and philosophy • Meditation and epistemology • Meditation and metaphysics • Meditation and values • Meditation and phenomenology • Meditation in Greco-Roman and Judeo-Christian traditions A distinctive, timely, and invaluable reference work, it marks the emergence of a new discipline therein, the philosophy of meditation. The book will be of interest to an interdisciplinary audience in the fields of philosophy, meditation, Buddhism, Hinduism, Taoism, theology, and Asian and Western philosophy. It will serve as the textbook in any philosophy course on meditation, and as secondary reading in courses in philosophy of mind, consciousness, selfhood/personhood, metaphysics, or phenomenology, thereby helping to restore philosophy as a way of life. At the heart of successful Mahamudra practice is the ability to understand the nature of mind. The Ninth Karmapa Wangchuk Dorje (1556–1603) was the acknowledged master of this approach. No more authoritative or useful instructions exist than in his three definitive texts on Mahamudra, of which this easy-to-use manual is the shortest and most practical. Pointing Out the Dharmakaya is an indispensable companion to The Ocean of Definitive Meaning, the most vast and detailed of the texts. An invaluable guide for Mahamudra practitioners on how to look at the mind, it is clearly laid out so that the instructions are easy to recall and put to use. Brilliant explanations by Khenchen Thrangu Rinpoche make this text vividly relevant for contemporary Western practitioners. For those committed to ascertaining the mind's true nature, checking their experience, and refining and extending their insight, there is no more systematic or comprehensive approach than can be found in this extraordinary set of instructions. One of the most important sadhana cycles in the Nyingma school of Tibetan Buddhism, the Rigdzin Düpa, or Gathering of the Vidyadharas, is practiced by tens of thousands of practitioners around the world. This inner guru practice focuses on Padmasambhava as the central figure and is one of the three root sadhanas of the Longchen Nyingtik treasure cycle revealed by the great Jigme Lingpa. This book will help readers mature their practice with invaluable instructions and commentary from some of the greatest Tibetan masters to have ever lived, including Patrul Rinpoche, Jamgön Kongtrul Lödro Tayé, and more. Colorful stories about and profound teachings of Patrul Rinpoche, one of the most impactful teachers and thinkers in the Tibetan tradition from the nineteenth century. The life and teachings of the wandering yogi Patrul Rinpoche—a highly revered Buddhist master and scholar of nineteenth-century Tibet—come alive in true stories gathered and translated by the French Buddhist monk Matthieu Ricard over more than thirty years, based on the oral accounts of great contemporary teachers as well as written sources. Through lively anecdotes and stories this highly revered Buddhist meditation master and scholar tells about his life of study, retreat, and teaching. The formative events of Dilgo Khyentse Rinpoche's life, and those insights and experiences that caused him to mature into the warm, brilliant, and highly realized meditation master and teacher he was, are deeply inspiring.
