**The Opposite of Geek** Dec 08 2021 A piercing novel about the unnerving process of growing up, and a girl finding her feet. Gretchen Meyers doesn't know exactly what went wrong, but life in the eleventh grade is beginning to suck. As if having a semi-nudeist, food-obsessed family

wasn't awkward enough, she has lost her best friend to the fanatical school swim team, and her chemistry grade is so close to negative digits that only emergency tutoring can save it. So far, so high school. Then James/Dean rolls into her life - also known as her zit-faced chemistry tutor James and his slightly less zit-faced cousin Dean. Kind-hearted rebels without a cause, they draw Gretchen out of classroom hell, and briefly the world seems full of possibility. But everything changes over the course of one awful night. Bewildered by harsh new emotions of grief and love, Gretchen realizes she must now decide who she wants to be and what it means to be loyal. Written partly in verse, as self-confessed poetry geek Gretchen finds new ways of expressing herself, *The Opposite of Geek* is a tale of haiku, high school, and heartache. Rich with humour, it explores all the anguished details of teenage life through the words of one girl who is finding her way.

**What Makes Your Brain Happy and Why You Should Do the Opposite** Sep 17 2022

This book reveals a remarkable paradox: what your brain wants is frequently not what your brain needs. In fact, much of what makes our brains "happy" leads to errors, biases, and distortions, which make getting out of our own way extremely difficult. Author David DiSalvo presents evidence from evolutionary and social psychology, cognitive science, neurology, and even marketing and economics. And he interviews many of the top thinkers in psychology and neuroscience today. From this research-based platform, DiSalvo draws out insights that we can use to identify our brains' foibles and turn our awareness into edifying action. Ultimately, he argues, the research does not serve up ready-made answers, but provides us with actionable clues for overcoming the plight of our advanced brains and, consequently, living more fulfilled lives.

**The Opposite of Me** Jun 14

2022 Twenty-nine-year-old Lindsey Rose has, for as long as she can remember, lived in the shadow of her devastatingly beautiful twin sister, Alex. Determined to get noticed, Lindsey is finally on the cusp of being named creative vice president of an elite New York advertising agency, after years of eighty-plus hour weeks, migraines and profound loneliness. But during the course of one devastating night, Lindsey's carefully constructed life implodes. Humiliated and desperate, she flees the glitter of Manhattan and retreats to the time warp of her parents' Maryland home. As her sister plans her lavish wedding to her prince charming, Lindsey struggles to maintain her identity as the smart, responsible twin, while she furtively tries to put her career back together. But things get more complicated when a long held family secret is unleashed that forces both sisters to reconsider who they are and who they are meant to be.

**Doing the Opposite** Oct 14

2019 Not so long ago, I had £7.60 in my bank account and was struggling to feed my children. Aged 39, I was bankrupt. The taxman had taken my house, my car and my self-respect. In a matter of months I had seen my life collapse. I went from owning a successful business and a football club, to claiming benefits to try and put food on the table. In 2012, I started a new business in my garden shed. Just eight years later it was about to be sold for tens of millions of pounds. My journey is the tale of a working class, East End lad done good, who lost it all and hit rock bottom hard, but who managed to battle back. This book highlights the lessons in life which helped me to recover, and some of the principles I believe you need to follow to find happiness, not just in your bank balance, but in life itself. As for that multi-million pound deal? There was a slight hiccup. People in China started coughing.

*The Opposite of Everyone* Oct 18 2022 A fiercely independent

divorce lawyer learns the power of family and connection when she receives a cryptic message from her estranged mother in this bittersweet, witty novel from the nationally bestselling author of *Someone Else's Love Story* and *Gods in Alabama*—an emotionally resonant tale about the endurance of love and the power of stories to shape and transform our lives. Born in Alabama, Paula Vauss spent the first decade of her life on the road with her free-spirited young mother, Kai, an itinerant storyteller who blended Hindu mythology with southern oral tradition to re-invent their history as they roved. But everything, including Paula's birth name Kali Jai, changed when she told a story of her own—one that landed Kai in prison and Paula in foster care. Separated, each holding secrets of her own, the intense bond they once shared was fractured. These days, Paula has reincarnated herself as a tough-as-nails divorce attorney with a successful practice in Atlanta. While she hasn't seen

