Daughter of a Thousand Pieces of Gold Apr 16 2022 From a hiding place behind the courtyard moon gate, eleven-year-old Zhong Mei Lin hears her father defend her as "a daughter of a thousand pieces of gold" to corrupt village leader, Liu Long Tang. This expression, highest praise for a Chinese daughter, means she is as valuable as a son. Little do any of them realize that she will soon prove this worth not only to her parents and Liu Long Tang, but to provincial government authorities and to a whole new world she hasn't even dreamed of yet! Set against the rapidly changing social landscape brought on by the economic reforms of Deng Xiaoping and China's one-child family planning policy, Mei Lin's journey is one the reader will not soon forget. Rich in details of Chinese culture and tradition, this is a story about standing up for oneself, and about holding on to the good in the past while also making room for the future. Written for a young teen audience, the book is also enjoying growing adult interest --especially among China adoptive parents, family members and friends as well as with others interested in learning more about China in an entertaining format.

Thankfully due to *Thirty Pieces of Gold* from the wise men, Jesus' parents have the means to escape to Egypt, but will the money be enough to get them all the way there? Will they be able to outrun the Roman guards? Find out in Heidi Smith's debut novel, *Thirty Pieces of Gold*, a historical account of what might have occurred during Jesus, Mary, and Joseph's escape to Egypt.

All the while, she must hide her secret love for James, who is sworn to marry someone else. But Cordelia's new life is blown apart when a shocking series of demon attacks devastate London.