Kai in fifteen years, she's still making payments on that Karmic debt—until the day her last check is returned in the mail, along with a mysterious note: "I am going on a journey, Kali. I am going back to my beginning; death is not the end. You will be the end. We will meet again, and there will be new stories. You know how Karma works." Then Kai's most treasured secret literally lands on Paula's doorstep, throwing her life into chaos and transforming her from only child to older sister. Desperate to find her mother before it's too late, Paula sets off on a journey of discovery that will take her back to the past and into the deepest recesses of her heart. With the help of her ex-lover Birdwine, an intrepid and emotionally volatile private eye who still carries a torch for her, this brilliant woman, an expert at wrecking families, now has to figure out how to put one back together—her own. *The Opposite of Everyone* is a story about story itself, how the tales we tell connect us, break us, and define us, and

how the endings and beginnings we choose can destroy us . . . and make us whole. Laced with sharp humor and poignant insight, it is beloved New York Times bestselling author Joshilyn Jackson at her very best.

*It's Not How Good You Are, It's How Good You Want to Be* Nov 26 2020 "It's Not How Good You Are, It's How Good You Want to Be is a handbook of how to succeed in the world: a pocket bible for the talented and timid alike to help make the unthinkable thinkable and the impossible possible. The world's top advertising guru, Paul Arden, offers up his wisdom on issues as diverse as problem solving, responding to a brief, communicating, playing your cards right, making mistakes, and creativity - all endeavors that can be applied to aspects of modern life. This uplifting and humorous little book provides a unique insight into the world of advertising and is a quirky compilation of quotes, facts, pictures, wit and wisdom - all packed into easy-to-digest

t, bite-sized spreads. If you want to succeed in life or business, this book is a must." [The Opposite of Hate](#) Apr 12 2022 "A stunning debut by a truly gifted writer—an eye-opening read for both liberals and conservatives—and it could not come at a better time."—Adam Grant, New York Times bestselling author of *Option B*, with Sheryl Sandberg  
What is the opposite of hate? As a progressive commentator on Fox News and now CNN, Sally Kohn has made a career out of bridging intractable political differences and learning how to talk respectfully with people whose views she disagrees with passionately. Her viral TED Talk on the need to practice emotional—rather than political—correctness sparked a new way of considering how often we amplify our differences and diminish our connections. But these days even famously “nice” Kohn finds herself wanting to breathe fire at her enemies. It was time, she decided, to look into the epidemic of hate all

around us and learn how we can stop it. In *The Opposite of Hate*, Kohn talks to leading scientists and researchers and investigates the evolutionary and cultural roots of hate and how incivility can be a gateway to much worse. She travels to Rwanda, the Middle East, and across the United States, introducing us to former terrorists and white supremacists, and even some of her own Twitter trolls, drawing surprising lessons from dramatic and inspiring stories of those who left hate behind. As Kohn confronts her own shameful moments, whether it was back when she bullied a classmate or today when she harbors deep partisan resentment, she discovers, "The opposite of hate is the beautiful and powerful reality of how we are all fundamentally linked and equal as human beings. The opposite of hate is connection." Sally Kohn's engaging, fascinating, and often funny book will open your eyes and your heart.

**Love People, Use Things** Dec

28 2020 **\*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\***

"The Minimalists show you how to disconnect from our conditioned material state and reconnect to our true essence: love people and use things.

This is not a book about how to live with less, but about how to live more deeply and more fully." —Jay Shetty, #1 New York Times bestselling author of *Think Like a Monk* AS SEEN ON THE NETFLIX

DOCUMENTARIES

MINIMALISM & LESS IS NOW

How might your life be better with less? Imagine a life with less: less stuff, less clutter, less stress and debt and discontent—a life with fewer distractions. Now, imagine a life with more: more time, more meaningful relationships, more growth and contribution and contentment—a life of passion, unencumbered by the trappings of the chaotic world around you. What you're imagining is an intentional life. And to get there, you'll have to let go of some clutter that's in the way. In *Love People, Use Things*, Joshua Fields Millburn

and Ryan Nicodemus move past simple decluttering to show how minimalism makes room to reevaluate and heal the seven essential relationships in our lives: stuff, truth, self, money, values, creativity, and people. They use their own experiences—and those of the people they have met along the minimalist journey—to provide a template for how to live a fuller, more meaningful life. Because once you have less, you can make room for the right kind of more.

*The Opposite of Spoiled* Jul 15 2022 New York Times Bestseller “We all want to raise children with good values—children who are the opposite of spoiled—yet we often neglect to talk to our children about money. . . . From handling the tooth fairy, to tips on allowance, chores, charity, checking accounts, and part-time jobs, this engaging and important book is a must-read for parents.” — Gretchen Rubin, author of *The Happiness Project* In the spirit of Wendy Mogel’s *The Blessing of a*

*Skinned Knee* and Po Bronson and Ashley Merryman’s *Nurture Shock*, New York Times “Your Money” columnist Ron Lieber delivers a taboo-shattering manifesto that explains how talking openly to children about money can help parents raise modest, patient, grounded young adults who are financially wise beyond their years For Ron Lieber, a personal finance columnist and father, good parenting means talking about money with our kids. Children are hyper-aware of money, and they have scores of questions about its nuances. But when parents shy away from the topic, they lose a tremendous opportunity—not just to model the basic financial behaviors that are increasingly important for young adults but also to imprint lessons about what the family truly values. Written in a warm, accessible voice, grounded in real-world experience and stories from families with a range of incomes, *The Opposite of Spoiled* is both a practical guidebook and a values-based

philosophy. The foundation of the book is a detailed blueprint for the best ways to handle the basics: the tooth fairy, allowance, chores, charity, saving, birthdays, holidays, cell phones, checking accounts, clothing, cars, part-time jobs, and college tuition. It identifies a set of traits and virtues that embody the opposite of spoiled, and shares how to embrace the topic of money to help parents raise kids who are more generous and less materialistic. But *The Opposite of Spoiled* is also a promise to our kids that we will make them better with money than we are. It is for all of the parents who know that honest conversations about money with their curious children can help them become more patient and prudent, but who don't know how and when to start.

**The Opposite of Here** Oct 26 2020 "A taut, evocative thriller that's surprising to the last page." --Karen M. McManus, New York Times bestselling author of *One of Us Is Lying* There's no hiding on a cruise ship--not even from yourself.

Natalie's parents are taking her and her three best friends on a cruise for her seventeenth birthday. A sail-a-bration, they call it. But it's only been a few short months since Natalie's boyfriend died in a tragic accident, and she wants to be anywhere but here. Then she meets a guy on the first night and sparks fly. After a moonlit conversation on a secluded deck of the ship, Natalie pops down to her cabin to get her swimsuit so they can go for a dip. But when she returns, he's gone. Something he said makes her think he might have . . . jumped? No, he couldn't have. But why do her friends think she's crazy for wanting to make sure he's okay? Also, why do they seem to be hiding something from her? And how can she find him when she doesn't even know his name? Most importantly, why is the captain on the intercom announcing the urgent need for a headcount? With her signature thrilling storytelling, the author of *The Leaving* and *The Possible* explores our vulnerability to the power of

suggestion--and the lies we tell others and ourselves--in a twisting, Hitchcock-inspired mystery with high stakes and dark secrets.

[Disney U: How Disney University Develops the World's Most Engaged, Loyal, and Customer-Centric Employees](#) Oct 06 2021

Leadership lessons from the iconic brand you can use to drive Disney-style success In helping Walt Disney create "The Happiest Place on Earth," Van France and his team started a business revolution in 1955 that eventually became the Disney University—the employee training and development program that powers one of the most famous brands on earth. Disney U examines how Van France's timeless company values and leadership expertise have turned into a training and development dynasty: the Disney U. The book reveals the heart of the Disney Culture and describes the company's values and operational philosophies that support the world-famous Disney brand. Doug Lipp is an

internationally acclaimed expert on customer service, leadership, change management and global competitiveness, specializing in the lessons he learned at the Disney U.

[The Opposite of Life](#) Feb 27 2021 "I remember screaming very loudly. In TV shows, that's where the ad break comes in, while some ninny is screaming her head off. No ad break in life, though". Lissa Wilson has seen more than enough death in her family, so when people start being savagely killed whenever she has a night out in Melbourne with her beautiful new boyfriend, she's determined to investigate and make the killings stop. Even when she realises the murders must be the work of a vampire. Things had been looking up for this librarian and 21st century geekgirl, but the murders make her remember why she prefers books to people. People leave you. People can die. She finds herself teaming up with the painfully awkward Gary to get to the undead heart of the matter. But there are more

challenges in store than Gary's appalling fashion sense. The idea of living forever can be a big temptation for someone who has lost so much...

AUTHOR: Narrelle Harris was born in Newcastle, Australia and proceeded to move every few years until most of her friends thought she was in a Witness Protection program. Her itinerancy included three years abroad, teaching English in Egypt and Poland. Although now settled in Melbourne with her husband and her cat, she continues to relieve itchy feet with regular travel. Narrelle has also been a playwright, songwriter, actress, editor, public servant, kitchen hand and - once only - a very bad telemarketer.

*The Opposite of Invisible* Mar 31 2021 Alice and Jewel have been best friends since grade school. Together, they don't need anyone else, and together they blend into the background of high school. Invisible. To Alice, Jewel is the opposite of invisible. Jewel is her best friend who goes to Indie concerts and art shows with

her. Jewel scoffs at school dances with her. Alice is so comfortable around Jewel that she can talk to him about almost anything. But she can't tell him that she likes the cool, popular Simon. And then Simon asks her to the school dance the same day that Jewel kisses her for the first time. Still, she can't say no to Simon. He seems like the easy choice, the one she's attracted to, the one she's ready for. But will it mean losing Jewel? In a bright debut novel set against the lively backdrop of Seattle, Alice must learn the difference between love and a crush, and what it means to be yourself when you're not sure who that is yet.

Think Opposite Dec 20 2022 Remember when you thought owning your own business was going to be fun and help you change the world? Then, somewhere along the line, your business became just hard work and wasn't fun at all. You're not alone, and it doesn't have to be that way. Alison Donaghey offers a way to reclaim your business by using

a new way of thinking to improve your customer experience, staff contribution, and community involvement. You can make the positive impact on the world you've been yearning for. All it takes is a little shift in your critical thinking and *Think Opposite* is the guide to help take you and your business to new heights, while keeping your mission front and center.

**The Opposite of Woe** Aug 24 2020 "The governor of Colorado tells his story, from early loss to college on the ten-year plan, to business and political success"--

*We Are Not Like Them* Mar 19 2020 A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this "propulsive, deeply felt tale of race and

friendship" (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship

with her lifelong friend. Like Tayari Jones's *An American Marriage* and Jodi Picoult's *Small Great Things*, *We Are Not Like Them* takes "us to uncomfortable places—in the best possible way—while capturing so much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel" (Emily Giffin, *New York Times* bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship. [The Opposite of Maybe](#) Jul 23 2020 A heartfelt and exceptionally human novel about the best mistakes a person can make Jonathan and Rosie have been together so long they finish each other's sentences—so when he (finally) proposes and asks her to move across the country with him, everyone is happily surprised. But when things suddenly unravel, Rosie sends Jonathan packing and moves back home with Soapie, the irascible, opinionated grandmother who raised her. Now she has to figure out how to fire Soapie's

very unsuitable caregiver, a gardener named Tony who lets her drink martinis, smoke, and cheat at Scrabble. It's meant to be a temporary break, of course—until Rosie realizes she's accidentally pregnant at 44, completely unequipped for motherhood, and worse, may be falling in love with Tony, whose life is even more muddled than hers. When Soapie reveals a long-hidden secret, Rosie wonders if she has to let go of her fears, and trust that the big-hearted, messy life that awaits her just may be the one she was meant to live. Praise for *The Opposite of Maybe* "Dawson's charmingly eccentric cast of characters is at turns lovable and infuriating, ensuring a quick read helmed by a memorable, complex heroine."—*Publishers Weekly* "Delightfully witty . . . A messy, funny, surprising story of second chances."—*Kirkus Reviews* "Dawson keeps readers turning the pages to find out who Rosie will choose in the end."—*Booklist* *The Magic of Thinking Big* Jun

21 2020 The timeless and practical advice in *The Magic of Thinking Big* clearly demonstrates how you can: Sell more Manage better Lead fearlessly Earn more Enjoy a happier, more fulfilling life With applicable and easy-to-implement insights, you'll discover: Why believing you can succeed is essential How to quit making excuses The means to overcoming fear and finding confidence How to develop and use creative thinking and dreaming Why making (and getting) the most of your attitudes is critical How to think right towards others The best ways to make "action" a habit How to find victory in defeat Goals for growth, and How to think like a leader "Believe Big," says Schwartz. "The size of your success is determined by the size of your belief. Think little goals and expect little achievements. Think big goals and win big success. Remember this, too! Big ideas and big plans are often easier -- certainly no more difficult - than small ideas and small plans."

[radioamericana.com.pe](http://radioamericana.com.pe)

## **The Invention of**

## **Heterosexuality** Nov 14 2019

"Heterosexuality," assumed to denote a universal sexual and cultural norm, has been largely exempt from critical scrutiny. In this boldly original work, Jonathan Ned Katz challenges the common notion that the distinction between heterosexuality and homosexuality has been a timeless one. Building on the history of medical terminology, he reveals that as late as 1923, the term "heterosexuality" referred to a "morbid sexual passion," and that its current usage emerged to legitimate men and women having sex for pleasure. Drawing on the works of Sigmund Freud, James Baldwin, Betty Friedan, and Michel Foucault, *The Invention of Heterosexuality* considers the effects of heterosexuality's recently forged primacy on both scientific literature and popular culture. "Lively and provocative."—Carol Tavris, *New York Times Book Review* "A valuable primer . . . misses no significant twists in sexual

politics.”—Gary Indiana, Village Voice Literary Supplement “One of the most important—if not outright subversive—works to emerge from gay and lesbian studies in years.”—Mark Thompson, The Advocate

Whatever You Think, Think the Opposite Feb 22 2023 The inspired follow-up to the international bestseller *It’s Not How Good You Are, It’s How Good You Want to Be*. Bursting with ideas, innovations, art, philosophy, science, and brilliantly bad advice from Paul Arden—a cult figure in the worlds of advertising, art, design, and marketing-- *Whatever You Think, Think the Opposite* offers a new way to approach business and life.

**Opposite of You** Sep 24 2020 A gripping psychological thriller for YA readers. Some bonds should never be broken... Bex and Naomi are identical twins. They used to be inseparable and play games pretending that they knew just what the other was thinking. But things have changed as they’ve got older and the twins

aren't as close as they used to be. Then Naomi goes missing and all of a sudden their childhood games take on a whole new meaning. Bex knows more about what’s going on with Naomi than seems possible. No one understands Naomi like she does and now her twin sister needs help. Perfect for fans of Sophie McKenzie, Anne Cassidy and C.J. Daugherty.

*OptaJoe's Football Yearbook 2016* Jan 09 2022 Kane or Vardy? Pep or José? Pulis or ... anybody else? Football is a game of opinions. A world where received wisdom and the law of the hunch reign supreme. But football is becoming more intelligent. The history books may say that Leicester City winning the premier league ‘defied logic’, but if you looked more closely, they were always going to win . . . From distances run to pass success rate, shots on target to corners won, counter-attacks to tackles made, Opta, the world’s leading sports data company, records everything. But what does it all mean? And how can

it add to our love of the game? From the author and statistician behind the popular OptaJoe Twitter account, what follows is a hugely entertaining and insightful guide to football in 2016, analysing data from the world's greatest teams, players, leagues and tournaments. Stats can never tell us everything, but combining cutting-edge analysis with wry humour, this book debunks countless myths peddled by pundits, managers, and even players. The ideas that follow are both surprising and satisfying, but may also leave you with the feeling that 'yes, that's what I was thinking all along'.

**The Defender** Aug 16 2022  
This "extraordinary history" of the influential black newspaper is "deeply researched, elegantly written [and] a towering achievement" (Brent Staples, New York Times Book Review). In 1905, Robert S. Abbott started printing The Chicago Defender, a newspaper dedicated to condemning Jim Crow and encouraging African Americans

living in the South to join the Great Migration. Smuggling hundreds of thousands of copies into the most isolated communities in the segregated South, Abbott gave voice to the voiceless, galvanized the electoral power of black America, and became one of the first black millionaires in the process. His successor wielded the newspaper's clout to elect mayors and presidents, including Harry S. Truman and John F. Kennedy, who would have lost in 1960 if not for The Defender's support. Drawing on dozens of interviews and extensive archival research, Ethan Michaeli constructs a revelatory narrative of journalism and race in America, bringing to life the reporters who braved lynch mobs and policemen's clubs to do their jobs, from the age of Teddy Roosevelt to the age of Barack Obama. "[This] epic, meticulously detailed account not only reminds its readers that newspapers matter, but so do black lives, past and present." —USA Today  
*The Opposite of Falling Apart*

Jul 03 2021 To get back up sometimes you have to fall down, hard . . . What's the point of pretending nothing has changed when everything has? It's the last summer before college, and Jonas Avery knows he should be excited. Instead, he hides out at home, avoiding his friends, his family, and everything that resembles his old life. Because nothing will be normal again—because of The Accident, when everything started falling apart. Brennan Davis knows she needs to stand up and face her anxiety—the deep, dark, debilitating dread that rules her everyday life. Because what stops her from going out into the world and just living is going to get a whole lot worse. She's leaving for college in the fall, where she'll be confronted with even more to worry about. When Jonas crashes into Brennan—in a harmless, albeit embarrassing fender bender—the two teens connect in ways they never expected. As friends, they help each other overcome their biggest falls and faults, and soon

discover that while love can't fix everything, it's sometimes a place to start. Sensitive, wry, and unabashedly authentic, *The Opposite of Falling Apart* isn't about finding perfection in another person or fixing the things we think are broken. Instead, Micah Good has penned an enchantingly honest novel about accepting the very pieces of ourselves that make us unique, whole, and undeniably human.

*Opposite of Always* Nov 19 2022 “One of the best love stories I’ve ever read.” —Angie Thomas, #1 New York Times bestselling author of *The Hate U Give* “Read this one, reread it, and then hug it to your chest.” —Becky Albertalli, #1 New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda* Debut author Justin A. Reynolds delivers a hilarious and heartfelt novel about the choices we make, the people we choose, and the moments that make a life worth reliving. Perfect for fans of Nicola Yoon and John Green. When Jack and Kate meet at a party, bonding until sunrise

over their mutual love of Froot Loops and their favorite flicks, Jack knows he's falling—hard. Soon she's meeting his best friends, Jillian and Franny, and Kate wins them over as easily as she did Jack. But then Kate dies. And their story should end there. Yet Kate's death sends Jack back to the beginning, the moment they first meet, and Kate's there again. Healthy, happy, and charming as ever. Jack isn't sure if he's losing his mind. Still, if he has a chance to prevent Kate's death, he'll take it. Even if that means believing in time travel. However, Jack will learn that his actions are not without consequences. And when one choice turns deadly for someone else close to him, he has to figure out what he's willing to do to save the people he loves.

The Opposite of Chance Apr 19 2020 Stung by betrayal, a sheltered woman boards a plane to find a world beyond Milwaukee: "The author writes with wit and flair. . . . A romantic escape to savor."  
—Kirkus Reviews Betsy has

been sheltered for a long time—by her close-knit family, Catholic school education, college in her hometown, and early marriage. It takes the discovery of her husband's serial philandering to push her out of the nest, at age thirty-two, in the summer of 1981. Betsy grabs a backpack and a few good books and puts distance—geographical and emotional—between herself and the life she knew in Wisconsin. She begins to make her own decisions: which cities to travel to, what hotels to stay at, and what dinner entrées to order. At airports, on trains, and in pensiones, Betsy takes her first steps toward independence as she navigates the brief but intense relationships only travelers can have with one another. Armed with a book of foreign phrases and a Swiss Army knife, she becomes acquainted with a devout Muslim on a pilgrimage, a French financier raised on a rabbit farm, a lawyer on a solo honeymoon, a Pakistani gambler, a beguiling American threesome en route to Venice,

an Italian hotel owner on Lake Como, and a passionate Irish protestor who carries her to safety from the streets of Dublin. And when Betsy finally arrives back home, she comes to the startling realization that her journey is only just beginning. “Breezy . . . After each meeting, Hermes injects a chapter from the stranger’s point of view. . . . Pleasant escapist fare.” —Publishers Weekly

*The Opposite of Everything* Jan 29 2021 Learning he has cancer is just the beginning of the end for Brooklyn journalist Daniel Plotnick: his marriage ends in a showdown with the police, and his father accidentally pushes him off the George Washington Bridge. Having survived all that, he makes the decision to begin his life again, this time choosing the path diametrically opposed to his life before.

*American Wife* Feb 16 2020  
NEW YORK TIMES  
BESTSELLER • A gorgeously written novel that weaves class, wealth, race, and fate into a brilliant portrait of a first

lady—from the author of *Rodham* and *Eligible* “Terrific . . . an intelligent, bighearted novel about a controversial political dynasty.”—Entertainment Weekly  
NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR: Time • People • Entertainment Weekly  
A kind, bookish only child born in the 1940s, Alice Lindgren has no idea that she will one day end up in the White House, married to the president. In her small Wisconsin hometown she learns the virtues of politeness, but a tragic accident when she is seventeen shatters her identity and changes the trajectory of her life. More than a decade later, when the charismatic son of a powerful Republican family sweeps her off her feet, she is surprised to find herself admitted into a world of privilege. And when her husband unexpectedly becomes governor and then president, she discovers that she is married to a man she both loves and fundamentally disagrees with—and that her private beliefs increasingly run

against her public persona. As her husband's presidency enters its second term, Alice must confront contradictions years in the making and face questions nearly impossible to answer. **NAMED ONE OF THE BEST BOOKS OF THE YEAR:** The New York Times Book Review • Chicago Tribune • NPR • Rocky Mountain News • St. Louis Post-Dispatch • The Washington Post Book World

**The Opposite of Disappearing** Mar 11 2022

We have always lived in uncertain times. But facing a global pandemic tasks us with questioning the things we take for granted ... Everything is disappearing, but we are still here. **The Opposite of Disappearing** is an encouraging and inspiring collection of contemporary short stories from Australian authors written during the COVID pandemic.

**The Opposite of Tidy** Aug 04 2021

How do you come clean when your life is a mess? Fifteen-year-old Junie is barely coping. Her mother has started sleeping in the chair in front of the TV, and the house is so

packed with junk, newspapers, cupboard organizers and other helpful items from the Shopping Channel that she can barely get in the front door. Her father is no help, since he's always with That Woman. To top it off, she's failing math. So when Wade Jaffre, the hot new guy at school, offers her a ride home from school, it seems too good to be true. Junie surprises herself by accepting-and even talking! But as they approach her house, her parents are outside, screaming at each other. Junie doesn't have to think twice about directing him on to her best friend Tabitha's house, nor about continuing the charade of pretending she lives there. Tabitha and her mother are understanding-and willing to go along, for the moment. But as the weeks go by, Junie's lies start piling up and the opportunity to tell the truth seems to slip away. Until the day Junie's world-and her mother's-is literally turned inside out for the world to see, and Junie and her mother must face the consequences of her mother's illness ... and the lies

they both told to hide it.

*Orientalism* Jan 17 2020 More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, *Orientalism* remains one of the most important books written about our divided world.

*God Explained in a Taxi Ride* Sep 05 2021 Advertising and design legend Paul Arden takes an exciting, visually creative, and thoroughly digestible approach to a subject of enormous proven interest and

relevance. Using a series of poignant, contemporary vignettes, *God Explained in a Taxi Ride* analyzes and explores the questions that have persisted since mankind's earliest days. This brilliant little gem of a book compels readers to scratch their heads as it examines man's relationship to the divine—all within the length of a taxi ride.

**Chasing the Scream** Jun 02 2021 The New York Times Bestseller What if everything you think you know about addiction is wrong? Johann Hari's journey into the heart of the war on drugs led him to ask this question--and to write the book that gave rise to his viral TED talk, viewed more than 62 million times, and inspired the feature film *The United States vs. Billie Holiday* and the documentary series *The Fix*. One of Johann Hari's earliest memories is of trying to wake up one of his relatives and not being able to. As he grew older, he realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over

30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally--and showed the world that the opposite of addiction is connection.

### **The Opposite of Innocent**

Feb 10 2022 Poignant and chilling by turns, *The Opposite of Innocent* is award-winning author Sonya Sones's most gripping novel in verse yet. It's the story of a girl named Lily, who's been crushing on a man named Luke, a friend of her parents, ever since she can remember. Luke has been away for two endless years, but he's finally returning today.

Lily was only twelve when he left. But now, at fourteen, she feels transformed. She can't wait to see how Luke will react when he sees the new her. And when her mother tells her that Luke will be staying with them for a while, in the bedroom right next to hers, her heart nearly stops. Having Luke back is better than Lily could have ever dreamed. His lingering looks set Lily on fire. Is she just imagining them? But then, when they're alone, he kisses her. Then he kisses her again. Lily's friends think anyone his age who wants to be with a fourteen-year-old must be really messed up. Maybe even dangerous. But Luke would never do anything to hurt her...would he? In this powerful tale of a terrifying leap into young adulthood, readers will accompany Lily on her harrowing journey from hopelessness to hope. *Lost Connections* May 21 2020 THE INTERNATIONAL BESTSELLER 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your

life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON 'Beautiful' RUSSELL BRAND Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions - ones that offer real hope.

**Whatever You Think Think the Opposite** Jan 21 2023

Logic and common sense have a habit of leading us to the same conclusions. If you are going to make your mark on the world, you have to start thinking differently. To think differently, you have to think illogically. This book looks at life the wrong way, in a bid to explain the benefits of making wrong decisions.

**The Opposite of Love** Dec 16 2019 With perfect pitch for the humor and heartbreak of everyday life, debut author Julie Buxbaum has fashioned a heroine who will be instantly recognizable to anyone who has loved and lost and loved again. When twenty-nine-year-old Manhattan attorney Emily Haxby ends her happy relationship just as her boyfriend is about to propose, she can't explain to even her closest friends why she did it. But somewhere beneath her independent exterior, Emily knows her breakup with Andrew has less to do with him and more to do with...her. "It's like you get pleasure out of breaking your own heart," her best friend Jess tells her. As the

holidays loom and Emily contemplates whether she made a huge mistake, the rest of her world begins to unravel. She's assigned to a multimillion-dollar lawsuit where she must defend the very values she detests by a boss who can't keep his hands to himself... her Grandpa Jack, the person she cares most about in the world, is losing it, while her emotionally distant father has left her to cope alone...and underneath it all, memories of her deceased mother remind her that love doesn't last forever. How this brave young woman finally faces the fears that have long haunted her is the great achievement of this marvelous first novel, written with authority, grace, and wisdom. [The Opposite of Love](#) May 13 2022 Rose is the wild girl nobody really knows. Chase is haunted by his past. Both are self-proclaimed "disappointments," attracted to each other enough to let down their defenses. When Rose's strict, adoptive parents forbid the relationship, it only makes

things more intense. But Chase can't hide from his own personal demons, and Rose has secrets of her own. After they're wrenched apart, a cryptic email arrives in the middle of the night on Christmas Eve, beginning a desperate pursuit and a look back over their tumultuous romance. Will they find each other before the night is over, or will they be torn apart forever?

### **The Opposite of Loneliness**

Nov 07 2021 The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left

behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over...We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." The Opposite of Loneliness is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A

clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People). *The Hueys in What's The Opposite?* May 01 2021 Explore the humorous world of opposites with the #1 bestselling illustrator of *The Day the Crayons Quit* and his band of Hueys! "What's the opposite of the beginning?" A sensible question to ask when opening a book that teaches the reader about opposites. But maybe we should start with something a little easier? For example, it's quite unlucky when a Huey finds himself stranded on a hot, deserted island—but how lucky it is when a fan arrives to provide some cool air! Oh, wait . . . nowhere to plug it in? Unlucky, once again. Now for a harder one: What's the difference between half full and half empty? Stumped? Don't worry, that one will make a Huey's head hurt too. In this funny concept book from the illustrator of the #1 New York Times bestselling *The Day the Crayons Quit*, Oliver Jeffers

takes us on a delightful ride through the world of contraries. Praise for The Hueys in What's the Opposite? \* "Even readers who know the basics of opposites will get their minds blown here, as a glass is considered half full on one page but also half empty on the next. It's not easy to be so very simple and so very

clever, but Jeffers manages in this laugh-aloud offering that will get groups giggling."—Booklist, starred review \* "An amusing twist on the traditional concept book by a beloved master of shape and line."—School Library Journal, starred review "A clever concept book from beginning to end."—Kirkus Reviews
